

Austin County Elections Workshop

Learn valuable information about the process that guides Austin County Elections Office to prepare, manage and conduct efficient and secure elections for area citizens. The Austin County Elections Workshop is comprised of topics designed to enhance understandings of the Elections Office operations. Attendees will embark on a journey that ranges from voter registration to tabulating election results. This workshop will provide attendees with hands on opportunities to experience the processes involved in conducting an election. The meeting is open to the community and hopes to offer beneficial information to citizens with an interest in elections. The *entire workshop* is provided free to attendees.
