Annette Barker

BEFORE ME, the undersigned authority on this day personally appeared known to me, who upon oath administered by me deposed and stated:

1. I am a representative of the law firm BARRETT DAFFIN FRAPPIER TURNER & ENGEL, LLP in connection with the administration of foreclosure of that certain Deed of Trust or Security Instrument ("Deed of Trust") dated June 30, 2015, recorded in CLERK'S FILE NO. 2015-00004767, Real Property Records, HOWARD County, TEXAS, executed by JAMES HILL AND MORGAN HILL ("Grantor").
2. I am making this affidavit based upon certain records maintained within the firm's files in the regular course of its business, which may include images of notices, certified mail forms, the signed Substitute Trustee's Deed, title searches, and other documents and records obtained and maintained in the usual course of business. Together with my general knowledge of mortgage servicer practices for referring foreclosure matters to the firm, the statements and information shown in these records form the basis for the following statements made in this affidavit, which to the best of my knowledge and belief are true.
3. CALIBER HOME LOANS, INC. is the Mortgage Servicer for the Lender or its Nominee concerning the debt evidenced by the Deed of Trust.
4. The Mortgagee, through the Mortgage Servicer declared that the Grantor defaulted in performing the obligations of the Deed of Trust and lawfully performed service of a proper notice of default and other obligations and duties of the Mortgage Servicer.
5. All notices of acceleration were served on each debtor obligated on the debt according to records obtained from the Mortgage Servicer by certified mail at the last known address of each such debtor in accordance with law. Based upon these records, each mortgagor was alive at the time of the foreclosure sale or if deceased, title was restored to the debt owner through a court judgment, or an underwriter's approval letter obtained, or the statute of limitations to file a probate action has passed and no probate action was filed.
6. At the instructions and on behalf of the Mortgage Servicer, Notices stating the time, place and terms of sale of the property were mailed, posted and filed in accordance with law. Notices were served on each debtor obligated on the debt according to records obtained from the Mortgage Servicer by certified mail at the last known address of each such debtor at least twenty one (21) days before the date of the sale.
7. Through my work at the firm, I know that the firm follows a regular process in foreclosure matters to ascertain a Grantor's military service status for purposes of the Federal Service Member's Civil Relief Act and state law. I am familiar with this regular process, which involves submitting Grantors' names and identifying information obtained from the Mortgage Servicer or commercially available records searches to the Federal Defense Manpower Data Center ("DMDC") through that agency's official internet search site (the "DMDC" Site). Based upon my review of search returns obtained and maintained in the firm's files and loan records provided by the Mortgage Servicer, no Grantor is reported as on active duty military service or is reported as having concluded active duty military service within the preceding year or qualifies for foreclosure protection under the Federal Service Member's Civil Relief Act and state law.
