**PRESCRIBED BURN PERMIT APPLICATION**

- Prescribed burn permits are required only when a Burn Ban is in effect.
- The proposed burning may not begin until AFTER authorization has been issued.
- A physical address number for the subject property is required before a permit will be issued.
- This application expires one year from the date of application if authorization has not been issued.

To avoid delay, the burn plan, a map, directions, and any other relevant information should be attached to this application.

**WARNING:**

Procedures used by Washington County in permitting prescribed burns are considered reasonable for regulatory purposes. On occasion fire damage may occur and fire damage may be increased by man-made or natural causes. It shall be the responsibility of the permittee to strictly comply with the terms of the burn plan, permit, and all applicable laws. Conducting burning in compliance with an approved burn plan does not exempt the responsible party from the consequences, damages, or injuries resulting from the burn. Washington County, its officers, agents, and employees assume no liability or responsibility for any activity by the permittee.
