

## **10.0 HEALTH AND SAFETY**

---

### **10.1 SAFETY POLICY**

It is the policy of the county to make every effort to provide healthful and safe working conditions for all of its employees.

Austin County implemented an Accident Prevention Plan, in agreement with the Texas Association of Counties. With the support of elected and appointed county officials and employees, working in a cooperative effort to develop and implement this accident prevention plan should minimize unnecessary accidents and control workers' compensation costs.
