The County Auditor's office is responsible for both the accuracy of the presented data and the completeness and fairness of the presentations, including all disclosures. The data presented is accurate in all material aspects and is presented in a manner that fairly sets forth the financial position and results of operation of the County. Brown County has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Brown County financial statements in conformity with GAAP. Internal accounting controls are designed to provide reasonable, but not absolute, assurance of the safeguarding of assets against loss from unauthorized use or disposition and reliable financial

records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived.

This Comprehensive Annual Financial Report consists of three parts:

- 1) The Introductory Section includes a list of Principal Officials, Organizational Chart, and transmittal information that highlights significant aspects of financial operations during the year.
- 2) The Financial Section includes Management's Discussion and Analysis ("MD&A") basic financial statements, related notes and supplemental financial data.
- 3) The Statistical Section includes several schedules including individual fund balance sheets and budget analysis.

The notes to the financial statements are an integral part of this financial statement.

We are pleased to present the following schedules and financial statements for your information. If you have questions or concerns, please feel free to contact our office at any time.

Sincerely,

Profile of the Government

Brown County operates under a county judge/commissioners court type of government as provided for by state statute. The County receives funding from local, state and federal government sources and must comply with the requirements of these funding source entities. However, the County is not included in any other governmental "reporting entity" as defined in Section 2100, Government Accounting and Financial Reporting Standards.

Profile of the County

Brown County, located in Central Texas, is 156 miles northwest of Austin and 167 miles southwest of Dallas. Brown County covers 944 square miles. Brownwood, the County Seat, is considered a micropolitan area. Brown County is home to Lake Brownwood. Local waterways are the Pecan Bayou and its tributaries and the Colorado River, which forms the southern boundary of the county. The average low temperature in January is 33° F; the average high in July is 96°. The growing season lasts 242 days. Rainfall averages 27.42 inches annually.

The county is served by an adequate transportation system, with U.S. highways 67 and 84 crossing from east to west, and 377 and 183 from northeast to southwest. The Atchison, Topeka and Santa Fe Railroad crosses the state from the northeast to the west through Brownwood. Communities in Brown County include Early, Bangs, Blanket, Brookesmith, Cross Cut, Grosvenor, Indian Creek, May, and Zephyr.

Brown County provides a full range of services to its citizens. These services include police protection, health and social services, public improvements, streets and traffic control, libraries, and recreation facilities, as well as general administrative services.

Facts Concerning 2011 Governmental Fund Finances

The overall fund balance increased from 2015 to 2016 by \$ 898,296.09 or approximately 21%. This increase is attributed in part to new property added to the tax rolls, excess delinquent tax payments, and higher than expected receipted revenue. Brown County Elected officials and department heads are credited with controlling expenses and conserving tax payer dollars to lower the overall expenditure rate.

Factors Affecting Financial Condition

When considering Long-term financial planning, there are several pressing issues that will have a financial impact on the County of Brown and its citizens:

- 1) National Financial Recession
- 2) Indigent Defense
- 3) Indigent Health Care
- 4) Law Enforcement
- 5) Governmental Security
- 6) Capital Projects for Courthouse Expansion

Brown County aggressively pursues cost efficient methods to continue to provide the governmental resources necessary to ensure the public safety, health and welfare while maintaining current budget levels.

INFORMATION

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Brown County is a general law county operating under Vernon's Civil Statutes in the State of Texas. The County operates under a County Judge-Commissioners Court form of government and provides the following services: County and District records recording and retention, Veterans Administration, Vehicle Registration, County and District Judicial Systems, Sheriff Department, Jail, Fire Protection, Ambulance Service, Justices of the Peace, Indigent Health Care, 911 Emergency supervision, Agriculture Extension Service, County Road Maintenance, and various allotments to other entities for various services available to the public.

The financial statements of the county have been prepared in conformity with general accepted accounting principles (GAAP) as applied to governmental units except when the application of GAAP would make the financial statements difficult to read or less meaningful.

The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

- **REPORTING ENTITY**

In evaluating how to define the County, for financial reporting purposes, the County Auditor has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying the criteria set forth in GAAP. The basic, but not the only, criterion for including a potential component unit in the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations and accountability for fiscal matters. The other criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the County is able to exercise oversight responsibilities.

1. Included in the reporting entity are all funds of Brown County. Escrow Type bank accounts of revenue producing Departments are included in the appropriate funds of the County as accounts receivable.
2. Excluded from the reporting entity are Adult and Juvenile Probation Funds. The funding of these services is from the State of Texas and Probation fees. These funds must be used exclusively for probation programs. Brown County has no control over the expenditure of these funds. Trust and similar funds established at judicial decree for the benefit of others were excluded because the County receives no benefit from these funds and they are not the property of the County. District Attorney State of Texas funds are excluded.

- **FUND ACCOUNTING**

The accounts of the County are organized on the basis of funds or account groups, each considered to be a separate accounting entity. The Operations of each fund or account group are summarized by providing a separate set of self-balancing accounts which include its assets, liabilities, fund equity, revenues and expenses or expenditures. The following funds and groups of accounts are used by the County:

- **BASIS OF ACCOUNTING**

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used by all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The County considers property taxes as available if they are collected within the fiscal year. All other revenues collected within the fiscal year by revenue producing departments are considered available, even though the amounts may not be forwarded to the County Treasurer before the end of the fiscal year.

Expenditures are recorded when the related fund liability is incurred. Principal and interest on general long term debt are recorded as fund liabilities.

Those revenues susceptible to accrual are service fees, fines, and other revenue collected by departments during the fiscal year but not reported to or paid to the County Treasurer until the following year.

The county reports deferred revenue on its combined balance sheet. Deferred revenues arise when potential revenue does not meet both the measurable and available criteria for recognition in the current year.

- **BUDGETS AND BUDGETARY ACCOUNTING**

The Commissioners Court adopts an annual budget for all Governmental Fund Types. The annual budget is prepared in accordance with the basis of accounting utilized by all funds.

During the year, the Commissioners Court may adopt amendments to the original adopted budget as needed. All annual budget appropriations lapse at fiscal year end.

- **ENCUMBRANCES**

The County does not encumber expenditures.

- **CASH AND INVESTMENTS**

The county maintains cash applicable to each fund within the respective fund. Investments consist solely in Certificates of Deposit in Texas Bank of Brownwood, Brown County's depository bank. The investments are maintained in an investment pool that is available for use by all funds. Each fund type's portion of this pool is reflected in the balance sheet of each fund. Except for Certificates of Obligation and tax note related transactions, the County conducts all its banking transactions with the depository bank.

1. At September 30, 2016, the carrying amount of the County's Certificates of Deposit was \$ 6,726,676.65.
2. At September 30, 2016, the carrying amount of checking accounts was \$ 1,716,770.33. Total Cash balances are secured by FDIC coverage and additional securities pledged by the depository bank.

The County records all interest revenues earned from investment activities in the respective funds. Investments are stated at cost and all investment activities are conducted through the depository bank.

- **INVENTORIES**

The County records no inventories.

- **COMPENSATED ABSENCES**

The County allows employees to accumulate vacation time not to exceed 20 days to the succeeding year. Vacation time in excess of 20 days is forfeited by the employee. Unused vacation time is compensated only if an employee voluntarily terminates employment with earned vacation time.

The County allows employees to accumulate sick time not to exceed 20 days. Unused sick time will not be paid to the employee at any time.

No compensated absences are accrued on the books of the County because of the uncertainty that such liability would exist in the future.

- **PROPERTY TAX**

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on October 1 and are payable on or before January 31 of the following year. All unpaid taxes become delinquent February 1 of the following year. The County contracts with the Brown County Appraisal District to collect its property taxes. County property tax revenues are recognized when collected. Uncollected property taxes are recognized as deferred ad valorem tax revenue.

- **PROPERTY, PLANT, AND EQUIPMENT**

Fixed assets used in governmental fund type operations are accounted for in General Fixed Assets Group of Accounts, rather than in governmental funds.

- **INTERFUND RECEIVABLES/PAYABLES**

The County does not allocate revenues and expenditures between funds. All revenues and expenditures are recorded in the appropriate fund. The interfund receivables are the result of minor adjustments to record revenue or expenditures within the appropriate fund and to provide cash to funds when a temporary shortage occurs.

- **NOTES PAYABLE, CERTIFICATES OF OBLIGATION AND TAX NOTES**

Brown County funds certain capital purchases through conventional notes payable, certificates of obligation, and tax notes. All outstanding obligations are backed by the full faith and credit of the County.

- Note Payables are utilized to fund smaller projects within Brown County. Each fund reflects the amount required to retire the net principal and interest due for that fiscal year, with the total amount of the debt reflected on the balance sheet. Principal and interest payments are secured by revenue acquired through sources other than ad valorem taxes.
- Certificates of Obligation are utilized to fund major projects within Brown County. C.O.s are utilized to fund capital expenditures necessitating long term (over 7 years) debt structuring. Payment is guaranteed by the collection of ad valorem taxes. On November 1, 1999, the County issued Certificates of Obligation, Series 1999 in the amount of \$9,500,000. The certificates were used to fund the building of the Brown County Law Enforcement Center. November 1, 2007, the County refinanced the C.O. Series 1999 and created C.O. Series 2007 in the amount of \$7,020,000. On December 15, 2015 certificates were issued for \$5,055,000 and \$1,520,000, which were respectively used for energy upgrades to existing county infrastructures and the building of a new Elections/Treasurer building.
- Tax Notes are utilized to fund major projects within Brown County. Tax Notes are generally used to fund debt requiring short term (under 7 years) structuring.
- The County is current on all payments of principal and interest.

- **CAPITALIZED INTEREST**

No interest expense for any capital project construction has been capitalized.

- **LONG TERM DEBT SCHEDULES**

- THE COUNTY HAD NO AUTHORIZED NEW UNISSUED DEBT AT 09/30/2016

• **OTHER INFORMATION**

Risk Management: The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; injuries to employees; employee health benefits; and other claims of various nature. The County participates in the Texas Association of Counties intergovernmental Risk Pool which provides protection for risks of loss. Premiums are paid to the Pool which retains the risk of loss beyond the County's policy deductibles. Any losses reported but unsettled or incurred and not reported, are believed to be insignificant to the County's basic financial statements. For the last several years, there have been no significant reductions of insurance coverage or insurance settlements in excess of insurance coverage.

Contingent Liabilities and commitments: Amounts received or receivable from grantor agencies are subject to audit and adjustment by such agencies. Any disallowed claims, including amounts already collected may constitute a liability of the applicable

funds. The amounts, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the County expects such amounts, if any, to be immaterial.

The County periodically is defendant in various lawsuits. As of September 30, 2016, after consultation with the County's Attorney, the county is not aware of any pending or threatened litigation which would have a material effect on the financial statements.

The District Clerk has invested trust funds at various financial institutions in accordance with court orders. The County has a fiduciary responsibility over these funds until their final disposition.

Employee Retirement Systems and Pension Plans

1. Plan Description

The County provides retirement, disability and death benefits for all of its full-time employees through a nontraditional defined benefit plan in the state-wide Texas County and District Retirement System (TCDRS). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent multi-employer public employee retirement system consisting of 575 nontraditional defined benefit pension plans. TCDRS issues a comprehensive annual financial report (CAFR) on a calendar year basis. The CAFR is available upon written request from the TCDRS Board of Trustees at P. O. Box 2034, Austin, Texas 78768.

2. Funding Policy

The County has elected the annually determined contribution rate (variable rate) plan provisions of the TCDRS ACT. The plan is funded by monthly contributions from both employee members and the employer based on the covered payroll of employee members. Under the TCDRS Act, the contribution rate of the employer is actuarially determined annually as follows:

Plan Year 2015 7.28%

Plan Year 2016 7.16%

The contribution rate payable by the employee members is the rate 5% as adopted annually by the commissioner's court with the options available in the TCDRS Act.

Concentrations of Credit Risk

Taxes receivables are due from citizens and businesses within the County's boundaries. Risk of loss is immaterial due to wide dispersion of receivables and because of policies which address procedures for filing property tax liens.

Fines receivable are due from citizens primarily within the County's boundaries. Risk of loss is immaterial due to wide dispersion of receivables and the estimated allowance for uncollectible.
