**Instructions:**

- Budget estimates for 2020 are calculated as of June 30, 2020, based on the most current available valuation reported by the Tax Assessor-Collector. Budgeted tax rates and collections are based on this rendered valuation, but when the Commissioners' Court finished the equalization hearings, the equalized or assessed valuation will become available. The rates and collections can then be revised on the basis of the equalized valuation if desired.
- The rendered valuation for 2020 is \$1,461,688,321 for GCO and \$1,459,870,961 for FMLR.  
The equalized valuation for 2020 is \$1,461,688,321 for GCO and \$1,459,870,961 for FMLR.  
The tax rates and collections have (have not) been revised on the basis of the equalized valuation.
- The current tax collections budgeted for the general fund and debt service fund are figured at 100 and 100.0 percent respectively of the taxes levied for each fund. (The levy equals the rate times the valuation used.) This calculation is based on 0.0 percent delinquency and the deduction of 0.0 percent of the collections as an allowance for discounts as commissioned by the Tax Assessor-Collector and reviewed for adequacy by the Auditor.
