POLL WORKER TRAINING REQUIRED

Poll worker must complete in person training or complete the online poll worker portal in order to serve. Link: <https://www.sos.state.tx.us/elections/onlinepollworker.shtml>

QUALIFICATIONS FOR POLL WORKERS

To be eligible to serve as an election worker, a person must be a qualified voter of the county in a countywide election ordered by the governor or a county authority, or of the political subdivision, in an election ordered by an authority of a political subdivision other than a county.

A student who is at least 16 years of age and who is enrolled in a public or private high school or home school and has the consent of the principal (or parent/legal guardian in charge of education in home school) may serve as an election clerk on election day or during early voting. **The elections officials must receive written authorization from the student's parent or guardian for the student to serve in the election for which he or she is appointed.** Check our website or contact our office for more information becoming a student worker.
