

- (i) the aggregate amount of outstanding principal of the District’s voted debt obligations is \$5,430,000.00;
- (ii) the aggregate amount of outstanding interest on the District’s voted debt obligations is \$786,987.50; and
- (iii) the District’s ad valorem debt service tax rate is \$0.9622 per \$100 of taxable assessed valuation.

(c) If the issuance of bonds is authorized by voters, taxes sufficient to pay the annual principal of and interest on the bonds and the costs of any credit agreements may be imposed.

(d) If the bonds are issued, the total tax rate for voted debt obligations is estimated to be \$0.4223 per \$100 of taxable assessed valuation (the current debt service rate of \$.2953 plus an expected additional tax rate of \$0.1270 attributable to the bonds). The total overall tax rate of the District is expected to be \$1.0892 per \$100 of taxable assessed valuation, which is comprised of the sum of (i) the expected debt service tax rate of \$0.4223, and (ii) the most recently adopted tax rate for maintenance and operations of \$0.6669. This estimated total tax rate is derived from projections obtained from the District’s financial advisor and the appraisal district, and is provided without any assurance that such projections will be realized. At the time the bonds are issued, the actual total tax rate will depend upon, among other factors, prevailing interest rates, the assessed value of real property in the District, the availability of the Permanent School Fund Guarantee Program, and general market conditions.

The statements contained in these findings: (i) are based on information available to the District on the date of adoption of this Order, including projections obtained from the District’s financial advisor; (ii) necessarily consist of estimates and projections that are subject to change based on facts, circumstances, and conditions existing at the time the bonds approved pursuant to this Order are issued; and (iii) are not intended to limit the authority of the Board to issue bonds in accordance with other terms contained in this Order. Accordingly, actual tax rates, interest rates, maturity dates, aggregate outstanding indebtedness, and interest on such debt will vary and will be established after the bonds are issued. To the extent of any conflict between this subsection and other provisions of this Order, such other provisions control.

Section 2. **Election Ordered; Date; Proposition.** The Election shall be held for and within the District on Saturday, May 3, 2025 (the “*Election Day*”), in accordance with the Texas Election Code, as amended.
