Currently, 97 counties and 103 County and District Clerks across the State of Texas participate in iDocket.com's online database including Val Verde, Schleicher, and Bandera just to name just a few. iDocket.com is adding other counties to its database on a regular basis.

County and District Clerk Isela Ramon states she is excited to offer this new service to the attorneys who practice in the County and District Courts of Kinney County and any other individuals and entities that require and can use easy access to this information. This also includes bail bondsmen and of course the general public. Isela states, "Court information will be easily available and accessed 24 hours a day, 7 days a week. By making this service available, customer service will increase and personal traffic and telephone requests are being reduced saving taxpayer dollars while still protecting personal information."
