See Single Family Housing Repair Loans & Grants in Texas

Texas Association of Resource Conservation and Development Areas

(Texas RC&D)

<https://texasrcd.org/>

See Supplemental Environmental Projects. Contact our local RC&D (Post Oak RC&D) for details (800) 994-4000 ext. 2050

My Government Resources

<https://www.mygovernmentresources.com/home-and-housing-grants.html>

See Home Improvement Grants

U.S. Department of Housing and Urban Development (HUD)

www.hud.gov/improvements/index.cfm

See Home Improvements

The Texas Department of Rural Affairs (512)936-6701

They have a program offering funding for septic system and other rural housing repairs to low income residents.

Local charities could also be contacted to ask if they can offer assistance.
