

1.9 SEXUAL HARASSMENT

Sexual harassment is strictly prohibited by Austin County, whether committed by an elected official, an appointed official, a department head, a co-worker or a non-employee the county does business with. It is the policy of Austin County to provide a workplace free from sexual harassment for all employees and to take active steps to eliminate any sexual harassment of which the County becomes aware.

Employees engaging in sexual harassment shall be subject to discipline, up to and including termination of employment. Sexual harassment shall include, but not be limited to, unwanted sexual advances, requests for sexual favors, and other verbal, non-verbal or physical conduct of a sexual nature, which includes slurs, jokes, statements, gestures, touching, pictures, emails or cartoons where: (1) the submission to such conduct is either an expressed or implied condition of employment; or (2) the submission to or rejection of such conduct is used as a basis for an employment decision affecting the harassed person; or (3) the conduct has the purpose or effect of substantially interfering with an affected person's work performance or creating an intimidating, hostile, or offensive work environment.

All claims of sexual harassment shall be taken seriously and investigated promptly and thoroughly. While all claims of sexual harassment shall be handled with discretion, there can be no complete assurance of full confidentiality.

Employees who feel they have been sexually harassed should immediately report the situation to the elected official, appointed official or department head who is responsible for the department in which they work. If, for any reason, the employee feels that REPORTING the harassment to the official or department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

Every reported complaint will be investigated promptly and thoroughly. The official or department head to which a claim has been reported shall be responsible for seeing that prompt action is taken to investigate the claim.

Once the investigation is complete, the employee making the claim shall be notified of the result of the investigation and any actions which are to be taken.

Use the following procedures so that your complaint may be resolved quickly and fairly.

- a) When practical, confront the harasser and ask them to stop the unwanted behavior.
- b) Record the time, place and specifics of each incident, including any witnesses.
- c) Report continuing sexual harassment to the Elected Official, Appointed Official, or Department Head who is responsible for your department or to the County Judge or the County Attorney.
- d) If a thorough investigation reveals that unlawful sexual harassment has occurred, Austin County will take effective remedial action in accordance with the circumstances, up to and including termination.

Retaliation against an employee who reports sexual harassment or who cooperates as a witness in the investigation is prohibited by law as well as this policy.

Employees who feel they have been subjected to illegal retaliation should immediately report the situation to the elected official, appointed official or department head who is responsible for the department in which they work. If, for any reason, the employee feels that REPORTING the

retaliation to the official or department head may not be the best course of action, the report should be made to the County Judge or to the County Attorney.

REPORTING or failing to report claims in accordance with the procedure given in this policy shall not limit other legal recourse an employee may have in regard to sexual harassment charges.
