Under the laws of the State of Texas (CCP Art. 45.0511), you may be able to request to take driving safety course or motorcycle operator-training course to dismiss one moving traffic violation charge. However, you must provide written notice to the court of your intent **on or before the appearance date** shown on your citation.

Qualifications for the Driver's Safety Course or Motorcycle Operator Training Course:

1. You must have a valid, non-commercial Texas Driver's License.
2. You are not in the process of taking a driving safety course for dismissal of another citation.
3. You have not completed a course for another citation within the past 12 months.
4. You have current liability insurance or have complied with the financial responsibility requirements of Chap. 601 of the Texas Transportation Code.
5. The offense for which you are charged is **not** for speeding **95 MPH** or **25 MPH** over the posted speed limit.
6. You were not cited in a Construction Zone with Workers present.

To request ticket dismissal by taking the Driver's Safety Course: Send this completed reply form, a copy of your insurance card, and driver's license and driving record. **WAIT FOR APPROVAL FROM COURT**. If approved, you will receive a letter from the court advising of the next steps to take. The court confirmation letter will advise you of your timeline and where to send the appropriate paperwork and cashier's check or money order. If all requirements are not completed timely, the balance of the fine will be due and the case will be reported as a conviction to the Texas Department of Public Safety.
