Tax Statement Delayed Notices

Coahoma ISD has called for a Voter-Approval Tax Rate Election (VATRE) on November 4, 2025. As required by state law, the official tax rate for the year cannot be finalized until after the election results are certified.

This means that any 2025 property tax statement that includes Coahoma ISD will be mailed *after* the election. The Howard County Tax Office is committed to a transparent process and wants to ensure you have the most accurate information on your tax statement.

Thank you for your understanding and be sure to cast your vote.

Do not hesitate to contact the Property Department at 432-264-2232 if you have any questions, or email tiffany.sayles@howardcountytexas.com.

Thank You,

Howard County Tax
