WHEREAS, the Board of Trustees (the *Board*) of the BRENHAM INDEPENDENT SCHOOL DISTRICT (the *District*), located in Washington and Austin Counties hereby finds and determines that an election should be held to determine whether the District shall be authorized to issue bonds of the District in the amount and for the purposes hereinafter identified (the *Election*); and

WHEREAS, the District will contract with the elections administrator (the *Administrator*) of Washington County (the *County*) to conduct all aspects of the Election for all registered voters of the District; and

WHEREAS, the Election will be conducted by the County and held jointly with other political subdivisions for which the County is also conducting their elections (such other political subdivisions, collectively, the *Participants*), as provided pursuant to the provisions of an election agreement and/or a joint election or similar agreement between or among (as applicable) the District, the County, and/or any Participants, entered into in accordance with the provisions of Section 271.002, as amended, Texas Election Code; and

WHEREAS, the Board hereby finds and determines that the actions hereinbefore described are in the best interests of the residents of the District; now, therefore,

BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE BRENHAM INDEPENDENT SCHOOL DISTRICT THAT:

SECTION 1: The Election shall be held in the BRENHAM INDEPENDENT SCHOOL DISTRICT on the 4th day of November, 2025 (*Election Day*), which is a uniform election date under the Texas Election Code, as amended, and is 78 or more days from the date of the adoption of this order (the *Order*), for the purpose of submitting the following measure to the qualified voters of the District:

PROPOSITION A  
THIS IS A PROPERTY TAX INCREASE

**SECTION 2:** One or more school election precincts are hereby established for the purpose of holding the Election, and one or more polling places are hereby designated for holding the Election in the school election precincts as identified in Exhibit A to this Order (which is incorporated herein by reference for all purposes). If any locations are changed, this will be reflected on the County elections website. At least 79 days prior to the scheduled Election Day, or as soon thereafter as is reasonably practicable, the President, Board of Trustees, the Superintendent of Schools, or the respective designees thereof, in coordination with the Administrator, will appoint the Presiding Judge, Alternate Presiding Judges, Election Clerks, and all other election officials for the Election, together with any other necessary changes to election practices and procedures and can correct, modify, or change the Exhibits to this Order based upon the final locations and times agreed upon by the District, the Administrator, and the Participants, if any and as applicable, to the extent permitted by applicable law.

A. The Presiding Judge shall appoint not less than two resident qualified voters of the District to act as clerks in order to properly conduct the Election. To the extent required by the Texas Election Code, as amended, or other applicable law, the appointment of these clerks must include a person fluent in the Spanish language to serve as a clerk to render oral aid in the Spanish language to any voter desiring such aid at the polls on Election Day. In the absence of the Presiding Judge, the Alternate Presiding Judge shall perform the duties of the Presiding Judge of the election precinct.

B. On Election Day, the polls shall be open as designated on Exhibit A.

C. The main early voting location is designated in Exhibit B to this Order (which is incorporated herein by reference for all purposes). If any locations are changed, this will be reflected on the County elections website. The individual named as the Early Voting Clerk as designated in Exhibit B is hereby appointed as the Early Voting Clerk to conduct such early voting in the Election. The Early Voting Clerk shall appoint the Deputy Early Voting Clerks. This office or place shall remain open to permit early voting on the days and at the times as stated in Exhibit B. Early voting shall commence as provided on Exhibit B and continue through the date set forth on Exhibit B, all as provided by the provisions of the Texas Election Code, as amended.

Additionally, permanent and/or temporary branch offices for early voting by personal appearance may be established and maintained in accordance with the Texas Election Code. In the event such permanent and/or temporary branch locations are established, information regarding the locations, dates, and hours of operation for early voting at these offices shall be determined by the Administrator, as identified in Exhibit B hereto.

An Early Voting Ballot Board is hereby established for the purpose of processing early voting results. The individual designated in Exhibit B as the Presiding Judge of an Early Voting Ballot Board is hereby appointed the Presiding Judge of the indicated Early Voting Ballot Board. The Presiding Judge shall appoint not less than two resident qualified voters of the District to serve as members of each such Early Voting Ballot Board.

SECTION 3: Electronic voting machines may be used in holding and conducting the Election on Election Day; provided, however, in the event the use of such electronic voting machines is not practicable, the Election may be conducted on Election Day by the use of paper ballots (except as otherwise provided in this section). Electronic voting machines or paper ballots may be used for early voting by personal appearance (except as otherwise provided in this section). Pursuant to Section 61.012, as amended, Texas Election Code, the District shall provide at least one accessible voting system in each polling place used in the Election. Such voting system shall comply with Texas and federal laws establishing the requirement for voting systems that permit voters with physical disabilities to cast a secret ballot. Any legally permissible voting method may be used for early voting and Election Day voting by personal appearance. Certain early voting may be conducted by mail.

SECTION 4: The District authorizes the Administrator to utilize a Central Counting Station (the *Stations*) as provided by Section 127.001, *et seq.*, as amended, Texas Election Code. The Administrator, or the designee thereof, is hereby appointed as the Manager of the Station who will establish a written plan for the orderly operation of the Stations in accordance with the provisions of the Texas Election Code. The Board authorizes the Administrator, or the designee thereof, to appoint the Presiding Judge, the Tabulation Supervisor, and the Programmer of the Station and may appoint Station clerks as needed or desirable. The Administrator will publish (or cause to be published) notice and conduct testing on the automatic tabulation equipment relating to the Station and conduct instruction for the officials and clerks for the Station in accordance with the provisions of the Texas Election Code.

SECTION 5: The official ballot shall be prepared in accordance with the provisions of the Texas Election Code, as amended, so as to permit voters to vote “FOR” or “AGAINST” the aforesaid measure which shall appear on the ballot substantially as follows:

PROPOSITION A  
THIS IS A PROPERTY TAX INCREASE

“The issuance of \$39,000,000 of bonds by the Brenham Independent School District for school facilities and the levying of a tax in payment of the principal and interest on the bonds and the cost of any credit agreements.”

SECTION 6: All resident, qualified voters of the District shall be permitted to vote at the Election, and on Election Day, such voters shall vote at the designated polling place. The Election shall be held and conducted in accordance with the provisions of the Texas Election Code, as amended, except as modified by the provisions of the Texas Education Code, as amended, and as may be required by law. To the extent required by law, all election materials and proceedings relating to the Election shall be printed in both English and Spanish.

SECTION 7: Notice of election, including a Spanish translation thereof, shall be published at least one time in a newspaper of general circulation in the District, with such publication occurring not more than 30 days and not less than 10 days before Election Day. Moreover, a substantial copy of this

Order and the voter information attached as Exhibit C, including a Spanish translation thereof, shall be posted (i) on the bulletin board used for posting notices of Board meetings not less than 21 days prior to Election Day, (ii) in three additional public places within the District's boundaries not later than 21 days prior to Election Day, (iii) in a prominent location at each polling place on Election Day and during early voting, and (iv) in a prominent location on the District's internet website not less than 21 days prior to Election Day. A sample ballot shall be posted on the District's internet website not less than 21 days prior to Election Day.

SECTION 8: As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Texas Election Code, the District, as of the date of this order, had outstanding an aggregate principal amount of debt equal to \$23,848,370; the aggregate amount of the interest owed on such District debt obligations, through respective maturity, totaled \$9,668,879; and the District levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.08 per \$100 of taxable assessed valuation. Based on the bond market conditions on the date of the Board's adoption of this Order, the maximum interest rate for any series of bonds authorized at the Election is 5.00% (expressed as a net effective interest rate applicable to any such series of bonds). The bonds that are the subject of this Election shall mature serially or otherwise over a specified number of years (but not more than 40 years from their date), as prescribed by applicable Texas law, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The foregoing estimated maximum net effective interest rate and amortization period are only estimates, provided for Texas statutory compliance; they do not serve as a cap on the per annum interest rate at which any series of bonds authorized at the Election may be sold, or the amortization period for bonds that are the subject of this Election.

SECTION 9: The Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties, to negotiate and enter into one or more joint election agreements, election services contracts, and/or similar contracts or agreements with the County, acting by and through the Administrator, and any Participants if desired or if required to comply with applicable law, as permitted and in accordance with the provisions of the Texas Election Code, as amended. In addition, the Board authorizes the President, Board of Trustees, the Superintendent of Schools, or the respective designee of either of such parties to make such technical modifications to this Order that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein. By incorporating all essential terms necessary for a joint election agreement, this Order is intended to satisfy Section 271.002(d) of the Texas Election Code, as amended, without further action of the Board of Trustees.

SECTION 10: The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Order for all purposes and are adopted as a part of the judgment and findings of the Board.

SECTION 11: All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed to the extent of such conflict, and the provisions of this Order shall be and remain controlling as to the matters ordered herein.

SECTION 12: This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 13: It is officially found, determined, and declared that the meeting at which this Order is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Order, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 14: If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Order would have been enacted without such invalid provision.

SECTION 15: This Order shall be in force and effect from and after its final passage, and it is so ordered.

Brenham Independent School District Proposition A:

<input type="checkbox"/> FOR	<b><u>PROPOSITION A</u></b> <b>THIS IS A PROPERTY TAX INCREASE</b>
<input type="checkbox"/> AGAINST	“The issuance of \$39,000,000 of bonds by the Brenham Independent School District for school facilities and the levying of a tax in payment of the principal and interest on the bonds and the cost of any credit agreements.”

principal of debt obligations to be authorized	\$39,000,000
estimated interest for the debt obligations to be authorized presuming an interest rate of 5.00%	\$41,781,000
estimated combined principal and interest required to pay on time and in full the debt obligations to be authorized amortized over 30 years	\$80,871,000
as of the date the election was ordered, principal of all outstanding debt obligations	\$23,848,370
as of the date the election was ordered, the estimated interest on all outstanding debt obligations	\$9,668,879
estimated combined principal and interest required to pay on time and in full all outstanding debt obligations amortized over 30 years	\$33,517,249
estimated maximum annual increase in the amount of taxes on a residence homestead with a taxable value of \$100,000 (net of the \$140,000 homestead exemption) to repay the debt obligations to be authorized, if approved  This figure assumes application of the mandatory \$140,000 homestead exemption; makes conservative assumption about the amortization period of the debt obligations and the estimated interest rate; and presumes growth in taxable value of 5.00% in each of the years 2026 through 2029, and 0.00% thereafter.	\$0.00
