

AGENDA

**NOTICE OF PUBLIC MEETING
WASHINGTON COUNTY COMMISSIONERS COURT
TUESDAY, JUNE 9, 2026 9:00 A.M.
WASHINGTON COUNTY COURTHOUSE
COMMISSIONERS COURT CHAMBERS #103
100 EAST MAIN STREET
BRENHAM, TEXAS**

REGULAR SESSION AGENDA

1. Invocation, Rev. Randy Wells, Faith Mission. (Commissioner Hanath)
2. Pledge of Allegiance. (Commissioner Hanath)
3. Discuss and possibly act upon the approval of a Proclamation proclaiming June 2026 as Alzheimer's Disease Awareness Month in Washington County, Texas. (Judge Durrenberger)
4. Discussion and possible action on the approval of the Commissioners Court meeting minutes of May 2026. (Nicholas Prenzler, County Clerk)
5. Presentation and progress update on the Expo Masterplan by PlanNorth. (Katie Burch, PlanNorth)
6. Discussion and possible action on the approval of a request from the Salem Volunteer Fire Department for financial assistance in the amount of \$13,250, representing the Department's required five percent (5%) local match for a Texas A&M Forest Service Rural Volunteer Fire Department Assistance Program grant for the purchase of a brush truck with a total grant value of \$265,000. (Commissioner Bullock)
7. Discussion and possible action on the approval of pending Washington County Expo Rental Regulations Contracts. (Harrison Williams, EXPO Director)
8. Discuss and possibly act upon an Oil and Gas Development Permit for Geo Southern Operating, LLC on McNelly Lane, Precinct 3. (Wesley Stolz, County Engineer)
9. Presentation of the Engineering and Development Services Department quarterly report. (Wesley Stolz, County Engineer)
10. Discussion and possible action on the approval of accounts payable. (Peggy Kramer, Treasurer)
11. Adjourn meeting.

Witness my hand this 3rd day of June 2026.

John Durrenberger, County Judge

Came to my hand at 4:21 p.m. on the 3rd day of June 2026 and executed at 4:21 p.m. on the 3rd day of June, 2026 by posting a true copy on the bulletin board located on the first floor of the Washington County Courthouse and true copies at the main entrance doors of said courthouse, these being places convenient to the public in Brenham, Washington County, Texas.

Nicholas Prenzler, County Clerk

STATE OF TEXAS §
COUNTY OF WASHINGTON §

BE IT REMEMBERED, and it is hereby certified that the Commissioners Court of Washington County, Texas held a Regular Session, at 9:00 a.m. on June 9, 2026, in Room 103 of the Washington County Courthouse, 100 E. Main Street, Brenham, Texas, with the following members present: County Judge and Presiding Officer John Durrenberger, Precinct 1 Commissioner Misti Hartstack Corn, Precinct 2 Commissioner Candice Bullock, Precinct 3 Commissioner Kirk Hanath, Precinct 4 Commissioner Dustin Majewski and County Clerk Nicholas Prenzler. Also present were District Attorney Derek Estep, Treasurer Peggy Kramer, and County Attorney Renee Mueller.

INVOCATION

1. Calvin Kossie, Mt. Zion MBC, gave the Invocation.

PLEDGES

2. Commissioner Hanath led the Pledges of Allegiance.

PROCLAMATION

3. Donna Williams, President of the Brenham Pilot Club, thanked the Court for their assistance in spreading awareness of this disease. Williams encouraged to check in on friends and family to ensure a high quality of life. Commissioner Corn moved, seconded by Commissioner Hanath and unanimously carried to approve a Proclamation proclaiming June 2026 as Alzheimer's Disease Awareness Month in Washington County, Texas.

APPROVAL OF MINUTES

4. Commissioner Hanath moved, seconded by Commissioner Majewski and unanimously carried to approve the Commissioners Court meeting minutes of May 2026.

PRESENTATION

5. Katie Burch of PlanNorth presented an update on the EXPO Masterplan, explaining that the project encompasses improvements to the EXPO facilities, jail, and future Judicial Center. Burch outlined the planning process, which included stakeholder engagement, facility evaluations, feasibility analysis, review of existing conditions, alignment with the County's strategic plan, and long-range planning, noting that each phase continues to be reevaluated as the project progresses. She explained that projects have

been categorized into immediate needs, community opportunities, and future planning initiatives. Beginning with the east side of Old Independence Road, Burch presented recommendations for the future Judicial Center and jail improvements, stating that her office consulted with all departments involved in court operations. She identified current courthouse deficiencies including safety, accessibility, capacity, accommodations, inmate holding, and overall functionality, and explained that renovation is not considered feasible due to expansion limitations, historic designation, and challenges in maintaining secure separation. The proposed Judicial Center recommendations include connectivity to the jail, code compliance and accessibility improvements, secure separation, modernization of court operations, and planning for future growth. Departments included in the proposed facility are the County Clerk, District Clerk, County Attorney, District Attorney, District Judges, County Court at Law Judge, Adult and Juvenile Probation, and a flexible courtroom space. Burch presented proposed floor plans for the Judicial Center before moving to the west side of Old Independence Road and discussing future EXPO improvements, emphasizing that the proposed changes represent identified needs rather than a wish list. She explained the goals of the EXPO improvements are to reduce weather-related risks, allow multiple events to occur simultaneously, support tourism, and expand agricultural and educational opportunities. Long-term improvements include drainage enhancements, utility upgrades, improved traffic flow and parking, and increased site readiness for future expansion. The proposed EXPO site plan includes a covered arena, warm-up arena, and additional stalls. Burch stated the approximately 75,000-square-foot covered arena would accommodate various rodeos and events while increasing audience capacity to approximately 3,000 attendees.

SALEM VFD BRUSH TRUCK PURCHASE

6. Ricky Abernathy, Assistant Chief of Salem VFD, explained this truck will be a multi-purpose truck that will function more than a brush truck to assist in providing greater safety. Commissioner Bullock moved, seconded by Commissioner Corn and unanimously carried to approve request from the Salem Volunteer Fire Department for financial assistance in the amount of \$13,250, representing the Department's required five percent (5%) local match for a Texas A&M Forest Service Rural Volunteer Fire Department Assistance Program grant for the purchase of a brush truck with a total grant value of \$265,000.

EXPO RENTAL AND REGULATIONS CONTRACTS

7. Commissioner Corn moved, seconded by Commissioner Majewski and unanimously carried to approve the Washington County Expo Rental and Regulations Contracts and authorize the County Judge to sign said Contracts.

OIL & GAS PERMIT

8. County Engineer Wesley Stolz stated road conditions have been assessed and an agreement and bond secured with GeoSouthern to ensure the integrity of McNelly Lane. Commissioner Hanath moved, seconded by Commissioner Bullock and unanimously carried to approve an Oil and Gas Development Permit for Geo Southern Operating, LLC on McNelly Lane, Precinct 3.

EDS QUARTERLY REPORT

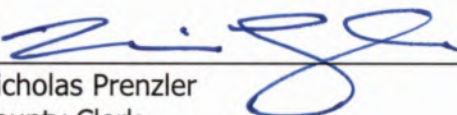

9. County Engineer Wesley Stolz presented the EDS Quarterly Report.

ACCOUNTS PAYABLE

10. Commissioner Bullock moved, seconded by Commissioner Hanath and unanimously carried to approve all accounts and bills to be paid in the amount of \$781,030.93.

ADJOURN

11. Commissioner Majewski moved, seconded by Commissioner Corn and unanimously carried to adjourn at 10:28 a.m.

PROCLAMATION

WHEREAS, Alzheimer's is a devastating disease that affects more than 6.9 million adults in the United States age 65 and older, begins 20 years or more before memory loss and other symptoms develop; and,

WHEREAS, Alzheimer's disease, a progressive degenerative disease and the most common form of dementia, causes deterioration of memory and thinking, erosion of judgment and reasoning abilities, and affect behaviors, emotions, and the ability to care for oneself; and,

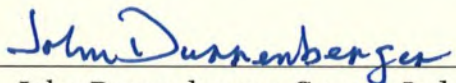

WHEREAS, according to the Centers for Disease Control and Prevention, Alzheimer's is the sixth leading cause of death for American adults and the only cause in the top six that has no prevention or cure; and,

WHEREAS, the people of Washington County, Texas can support individuals, families, friends, and caregivers who are dealing with Alzheimer's disease by promoting research to find a cause and cure, and by advocating for educational programs and support services in our communities; and,

WHEREAS, Washington County, Texas joins interested agencies and organizations in commemorating those who have passed and honoring those living with Alzheimer's disease, as well as their dedicated caregivers throughout the year;

NOW, THEREFORE, Washington County Commissioners Court, does hereby proclaim June, 2026, as "**ALZHEIMER'S DISEASE AWARENESS MONTH**" in Washington County, Texas, and commend its observance to all citizens.

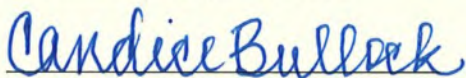

PASSED AND APPROVED this 9 day of June, 2026.

John Durrenberger, County Judge

Misti Hartstack Corn
Commissioner, Precinct 1

Candice Bullock
Commissioner, Precinct 2

Kirk Hanath
Commissioner, Precinct 3

Dustin Majewski
Commissioner, Precinct 4

Rural Volunteer Fire Department Assistance Program

All fire departments receiving cost-share funding for the purchase of a vehicle must comply with the following special requirements:

1. All department personnel must be trained in the proper operation and maintenance of trucks, pumps, systems, and related equipment. Personnel training must be documented.
2. All vehicles acquired under this program must be maintained in firefighting service for a period of 10 years from the reimbursement check date. If a cost-shared vehicle is sold before the end of its 10-year service life under this program, the grant recipient may be required to reimburse the program for 90% of the proceeds from the sale of the vehicle. The grant recipient must notify TFS in advance and must obtain clearance to sell or transfer a grant vehicle before the end of its 10-year service life. The Funding Committee may waive on a case-by-case basis the requirement that 90% of the sale proceeds be returned to the program. Recipients receiving transferred vehicles prior to the end of their 10 year service life shall be subject to the terms and conditions as described in this section.
3. All vehicles must meet the minimum standards as described in the attachment "Minimum Standards and Specifications for Firefighting Vehicles."
4. An Affidavit of Non-Collusion (page 2) must be completed, signed, and notarized by the seller of the vehicle. The Fire Department must submit the completed affidavit to the Texas A&M Forest Service before a grant reimbursement may be paid.
5. The purchase of pre-owned vehicles and equipment requires advance evaluation and approval by the Texas A&M Forest Service. An applicant must contact the Capacity Building Department before purchasing a used vehicle or used equipment. Failure to receive this special advance clearance may void your grant approval.
6. Any payment(s) made toward the vehicle prior to the award date are ineligible for reimbursement under this program.

Responsibilities of the Fire Department Following Notice of Grant Approval:

1. Accept the award via [FireConnect](#).
2. Purchase the approved item(s). *Remember to obtain special approval for a pre-owned vehicle.*
3. Submit for Reimbursement via [FireConnect](#), and upload the following supporting documents:
 - Affidavit of Non-Collusion
 - Proof of Payment
 - Copies of Signed Check(s)
 - Credit Card Receipt(s)
 - Paid Vendor Invoice(s) showing the last 4 digits of credit card used
 - Bank/Credit Card Statement(s) Showing the Purchase
4. A member of our Field Staff must perform an inspection of the vehicle at the fire station before a grant reimbursement can be issued.
5. Grants for firefighting vehicles will expire **12 months** from the approval date. Extensions may be available upon request via [FireConnect](#).

Minimum Standards and Specs for Firefighting Vehicles

All vehicles funded under this program must be fire suppression vehicles and must meet the following minimum standards. These standards are developed to establish broad equipment categories for funding and review. They are not intended as “bid ready” equipment specifications. Departments are strongly encouraged to add capabilities and features required to meet local needs.

WEIGHT AND BALANCE

The fully loaded and equipped operating weight of the vehicle must not exceed the Gross Vehicle Weight Rating (GVWR) of the vehicle as determined by the manufacturer, nor the Gross Axle Weight Rating (GAWR) of the vehicle as determined by the manufacturer. The vehicle weight must be balanced so that the vehicle is easy to control. The vehicle center-of-gravity must be low enough to safely operate in curves and on side slopes. The vehicle must have effective brakes that can stop the vehicle without brake fade.

TANKS

- All vehicles must have a water tank with a minimum capacity of 200 gallons.
- All water tanks must be baffled.
- All water tanks constructed of mild steel must be protected from corrosion.

Small Brush Truck

Design Minimums

200 Gallon Water Tank
100 GPM Pump @ 100 psi
Ability to draft water at a minimum
of 12 vertical feet
2.5" pump discharge
Minimum ¾ ton chassis

Ultra High Pressure Option

200 Gallon Water Tank
6 GPM Pump @ 1100 psi
Minimum ¾ ton chassis

Large Brush Truck

Design Minimums

500 Gallon Water Tank
250 GPM Pump @ 40 psi
Ability to draft water a minimum of 12
vertical feet
2.5" pump discharge
Minimum 22,000 pound GVWR chassis

Ultra High Pressure Option

500 Gallon Water Tank
6 GPM Pump @ 1100 psi
Minimum 22,000 pound GVWR
chassis

Water Tender

Design Minimums

1,000 Gallon Water Tank
250 GPM Pump @ 40 psi
Minimum Dump Valve of 4.5 inch
(round or square)*
Ability to draft water a minimum of
12 vertical feet
2.5" pump discharge
Minimum 22,000 pound GVWR
chassis

*In place of a gravity dump valve,
a dedicated, hard-piped 3" or
larger discharge may be used,
supplied by a pump rated at a
minimum of 750 GPM @ 40 psi.

OTHER INFORMATION

- All slippery surfaces where personnel will step must have skid plates or abrasive surfaces to prevent personnel from slipping under wet conditions.
- Vehicle must have back-up alarm.
- Vehicle must have illuminated pump controls.
- Vehicle must have vehicle lighting and markings as required by law.
- Pumper conversions are allowed, provided they still meet the design minimums.

Notice to Purchasers of New Fire Trucks

These guidelines apply for those purchasing a truck in Texas.

The sale and lease of new motor vehicles in Texas is regulated by the Texas Occupations Code, Title 14, Regulation of Motor Vehicles and Transportation, Chapter 2301, Sale or Lease of Motor Vehicles. The law is administered and enforced by the Texas Department of Transportation (TXDOT).

The law requires that vehicle manufacturers, converters, representatives, and franchised dealers be properly licensed and that they comply with certain standards of conduct.

According to TXDOT interpretations, a franchised dealer, and only a franchised dealer, is legally allowed to sell a new fire truck in Texas. This applies whether the truck offered for sale is a manufactured vehicle or a converted vehicle.

Manufactured Vehicles

A fire truck that meets or exceeds the legal definition of a “fire-fighting vehicle” is considered a manufactured product and the entity that builds it is considered a “manufacturer”.

Manufacturers cannot sell motor vehicles directly to consumers in Texas, including municipalities, and must have at least one franchised dealer located in the state in order to maintain their license.

Converted Vehicles

A fire truck that does not meet the legal definition of a “fire-fighting vehicle” is considered a converted product (conversion). It is a new motor vehicle chassis that has something substantial done to it prior to being sold to an end-user. The entity that builds it is considered a “converter”.

Neither converters nor their representatives are allowed to sell converted vehicles directly to consumers. A new fire truck that is considered a conversion may only be sold to an end-user, including a municipality, by a Texas dealer franchised and licensed to sell the make of the chassis of the converted product.

A licensed, franchised dealer must be listed as the seller or bidder of a new vehicle. This dealer must invoice the end-user for the entire purchase price of the vehicle including the conversion package, must obtain payment for the entire purchase price, and must perform the title work on the completed vehicle.

What Should A Fire Department Do?

1. Comply with the law:
 - Determine that the manufacturer or converter of a fire truck is properly licensed to do business in Texas.
 - Determine that the fire truck is to be sold to the end-user by a licensed franchised dealer.
2. Contact Texas Department of Motor Vehicles for information:
Telephone: 1-888-368-4689
Website: <https://www.txdmv.gov/dealers>

Texas A&M Forest Service is providing this notice for educational purposes only, in an effort to promote compliance with the law. The final authority for communication, interpretation, and enforcement resides with the Texas Department of Motor Vehicles. Buyers and sellers of new fire trucks are encouraged to contact TXDOT directly for clarification and guidance.

BEST PRACTICES FOR WORKING WITH FIRE TRUCK CONVERTERS

Research and get feedback from other fire departments that have done business with the vendor(s) you are considering

Have a detailed, written contract with a completion date

Be cautious of paying up front for incomplete work

Make sure the work you're requesting is within the vendor's area of expertise

AMOUNT: \$ 300.00

AMOUNT: \$ 600.00

*DEPOSIT DUE DATE: 6/3/2026

BALANCE DUE DATE: 6/8/2026

*DEPOSIT: A \$300 Date Hold/ damage deposit will be due within two weeks of booking. The rental deposit is non-refundable and will be credited to the total rental fee. If the rental fee is less than \$100.00, balance is due in full. (stand-alone restroom facilities are included in the rental of all facilities except the buildings that have their own restroom facilities)

1. AREAS NOT UNDER CONTRACT:

Only areas and facilities leased shall be used by renter. Use of other areas not under lease will result in a breach of this contract and additional costs associated with the used areas not under lease will be assessed.

2. CLEAN-UP:

The renter is responsible for clean-up. Clean-up must be completed following renter's event unless stated differently in the contract. The leased property must be cleaned in a manner approved by the EXPO and the leased property left in the condition in which it was rented. If the renter chooses not to clean-up at the time of the negotiation of the lease, a fee will be assessed by the EXPO and included in the contract.

3. CONCESSIONS:

Food, Drink, Games, Tack, and Other Concessions: Renter must notify EXPO of any concessions sold at the event. Each concession must enter into a contract with the EXPO prior to the event and will be charged a fee equal to ten percent (10%) of gross receipts. (A separate contract will be issued for Concessions.) Liquor Liability Insurance is required if alcoholic beverages are sold. EXPO and Washington County must be listed as additional insured. A copy of the Liquor Liability Insurance policy must be attached to this contract. TABC Rules and Regulations must be followed.

4. DAMAGE TO FAIR PROPERTY:

The renter is held responsible for any damages to buildings or property. Any repairs made as a result of any damages will be made by Expo and charged to the renter. The \$300.00 Damage/Cleanup deposit will be applied to any repairs having to be made. A separate money order, cashier's check or cash must be submitted for the deposit. If repairs exceed the deposit, the renter is responsible for the remaining amount. If there are no damages to be repaired or cleanup to be done by the EXPO, the deposit will be refunded within 5 business days.

5. INSURANCE:

Renter will be liable for any lawsuit arising out of an incident that occurred at renter's event. Renter is not covered under Washington County's general liability insurance. Washington County is not responsible for providing legal counsel for renter. Renter also agrees to indemnify Washington County against any costs, damages or liability arising out of the use of the Expo or the County's Facilities, including attorney's fees. If renter chooses to purchase liability insurance for their event, a copy of that policy shall be provided to the EXPO prior to the event.

*Certain events held on the property will be required to have insurance by the EXPO and if required renter must provide EXPO a copy of the insurance policy for the event.

6. KEYS:

Keys will be issued to the renter on the day of their event setup unless setup is on a weekend then it will be the last business day before setup. If no setup is required, keys will be issued to the renter on the last business day prior to a weekend event and on the day of the event held during the week. All keys will be signed for and should keys not be returned to the Expo Office within two (2) days of the event a \$25.00 charge will be added. A \$50.00 replacement fee will be applied to any set of keys which are lost, stolen or broken while in possession of the renter.

7. SECURITY:

☒ Security is not needed for this event as determined by the EXPO.

☐ Security is needed for this event and the number of security officers and the type of security officers have been approved by the EXPO through the Expo Director or his agent.

8. SPECIAL REQUIREMENTS:

All buildings are rented as is. Washington County makes no warranties, expressed or implied, regarding the suitability of the premises for a particular purpose. It is the renter's responsibility to inspect the premises and determine their suitability for renter's intended use.

9. PAYMENT/DAMAGES:

All balances due are payable on or before date stated in the contract. Amounts not paid within such time are subject to an additional charge of five percent (5%) per month until paid, which the parties agree is a reasonable amount of liquidated damages.

10. COMMISSIONERS APPROVAL:

Renter understands that this agreement is subject to Washington County Commissioners Court approval and may only be amended with their approval.

11. Renter also agrees to obey all laws, ordinances, orders, rules and regulations applicable to the use, condition and occupancy of the Premises.

12. Renter understands that by renting the County Property it does not become an arm of the government and is only an independent contractor.

13. POLICY GUIDE:

Renter understands that by signing they have read the Washington County Expo Policy Guide and agree to follow the policies as outlined.

14. CANCELLATION POLICY:

All cancellations are subject to a \$100.00 processing fee, if a cancellation is made 30 to 15 prior to the start of the rental date 50% of the deposit will be retrained. For all cancellations 14 days prior to the start of the contracted period there will be no refunds. Should a request for rescheduling occur there will be \$100.00 fee assessed.

15. INSPECTION OF EVENT:

Renter agrees that the Expo Director or his agent on behalf of the EXPO may enter the renter's event at any time to insure the contract has not been breached.

16. LAW VIOLATIONS:

Any violation of any criminal law of the state of Texas or city ordinance by any participant of the event which occurs on the Expo property will be considered a breach of this contract.

17. BREACH OF CONTRACT:

Any violation of the terms of this contract will be considered a breach of this contract. Incorrect information provided in this contract, the activity request form or provided to the Expo Director or his agent will be considered a breach of this contract. Renter's event will immediately be cancelled, if renter breaches this contract. No refund of any kind will be made.

18. DECLARED DISASTER or PANDEMIC:

Performance of this contract/agreement by either party shall be subject to force majeure, which includes but is not limited to acts of God, fire, flood, natural disaster, war or threat of war, acts or threats of terrorism, civil disorder or protests, unauthorized strikes, governmental act, order, regulation, suggestion or advisory, pandemics, epidemics, recognized health threats as determined by the World Health Organization, the Centers for Disease Control and Prevention or state or local government authority or health agencies (including, but not limited to the health threats of COVID-19, H1N1 or other infectious diseases), curtailment of transportation facilities or other occurrence beyond the control of the parties, where any of those factors, circumstances, situations, or conditions or similar ones (i) prevent, dissuade or unreasonably delay at least twenty-five percent (25%) of prospective attendees from appearing at the venue or (ii) make it illegal, impossible, inadvisable, or commercially impracticable to hold the event or to fully perform the terms of this contract/agreement. In the event of force majeure, this contract/agreement may be cancelled by either party, within 72 hours without liability, damages, fees or penalty, and any deposits and unearned amounts paid shall be refunded, for any one or more of the above reasons, by written notice to the other party.

The undersigned hereby agrees to the Terms, Conditions and Charges stated herein and acknowledges receipt of a copy of this Rental Contract.

3. CONCESSIONS:

Food, Drink, Games, Tack, and Other Concessions: Renter must notify EXPO of any concessions sold at the event. Each concession must enter into a contract with the EXPO prior to the event and will be charged a fee equal to ten percent (10%) of gross receipts. (A separate contract will be issued for Concessions.) Liquor Liability Insurance is required if alcoholic beverages are sold. EXPO and Washington County must be listed as additional insured. A copy of the Liquor Liability Insurance policy must be attached to this contract. TABC Rules and Regulations must be followed.

4. DAMAGE TO FAIR PROPERTY:

The renter is held responsible for any damages to buildings or property. Any repairs made as a result of any damages will be made by Expo and charged to the renter. The \$300.00 Damage/Cleanup deposit will be applied to any repairs having to be made. A separate money order, cashier's check or cash must be submitted for the deposit. If repairs exceed the deposit, the renter is responsible for the remaining amount. If there are no damages to be repaired or cleanup to be done by the EXPO, the deposit will be refunded within 5 business days.

5. INSURANCE:

Renter will be liable for any lawsuit arising out of an incident that occurred at renter's event. Renter is not covered under Washington County's general liability insurance. Washington County is not responsible for providing legal counsel for renter. Renter also agrees to indemnify Washington County against any costs, damages or liability arising out of the use of the Expo or the County's Facilities, including attorney's fees. If renter chooses to purchase liability insurance for their event, a copy of that policy shall be provided to the EXPO prior to the event.

*Certain events held on the property will be required to have insurance by the EXPO and if required renter must provide EXPO a copy of the insurance policy for the event.

6. KEYS:

Keys will be issued to the renter on the day of their event setup unless setup is on a weekend then it will be the last business day before setup. If no setup is required, keys will be issued to the renter on the last business day prior to a weekend event and on the day of the event held during the week. All keys will be signed for and should keys not be returned to the Expo Office within two (2) days of the event a \$25.00 charge will be added. A \$50.00 replacement fee will be applied to any set of keys which are lost, stolen or broken while in possession of the renter.

7. SECURITY:

- ☒ Security is not needed for this event as determined by the EXPO.
☐ Security is needed for this event and the number of security officers and the type of security officers have been approved by the EXPO through the Expo Director or his agent.

8. SPECIAL REQUIREMENTS:

All buildings are rented as is. Washington County makes no warranties, expressed or implied, regarding the suitability of the premises for a particular purpose. It is the renter's responsibility to inspect the premises and determine their suitability for renter's intended use.

9. PAYMENT/DAMAGES:

All balances due are payable on or before date stated in the contract. Amounts not paid within such time are subject to an additional charge of five percent (5%) per month until paid, which the parties agree is a reasonable amount of liquidated damages.

10. COMMISSIONERS APPROVAL:

Renter understands that this agreement is subject to Washington County Commissioners Court approval and may only be amended with their approval.

11. Renter also agrees to obey all laws, ordinances, orders, rules and regulations applicable to the use, condition and occupancy of the Premises.

12. Renter understands that by renting the County Property it does not become an arm of the government and is only an independent contractor.

13. POLICY GUIDE:

Renter understands that by signing they have read the Washington County Expo Policy Guide and agree to follow the policies as outlined.

14. CANCELLATION POLICY:

All cancellations are subject to a \$100.00 processing fee, if a cancellation is made 31 days or more prior to the start of the rental date 50% of the deposit will be retained. For all cancellations 30 days or less prior to the start of the contracted period there will be no refunds. Should a request for rescheduling occur there will be \$100.00 fee assessed.

15. INSPECTION OF EVENT:

Renter agrees that the Expo Director or his agent on behalf of the EXPO may enter the renter's event at any time to insure the contract has not been breached.

16. LAW VIOLATIONS:

Any violation of any criminal law of the state of Texas or city ordinance by any participant of the event which occurs on the Expo property will be considered a breach of this contract.

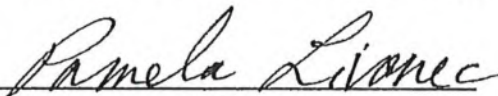

17. BREACH OF CONTRACT:

Any violation of the terms of this contract will be considered a breach of this contract. Incorrect information provided in this contract, the activity request form or provided to the Expo Director or his agent will be considered a breach of this contract. Renter's event will immediately be cancelled, if renter breaches this contract. No refund of any kind will be made.

18. DECLARED DISASTER or PANDEMIC:

Performance of this contract/agreement by either party shall be subject to force majeure, which includes but is not limited to acts of God, fire, flood, natural disaster, war or threat of war, acts or threats of terrorism, civil disorder or protests, unauthorized strikes, governmental act, order, regulation, suggestion or advisory, pandemics, epidemics, recognized health threats as determined by the World Health Organization, the Centers for Disease Control and Prevention or state or local government authority or health agencies (including, but not limited to the health threats of COVID-19, H1N1 or other infectious diseases), curtailment of transportation facilities or other occurrence beyond the control of the parties, where any of those factors, circumstances, situations, or conditions or similar ones (i) prevent, dissuade or unreasonably delay at least twenty-five percent (25%) of prospective attendees from appearing at the venue or (ii) make it illegal, impossible, inadvisable, or commercially impracticable to hold the event or to fully perform the terms of this contract/agreement. In the event of force majeure, this contract/agreement may be cancelled by either party, within 72 hours without liability, damages, fees or penalty, and any deposits and unearned amounts paid shall be refunded, for any one or more of the above reasons, by written notice to the other party.

The undersigned hereby agrees to the Terms, Conditions and Charges stated herein and acknowledges receipt of a copy of this Rental Contract.

**WASHINGTON COUNTY
ENGINEERING AND DEVELOPMENT SERVICES
OIL AND GAS DEVELOPMENT PERMIT**

3650 SH 36 N Brenham, Texas 77833
Phone: (979) 277-6275 / Fax: (979) 277-6222

No development may begin until, at minimum, a conditional permit is issued; a principal with the parent corporation shall complete and sign the application form (all pages related to development) with the required documentation and information attached to the permit application.

If any portion of the property where development is planned (not just a specific route or location of a well pad) there is identified Special Flood Hazard Areas (SFHA) - including but not limited to floodway and/or floodplains - or the development is within close proximity of the SFHA, a US Army Corps of Engineers (USACE) verification letter is required. This letter will confirm that all development is compliant with the Nationwide Permit. If the proposed development is not Nationwide Permit compliant, then all USACE permits/requirements shall be met and documentation submitted to the Washington County Engineering and Development Services Office before any or all permits will be reviewed.

Plan for flood-proofing all structures and pieces of equipment, pipeline or other development located within the SFHA (1% chance/100-year floodplain) and shall be designed in a manner to reduce or eliminate flood damage, e.g. anchoring, or elevated. Flood-proofing measures must include the following:

- Tank batteries and other equipment installed at the site in the floodplain shall be tied down to prevent flotation and lateral movement.
- Protection around any vulnerable equipment such as the well-head must be installed to keep flood debris from damaging equipment which could release product into floodwaters or send equipment floating downstream.

Pipelines are to be buried no less than 36 inches in or out of the identified floodplains.

Tree and brush debris to be removed from the floodplain or burned in accordance with USACE permitting standards, the State of Texas standards and County law.

A separate application shall be made for each well to be drilled, transferred, re-drilled, reworked, converted or reactivated.

Elevation Certificate if any permitted structures/equipment to be elevated above the BFE. The floodplain administrator will inspect the site at this time. The Washington County Engineering and Development Office must be notified if equipment is added after completion. If site is sold or assigned this office must be notified. A recomplete will only need a permit if new production equipment is added to an existing site.

SECTION 1: PROPOSED DEVELOPMENT (To be completed by APPLICANT)

APPLICANT INFORMATION

Company Name: GeoSouthern Operating II, LLC

Well# TBD

Anticipated Work End Date 1June26

Anticipated Work Start Date 12May26

SECTION 2: GENERAL PROVISIONS (APPLICANT To Read)

1. No work may begin until, at minimum, a conditional permit is issued.
2. The permit may be revoked if any false statements are made herein.
3. The permit will expire if no work is commenced within a six month of issuance.
4. If revoked or expired, all work must cease until permit is re-issued.
5. Development shall not begin or occupied until a permit is issued.
6. Applicant hereby gives consent to the County to make reasonable inspections required to verify compliance.

SECTION 3: DESCRIPTION OF WORK (Check all applicable boxes :)

- A. STRUCTURAL DEVELOPMENT ACTIVITY (Check all that apply)
☒ New Structure ☐ Addition ☐ Relocation ☐ Demolition ☐ Replacement

B. OTHER DEVELOPMENT ACTIVITIES

☒ Clearing ☒ Filling ☐ Mining ☒ Drilling ☒ Grading ☒ Excavation

☐ Watercourse Alteration (Including Dredging and Channel Modifications)

☒ Drainage Improvements

☐ Other (Please specify) _____

C. FLOODPLAIN

Is the proposed work located within an identified Special Flood Hazard Area (Regulatory Floodplain)?

☐ Yes ☒ No

If yes, complete the following:

Flood Zone Type

☐ AE ☐ A ☐ X ☐ Other

Firm Map No. _____

D. REQUIRED ATTACHMENTS

No review will be completed until any and all supportive documentation is submitted with the application.

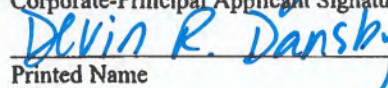

- ☒ Site Exhibit (Exhibit shall clearly show limits of proposed work in relation to any floodplain)
- ☒ Construction Truck Routes (Routes to be utilized during construction activity)
- ☐ Road Use Bond Agreement (Disregard if an active road use bond is on file with the county)
- ☒ Contact Sheet (See below)

If proposed work is to be completed within the floodplain attach a Drainage Impact Analysis:

- ☐ Engineering Drainage Impact Analysis determining no increase to Base Flood Elevation (See below)

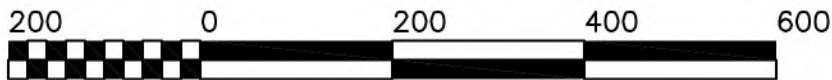

After completing SECTION 1-3, APPLICANT should submit form to the Engineering and Development Services Department for Review.

I understand the above provisions for Oil & Gas development in the unincorporated areas of Washington County and that an approved Oil & Gas Development Permit from the Washington County Engineering and Development Services Department must be obtained prior to any work beginning. Further, I understand that any application submitted without the required information and documentation will be returned and the permit denied. Failure to comply with the Washington County Flood Damage Prevention Regulations may result in criminal charges.

**WASHINGTON COUNTY
ENGINEERING AND DEVELOPMENT SERVICES
OIL AND GAS ROUTING AND ROAD USE BLANKET BOND AGREEMENT**

3650 SH 36 N Brenham, Texas 77833
Phone: (979) 277-6275 / Fax: (979) 277-6222

TO: THE COMMISSIONERS COURT OF WASHINGTON COUNTY, TEXAS

WHEREAS, GeoSouthern Operating II, LLC (hereinafter "The Company") intends to conduct oil and gas drilling operations at a site or sites located in Washington County, Texas, which will necessitate travel over and across public roads maintained by Washington County, Texas, and

WHEREAS, Company is located at:

Company Name: GeoSouthern Operating II, LLC

Address: 1425 Lake Front Drive

The Woodlands, TX 77380

Primary Contact: Neal Rudderow

Phone: 281-363-9161 ext. 638

Email: NRudderow@GeoSouthernEnergy.com

In connection with the use of Company of overweight loads on Washington County roads as defined, The Company identified above, The Company agrees to only use those roads in Washington County that are identified by the Company as listed in any approved Oil and Gas Development Permits.

WHEREAS, the location of The Company's proposed operation(s) will require the use and transportation of heavy, oversized equipment along Washington County Roads as will be set forth and authorized in separate Development Permits for each oil and gas drill site location; and

WHEREAS, the weight of The Company's vehicles and equipment may exceed the capacity of county roads and bridges on routes set forth in any Development Permit; and

WHEREAS, the Transportation of the equipment may cause substantial damage to Washington County Roads and related infrastructure; and

WHEREAS, the Company and Washington County understand that pursuant to 251.151 Texas Transportation Code: "The commissioners court of a county may regulate traffic on a county road or on real property owned by the county that is under jurisdiction of the commissioners court," and agree that "County Roads" are those roads designated for use by the Company in any Development Permit issued by Washington County; and

WHEREAS, the Company and Washington County agree that the transportation of this equipment is necessary for these operations and that the County should be compensated for any damages or maintenance costs incurred for the County Roads as a result of the Company's operations;

THE COMPANY AGREES AS FOLLOWS

1. To secure performance hereunder, The Company agrees to post a \$500,000 corporate surety bond made payable to Washington County, Texas to insure performance of the obligations incurred herein and specifically any damage that might be sustained to any Washington County road, bridge or related infrastructure as a result of Company's movement of vehicles and equipment on Washington County roads. This bond is intended as a blanked bond to cover all of the company's oil and gas development road use activity in Washington County, Texas as authorized in this agreement. In no event shall The Company's liability for damages be limited to this bond amount, and The Company agrees to pay any additional sums on demand. Said bond covers damages resulting from travel on County roads.
 - a. The Company's obligation to post the bond shall begin upon filing of The Company's first commercial development application.
 - b. The bond shall remain in full force and effect throughout The Company's oil and gas drilling activities.
 - c. The bond shall be released and the surety and the Company shall be relieved of all obligations hereunder and under the terms of the bond the 45th day after The Company's wells for which a development permit was issued to leave only maintenance and operation status of all wells.
 - d. The company shall post the bond and provide Washington County, Texas an original copy of said bond prior to any Development permits being issued to the Company for which a bond is required.
 - e. The bond must be an insurance company licensed to do business in the State of Texas, and must list Washington County, Texas as the obligee.
2. The Company, as used herein, shall include The Company, operator of The Company, and any contractors, subcontractors, vendors, agents, and/or all other affiliates of The Company.
3. The Company agrees that it shall apply for a Development Permit with Washington County for each Oil and Gas development within Washington County. Each Development Permit issued shall establish routes and/or roads to be used The Company for a particular Oil and Gas Development. The Company agrees and acknowledges that it will timely apply for any other applicable permits, e.g., floodplain, development, pipeline crossing permits, temporary water line permits, etc.
4. Company agrees that it shall only utilized the route(s) and roads specified in the Development permit issued by Washington County for the transport of all necessary equipment to the project locations specified in the development permit., without weight limitations, for such time as operations continue on the location. Notwithstanding the foregoing, Washington County shall determine the weight limits for roads to be utilized and the strength and design sufficiency of the roads, bridges and culverts on the roads to carry and withstand the weight of The Company's vehicles traveling on the roads, Routes approved by Washington County do not guarantee or warranty that any such road, bridge or culvert is capable of withstanding the contemplated or expected road use.

5. The Company agrees that maintaining safe roads easily accessible to the citizens of Washington county, Texas is a top priority and agrees to use its vehicles and equipment in such a manner as not to block or otherwise interfere with other traffic along the route specified and that said route will be open to public traffic at all times, and further agrees to provide forty-eight (48) hour notice to Washington County before transporting any equipment along the route set forth in the associated permit that would interrupt the normal flow of traffic.
6. The Company agrees and accepts responsibility and liability for damages of whatever nature to the road bed, road surface, bridges, culverts, signs, structures, fences, right of ways, etc. that result from the movement of the Company's vehicles and equipment over any roads described in a development permit or any other County Road. The Company agrees to immediately report any damage caused by the Company to the Washington County Engineering and Development Services Department.
7. In the event that the Company's operations cause an immediate and serious safety hazard, the Company or Company's representative shall, without delay, call the Washington County Engineering and Development Services Department at 979-277-6275, or, if the emergency occurs outside normal working hours, the Washington County Dispatch Office at 979-277-7373.
8. Within ten (10) days of discovery, Washington County shall notify the Company when damages to road, bridges and related infrastructure suspected to have been caused by the Company occurs. The Company shall designate in its Development Permit the Company representative to whom notice shall be given. Washington County and the Company agree to informally meet to settle any potential damage claims by Washington County, Texas. If an informal agreement is reached and Washington County performs the necessary repairs and is to be reimbursed, the County shall invoice the Company within ninety (90) days of completion of repairs. The Company shall remit payment to Washington County, Texas within sixty (60) days from the date of the invoice. Nothing herein prohibits Washington County and The Company from agreeing that The Company may provide in-kind materials, equipment and labor for the repair of any damages by The Company. Nothing in this subsection shall operate to negate the Company's responsibility to repair the damages caused by The Company.
9. The Company agrees and is The Company's responsibility to reimburse Washington County, Texas for the cost of materials (including freight), labor and equipment (based on the most recently published FEMA Schedule of Equipment Rates) to repair county roads damaged by the Company.
 - a. Absent informal agreement, Washington County agrees that The Company's obligations shall not begin until the Company has received Washington County's notice of the nature and extent of the damage and estimate of the cost of repair.
 - b. If no informal agreement is reached between Washington County and The Company, Washington County shall bill The Company the actual cost to repair the road and related infrastructure. The Company agrees to pay the billed cost within sixty (60) days from billing. Billing shall be made to the address on this Agreement. Failure to pay upon demand shall be grounds for Washington County, Texas to file suit against The Company. The Company agrees the at the venue for any such suit lies in Washington County, Texas.
10. The Company agrees that its failure to pay the cost of repairing any such damage shall be grounds

for the Washington County Commissioner's Court to revoke this Road Use and Bond Agreement.

11. The rights and duties under this agreement will not be assigned without the prior written consent of the other party, which consent shall not be unreasonably withheld. Assignment by The Company shall not become effective until the assignee has replaced the bonds required hereunder and such bond has been accepted by Washington County.
12. No transfer of interest by The Company in the subject operations, whether it be drilling or any other operation involving oversize or overweight vehicles operating on County Roads, shall negate the responsibility of the Company to repair damages caused by The Company.
13. Unless otherwise posted, The Company recognizes that the maximum weight permitted on Washington County Roads is 80,000 pounds total weight or 18,000 pounds per axle and agrees not to exceed that total weight in its use or motor vehicles on Washington County Roads. However; load limits on specific Washington County road and bridges were established by Washington County Commissioners Court Order and posted on said Washington County roads and bridges.

BOND COVERING ROUTING AND ROAD USE AGREEMENT

THE STATE OF TEXAS

COUNTY OF WASHINGTON

KNOW ALL MEN BY THESE PRESENTS:

That GeoSouthern Operating II, LLC, as Principal (the "Company"), and U.S. Specialty Insurance Company, a corporation existing under and by virtue of the laws of the State of Texas and authorized to do business in the State of Texas, hereinafter called "Surety", are held and firmly bound unto Washington County, Texas in the sum of Five Hundred Thousand and No/100 Dollars (\$500,000.00), for the payment of which the said Principal and Surety bind themselves, their heirs, executors, administrators, and assigns.

The condition of the above obligation is such that the said Company, as Principal, will make payment to Washington County, Texas for any and all damages that may be sustained to roads, bridges, or associated infrastructure under the jurisdiction of Washington County by virtue of the operation of any overweight vehicle or vehicles or equipment by the said Company for which permit is issued by Washington County, Texas to operate under.

Now, therefore, if the said Company shall pay Washington County, Texas, for any and all damages that may be sustained to County roads, bridges or associated infrastructure as above recited by virtue of the operation of any overweight vehicle, vehicles or equipment for which permit is issued by Washington County, Texas to operate under, during the period of time for which such permit is issued, then this obligation shall be null and void, otherwise to remain in full force and effect.

Provided, however, this bond may be canceled by the Surety by the sending of notice in writing to Washington County, stating when, not less than thirty (30) days thereafter, liability hereunder shall terminate as to subsequent acts or omissions of the Principal.

DISPUTAS SOBRE PRIMAS O RECLAMOS:

Si tiene una disputa concniente a su prima o a un reclamo, debe comunicarse con el agente o la companie primero. Si no se resuelve la disputa, prede entonces comunicarse con el departamento (TDI).

UNA ESTE AVISO A SU POLIZA:

Esta aviso es solo para proposito de informacion y no se convierte en parte o condicion del documento adjunto.

Washington County Engineering and Development Services

2026 Second Quarter Report

EDS Highlights

Bridge/Culvert Projects

Paving Progress

Street Mapping

Shredding/Herbicide

Work Orders

Within the first quarter of 2026 there have been a total of 322 work order modifications. See below for a general map of the locations of each work order generated. A description of each work order generated can be found in Appendix B.

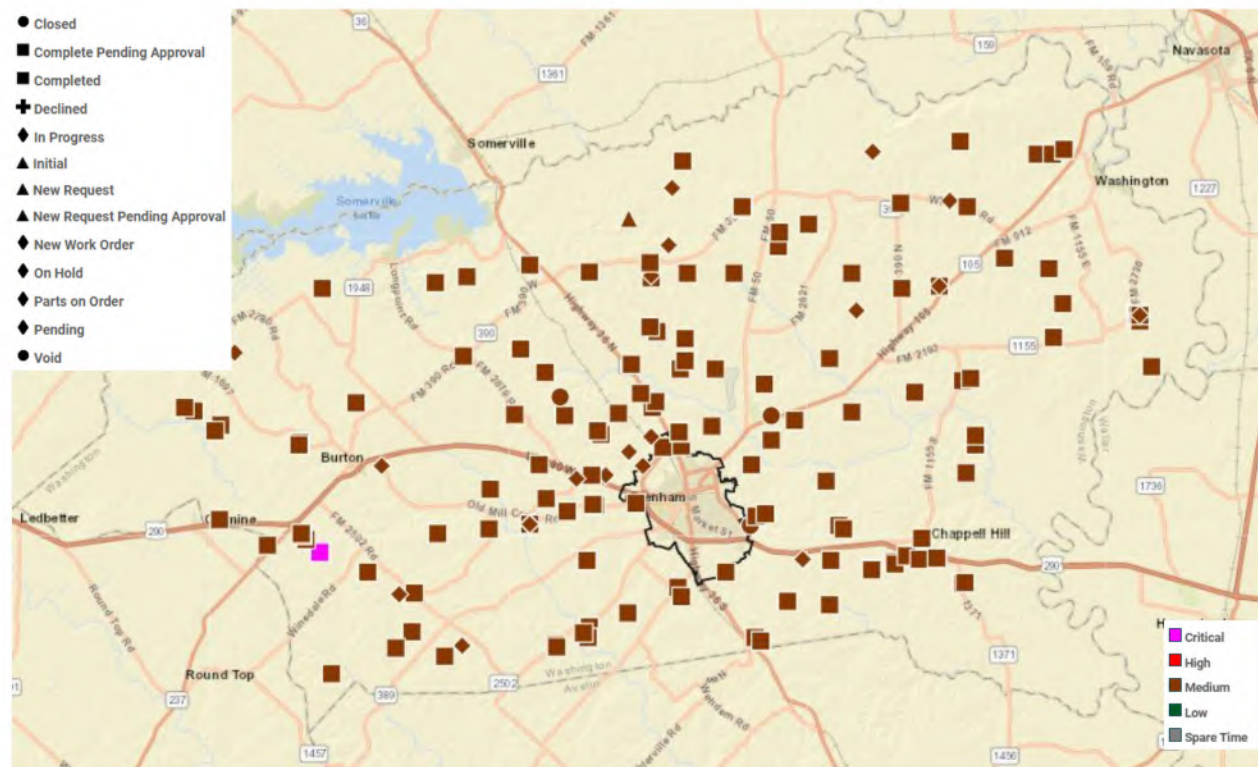

Figure 1 – Work Order Modifications from February 27th through May 29th.

OSSF & Environmental Status

The average septic permit per month for 2026 is currently 25, which is down 4.46% and up 11.94% from that in 2025 and 2024 respectively.

OSSF Permits by Month

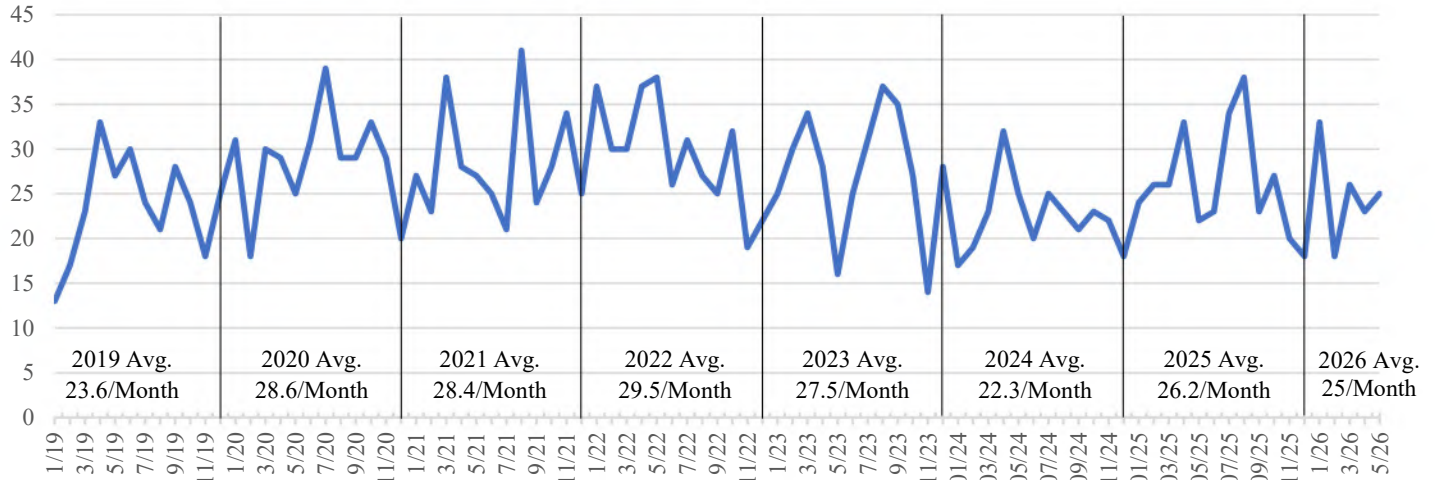

Figure 2 - New OSSF Permits per Month

Ridgewood Farms Subdivision Sec I	8	4	Yes	Complete	2026
Ridgewood Farms Subdivision Sec II	27	4	Yes	Review	2026
Estates at Mount Vernon Subdivision	9	3	No	Complete	2026
Green Pastures Subdivision	7	3	No	Complete	2026
Gates Crossing Replat Lots 8A and 8B	2	1	No	Review	2026

See Figure 2 below for a breakdown of subdivision variance requests by year. Washington County has approved two (2) variance requests and two (2) minor plats to date for 2026.

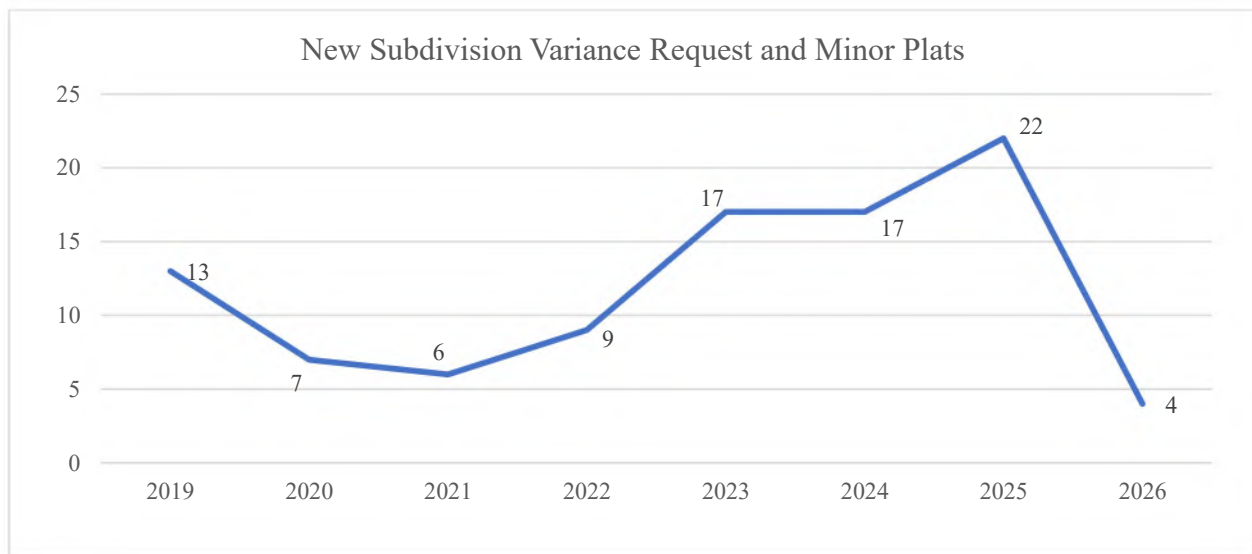

Figure 4 – Subdivision Variance Request

Material Availability and Utilization

To date the department has procured 23,024 tons of base material for paved road construction and flexible base road maintenance. The current paving schedules for 2026 estimates approximately 52,160 tons of flexible base. See below for a breakdown of flexible base sourcing by year.

2022 Base Material Source - 27,156 TNs

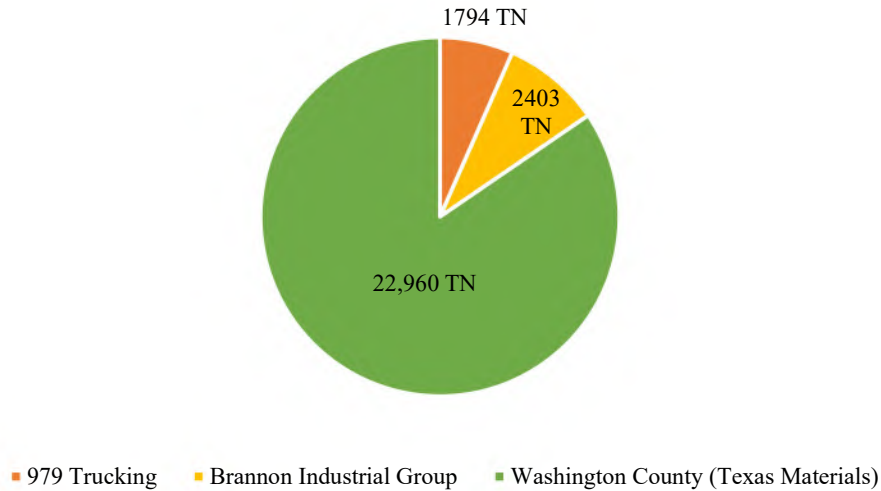

Figure 5 - 2022 Base Material Sourcing

2023 Base Material Source - 46,773 TNs

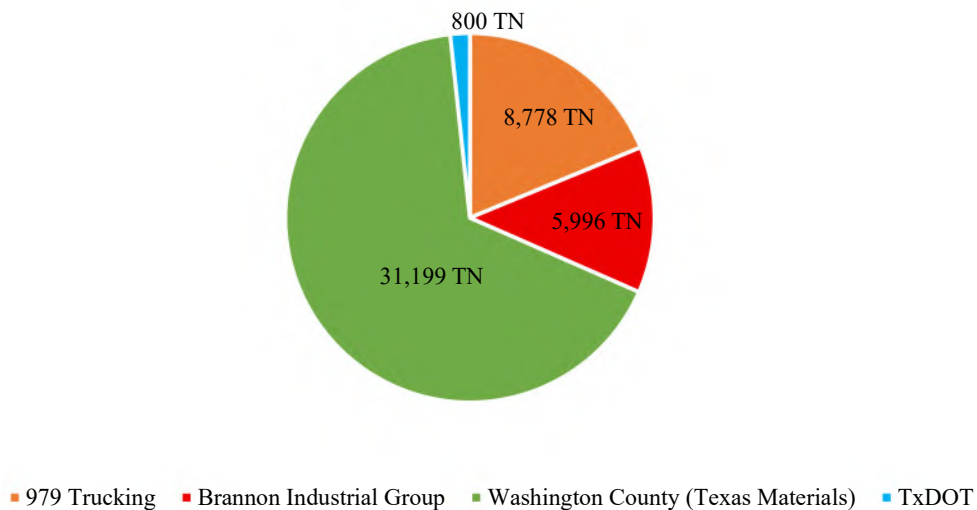

Figure 6 - 2023 Base Material Sourcing

2024 Base Material Source - 62,051 TNs

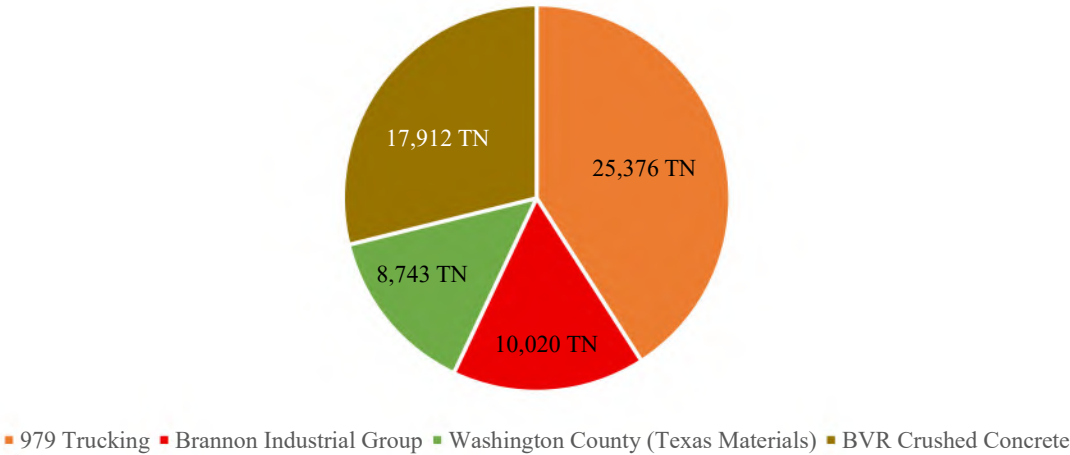

Figure 7 - 2024 Base Material Sourcing

2025 Base Material Source - 67,954 TNs

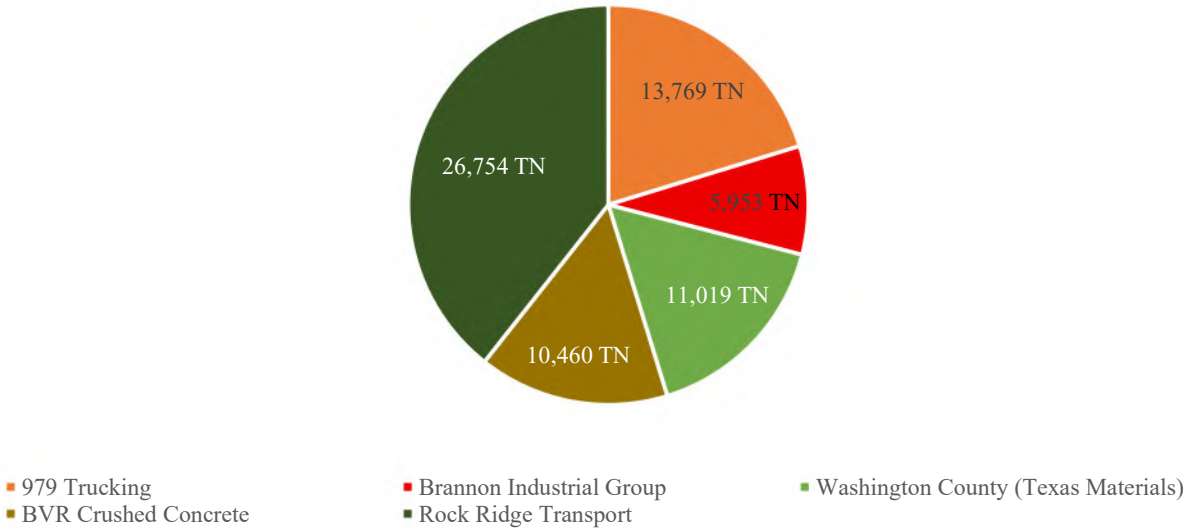

Figure 8 – 2025 Base Material Sourcing

2026 (To Date) Base Material Source

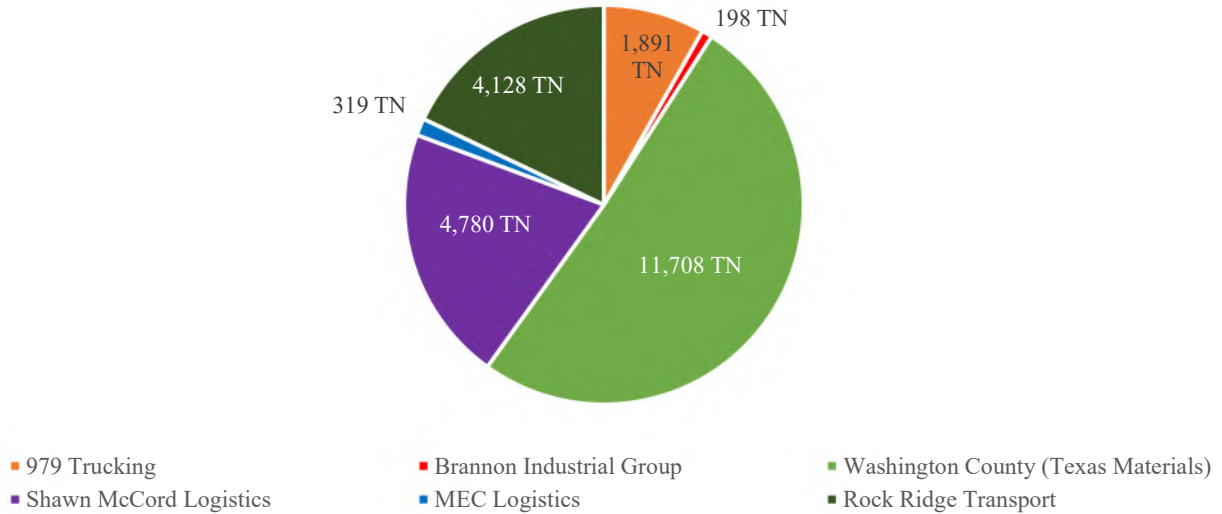

Figure 9 – 2026(To Date) Base Material Sourcing

2026 Paving Progress

See below for a breakdown of the paving for 2026. Total length by paving type can be found below:

- RAP installation – 4.2 miles
- Two Course Seal (Structurally Prepped for Paving) – 9.74 miles
- Two Course Seal (Completion) – 2.37 miles

Table 2 – 2026 Paving Status

Roadway	Project Type	Length (ft)	Material Cost (\$)	Status
Dove Lane	Two Course Seal	6,200	\$67,634	In Progress
Prayer Lane	RAP	5,540	\$1,459	Complete
Dairy Farm Road	RAP	650	\$172	Complete
Mertins Creek Lane	RAP	5,050	\$1,317	Complete
Wellmann Road	RAP	9,300	\$0	Complete
Buttercup Lane	Two Course Seal	1,000	\$18,572	In Progress
Whitman Road	Two Course Seal	12,500	\$340,250	Complete
Edgewater Lane	RAP	1,640	\$432	Complete
Maass Road	Two Course Seal	3,400	\$68,380	In Progress
Zibilski Road	Two Course Seal	5,200	\$104,571	In Progress
Egypt Lane	Two Course Seal	8,950	\$70,848	In Progress
Koether Road	Two Course Seal	8,650	\$98,436	In Progress
Moye Road	Two Course Seal	7,210	\$82,051	In Progress
Bascome Lane	Two Course Seal	2,810	\$32,001	In Progress
Eberhardt Road	Two Course Seal	8,000	\$75,864	In Progress

Driveway Culvert Installations

See below for a historic breakdown of culvert installations by month. There have been 15 culverts installed in the second quarter of 2026 and 30 installed so far for the year. The total number of driveway culverts set for 2024 and 2025 respectively were 124 and 106.

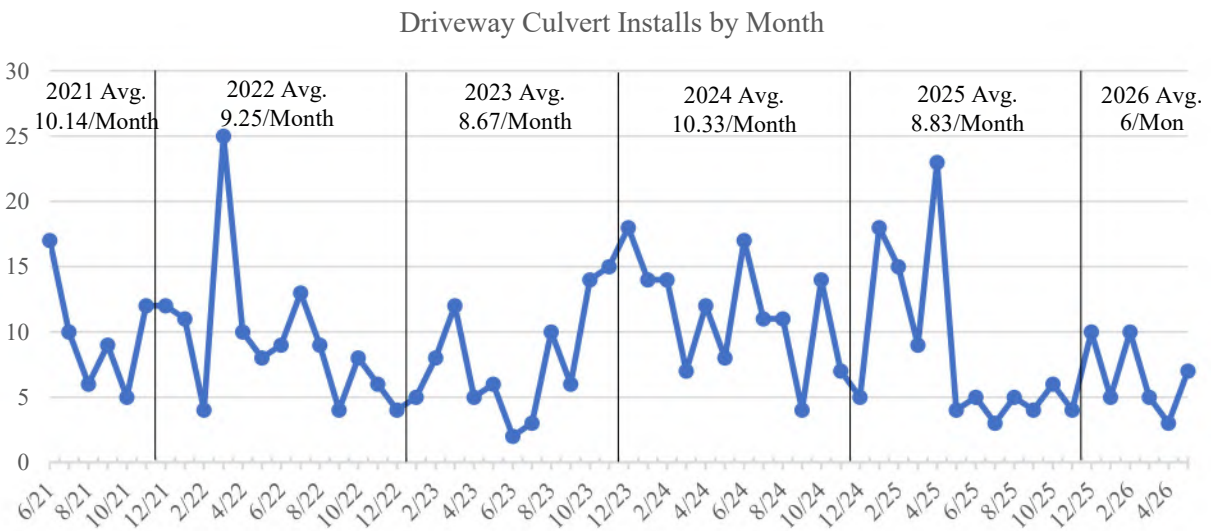

Figure 16 – Driveway Culvert Installs by Month

Subdivision Rules and Regulations

The Subdivision Rules and Regulations have officially been adopted as of March 31st, 2026. Predevelopment meetings have been conducted and subdivisions are in the process of review utilizing the newly adopted regulations.

Road Mapping Update

Road Mapping of Washington has commenced with approximately 124 miles driven (~20%). The department is well on its way to completing the entirety of Washington County maintained roadways by end of year.

Figure 18 - 360 Camera Mounted

Figure 17 - Rocky Hill School Road 360 Street View

Drainage Projects

The EDS Department scheduled several large drainage projects in reaction to the flooding event that took place near the Independence area of Washington County in May of 2025.

Old Independence Road

The first project was replacing the failed dual 8.5'x12.5' corrugated metal arch pipe located at the intersection of Old Independence Road and Seeker Road. The project consisted of replacing the corrugated metal culverts with three 8'x7' reinforced concrete box culverts. The remaining portion of the project is to chip seal the roadway later in the year, install permanent fencing and install guardrails on either side of the intersection.

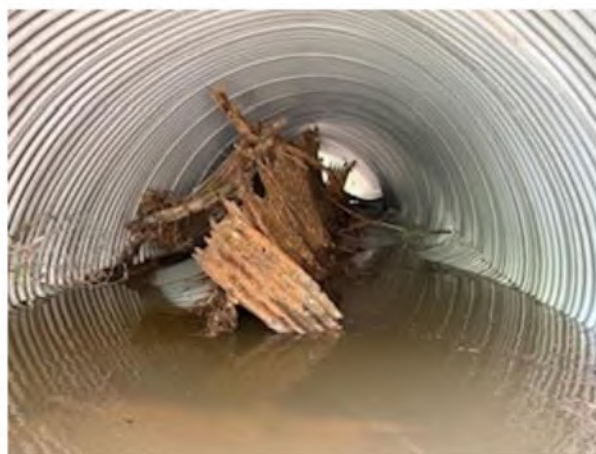

Figure 19 – Old Independence Road 2025 Culvert Damage 6/5/2025

Figure 20 - Reinforced Concrete Box Culvert Install on Old Independence Road 4/2/2026

The second project relating to the 2025 flooding event consisted of replacing the existing 2 – 72” corrugated metal culverts that had shown significant corrosion and embedment erosion located on Rocky Hill School Road with dual 72” corrugated metal culverts. This project has been completed with only exception being the chip sealing of the roadway as part of the sister project located on Old Independence Road.

Figure 21 - Culvert replacement at Rocky Hill School Road 4/13/2026

The third project relating to the 2025 flooding event was the culvert replacement on Quebe Road. This culvert joint had separated due to extensive corrosion over time which led to roadway failure. The old 54” corrugated metal culvert was temporarily patched in 2025 and has since been completely replaced with 2-48” corrugated metal culverts. The only remaining items for the project is to install chip seal and install the permanent fencing.

Figure 23 - Quebe Road Culvert Failure 6/12/2025

Figure 22 - Quebe Road Culvert Replacement 4/18/2026

The EDS department replaced the following culverts as well during the quarter.

- Bosse Road: 1 – 54” CMP
- Dannheim Road: 1 – 30” CMP
- Live Oak Drive: 1 – 24” CMP

Bosse Road

An existing 54” corrugated metal culvert was replaced and extended with a 54” corrugated metal culvert on Bosse Road on March 5th 2026. This is in preparation for roadway construction proposed in the area later in the year and to reduce the front slope of the roadway for safety and erosion prevention.

Figure 24 - Bosse Road Culvert Installation 3/5/2026

Dannheim Road

An existing 30" corrugated metal culvert was replaced and extended with a 30" corrugated metal culvert on Dannheim Road on March 17th 2026. The land upstream of the roadway culvert includes significant trees and brush. The land downstream of the culvert is fenced with a high game field fence that routinely caught debris that led to overtopping of the roadway and fence damage. The culvert was extended past the fence so as to minimize clogs and stormwater damage in the future.

Figure 25 – Dannheim Road Culvert Replacement 3/17/2026

Live Oak Drive

An existing 18" culvert located on the north end of Live Oak Drive was reported to the department by a citizen due to a roadway cavity forming. The culvert crossing was sized based on a ten-year storm event and was subsequently upsized to a 24" culvert. The project consisted of saw cutting the roadway, replacing the culvert, installing cement stabilized sand embedment and applying cold mix asphalt at the seam.

Figure 26 – Live Oak Drive saw cutting in preparation for the culvert replacement. 5/18/2026

Vacancies

The department currently only has one vacancy for a shop technician.

High Wind Storm 5/27/2026

A wind storm hit Washington County at approximately 1:00 am on 5/27/2026. Significant tree and limb damage led to a total of 52 road closures throughout the night. Washington County EDS employees mobilized right away in the night to clear the roads as fast as possible in preparation for the morning traffic.

Figure 27 – Debris Cleanup on Felder Road 5/27/2026

Formal Trainings/Certifications

See below for a list of trainings conducted so far this year. Two employees have obtained their Class A Commercial Drivers Licenses (CDL) and have signed three-year work agreements with Washington County.

Table 3 – 2025 Training Courses and Conferences

Course	Date	Course	Date
OSSF – Subsurface Drip Disposal	02/11/2026	CDL Training Program (TEEX)	02/20/2026
CDL Training Program (TEEX)	05/18/2026	MGO Implementation Training	05/28/2026

Contract Mowing

The mowers have been moving quickly and the first cut is nearing completion. As of 6/2/2026 the shredders are located near the Chappell Hill area with only the north side of precinct 2 and south side of precinct 1 to be finished. Some damage to local fences and mailboxes have occurred during the cut. This is a typical occurrence during this operation; however, the contractors have been doing a good job in fixing damage in a prompt manner.

Herbicide

The Department has been applying herbicide on the heels of the contract mowers. The department is utilizing Herald herbicide to specifically target Johnson Grass. The rain has slowed the operation somewhat; however, the department is well within the parameters for spraying herbicide to control growth.

My Government Online - LIVE

The Department has officially gone live with the new work order and permitting system (MGO). With the new system citizens can get live updates relating to the details and completion of any work order. This can be accomplished by sending in either their phone number or email. Once the work order is updated the citizen that has been added to the contact list will see a breakdown of the information relating to the work order.

All active work orders have been migrated to MGO and the new system is in operation currently.

Washington County EDS Quarterly Report – 2026 Q2

TxDOT Advanced Funding Agreement Status

See below for a breakdown of Advanced Funding Agreement Projects as well as their corresponding equivalent match projects.

Table 4 – AFA TxDOT Project Status

AFA Contract Year	Project Description	Location	Identifier	Project Status	Estimated Construction Cost
2022	Old Bryan Road (Prev. Machemehl Road) Bridge Replacement	Old Bryan Road at Thomas Creek	172390AA0255001	100% Design	\$630,000.00
