GENERAL CONDITIONS/INSTRUCTIONS

1. Bids are solicited for furnishing the materials set forth in this invitation to bid. Completed bid proposals must be received in the **Washington County Clerk's Office, 100 East Main St., Room 102, Brenham, TX 77833** by the deadline stated above. *All bids must be in a sealed envelope clearly marked with the bid number and opening date on the outside of the envelope.*
2. Bids received in the Washington County Clerk's Office after the submission deadline shall be returned unopened and will be considered void and unacceptable. Washington County is not responsible for delayed mail, carrier, etc. and the time/date stamp clock used upon receipt of any bid in the purchasing office shall be the official time of receipt. **No fax bids will be accepted.**

3. Bids may be withdrawn at any time prior to the official opening. Alterations made before opening time must be initiated by bidder guaranteeing authenticity. After the official opening, bids may not be amended, altered or withdrawn without the recommendation of the Washington County engineer and the approval of the Commissioners Court.
4. The County is exempt from federal excise and state sales tax; therefore, tax must not be included in this bid.
5. The bidder agrees if this bid is accepted, to furnish any and all materials upon which prices are offered, at the price(s) and upon the terms and conditions contained in the specifications. The period for acceptance of this bid proposal will be sixty (60) calendar days unless a different period is noted by bidder at the time the bid is submitted by bidder.
6. The County reserves the right to accept or reject in part or in whole any bids submitted, and to waive any technicalities related to the bidding process for the benefit of the County, granted that such waiver is allowed under federal and state laws.
7. Invoices shall be sent directly to the Washington County Road & Bridge Department, County Engineer, Brenham, TX, 77833. Payments will be processed after confirmation that all materials have been received satisfactorily and no unauthorized materials have been received.
8. Washington County terms of invoice are net thirty (30) days from statement date.
9. **Price Escalation: Due to the volatility of the market, Washington County will review the costs of materials on a monthly basis. The Contractor will be required to submit an affidavit on a monthly basis substantiating that any increase in bid costs represents an increase in the cost for services or materials and in no way represents an increase of profits, labor or other overhead. The Contractor must justify his request for an increase by submitting evidence from the suppliers detailing the price changes, the effective date for change and any other information requested by the County to verify the price change. Any product delivered to or picked up by the County at the proposed new price without a properly executed statement is made at the Contractor's risk. Consequently, in the event that such statement or affidavit is not received and approved by the County, the Contractor hereby releases the County from any and all liability whatsoever to pay for delivered materials at the new price prior to the Contractor's notification to the County. All increases will be subject to approval by Commissioners Court.**

Conversely, if costs in services or materials decrease, the same amount of decrease in costs shall be passed on to the County. The County may request information to verify pricing throughout the term of the contract.
10. Bidder shall furnish the required materials at the price quoted and will not raise the price for the first sixty (60) days of the contract regardless of any price increases.
11. The County may extend the contract associated with an accepted bid provided that all terms and conditions of the contract remain unchanged and in full force and effect. Exceptions to this section shall be made for extensions of the contract period and adjustment of any price cited in the contract. The County's option to renew shall be in writing and shall be signed by both parties prior to the expiration of this contract. The normal extension period shall be in sixty (60) day increments. The total period of this

contract, including all extensions as a result of exercising this option may not exceed a maximum combined period of original contract period plus one hundred and eighty (180) days.

12. Bidder's failure to comply with the terms and conditions of a contract associated with an accepted bid, shall be a basis for the determination of the contract by the County. The County shall not pay for supplies, which are unsatisfactory. The County may give Contractor a reasonable opportunity before termination to correct the deficiencies. This, however, shall in no way be construed as negating the validity of the County's termination for non-performance.
13. Quantities indicated in the bid are estimated based upon information at the time bids are requested. The County reserves the right to increase or decrease the quantities by any amount it deems necessary to meet its needs without any adjustment in the contract price.
14. The extension of the contract associated with an accepted bid is contingent on the appropriation of necessary funds by Commissioners Court for the fiscal year in question. Upon the failure of Commissioners Court to so appropriate in any fiscal year, Contractor may elect to terminate this agreement, with no additional liability to the County. County and Contractor agree that termination shall be Contractor's sole remedy under this circumstance.
15. The bid award shall be based on, but not necessarily limited to the following factors:
 - a. Total price
 - b. Special needs and requirements of Washington County
 - c. Washington County's evaluation of Contractor's ability
 - d. Contractor's past performance record with any Texas county
16. If this bid is accepted and approved by the Commissioners Court then this bid shall be incorporated into a contract. No oral agreements either expressed or implied shall be valid. No different or additional terms will become part of this contract unless agreed upon by both parties.
17. The Contractor shall make himself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances and regulations that, in any manner, affect the conduct of the work.
18. All insurance requirements, including workers' compensation and liability, as outlined under state law, shall be met prior to any services rendered and shall remain in effect during the time of the contract associated with an accepted bid. Payments shall not become due and payable until such certificates have been filed.
19. The parties herein agree that the contract associated with an accepted bid shall be enforceable in Washington County, Texas, and if legal action is necessary to enforce it, exclusive venue shall lie in Washington County, Texas.
20. The contract associated with an accepted bid shall be governed by and construed in accordance with the laws of the State of Texas and all applicable federal laws.
21. The contract shall be governed by and construed in accordance with the laws of the State of Texas and all applicable federal laws.

22. **THE CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS THE COUNTY AND ITS DULY APPOINTED OFFICERS, AGENTS AND EMPLOYEES FOR ALL SUITS, ACTIONS, LOSSES, DAMAGES, CLAIMS, OR LIABILITY OF ANY CHARACTER, TYPE, OR DESCRIPTION, INCLUDING WITHOUT LIMITING THE GENERALITY OF THE FOREGOING ALL EXPENSES OF LITIGATION, COURT COSTS, AND ATTORNEYS' FEES FOR INJURY OR DEATH TO ANY PERSON, OR INJURY TO ANY PROPERTY, RECEIVED OR SUSTAINED BY ANY PERSON OR PERSONS OR PROPERTY, ARISING OUT OF, OR OCCASIONED BY, THE ACTS OF CONTRACTOR'S OFFICERS, AGENTS OR EMPLOYEES.**
23. If a court of competent jurisdiction determines that any term of the contract associated with an accepted bid is invalid or unenforceable to any extent under applicable law, the remainder of the contract associated with an accepted bid (and the application of this agreement to other) shall not be affected thereby, and each remaining term shall be valid and enforceable to the fullest extent permitted by law.
24. If the Contractor defaults in the performance of the terms and conditions contained herein, or materially breaches any of its provisions, the County shall have the right to terminate the contract associated with an accepted bid by giving written notice of termination within thirty (30) days of the occurrence of the default or material breach.
25. By accepting this invitation to bid and bidding on the item(s) set forth above you are accepting any and all of the general conditions set forth above and any additional specifications and conditions contained within the contract attached.
