

## **LLANO COUNTY WIDE WORKSHOP**

As the region's designated Economic Development District, CAPCOG is responsible for developing the Comprehensive Economic Development Strategy Workshop (CEDS)—a five-year plan guiding economic development initiatives across our 10-county region. Your input will help shape the 2025-2030 CEDS, ensuring it reflects local strengths, addresses key challenges, and sets actionable goals for Llano County's future. More info about the CEDS can be found [here](#).
