

EXHIBIT FOR FEDERALLY-FUNDED CONTRACTS SUBJECT TO APPENDIX II (2 CFR 200)

TERMINATION FOR CAUSE: Failure by either County or Contractor to perform any provisions of this Contract shall constitute a breach of contract. Either party may require corrective action within ten (10) calendar days after date of receipt of written notice citing the exact nature of the other's breach. Failure to take corrective action or failure to provide a satisfactory written reply excusing such failure within the ten (10) calendar days shall constitute a default. The defaulting party shall be given a twenty (20) calendar day period within which to show cause why this Contract shall not be terminated for default. All notices for corrective action, breach, default or show cause on behalf of County shall be issued by the Purchasing Manager or County legal representative only, and all replies to the same shall be made in writing to the County Purchasing Manager or County legal representative at the address provided herein. Notices issued by or to anyone other than the Purchasing Manager or County legal representative shall be null and void, and shall be considered as not having been issued or received. County reserves the right to enforce the performance of this Contract in any manner prescribed by law in case of default and may contract with another party with or without competition or further notification to the contractor. At a minimum, Contractor shall be required to pay any difference in the cost of securing the services covered by this Contract, or compensate for any loss or damage to the County derived hereunder if it becomes necessary to contract with another source because of a default, plus reasonable administrative costs and attorney's fees. In the event of termination for default, County, its agents or representatives, shall not be liable for loss of any profits anticipated under this Contract.

TERMINATION FOR CONVENIENCE: County reserves the right to terminate this Contract upon thirty (30) days written notice for any reason deemed by the Commissioners Court to serve the public interest, or resulting from any governmental law, ordinance, regulation, or court order. Termination for convenience shall not be exercised with the sole intention of awarding the same or similar contract requirements to another source. In the event of such termination, County shall pay Contractor those costs directly attributable to work done in preparation for compliance with this Contract prior to termination; provided, however, that no costs shall be paid which are recoverable in the normal course of the business in which Contractor is engaged, nor shall County pay any costs which can be mitigated through the sale of supplies or inventories. If County pays for the cost of supplies or materials obtained for use under this Contract those supplies or materials shall become the property of County and shall be delivered to the FOB point shown in this Contract, or as designated by the Purchasing Manager. County shall not be liable for loss of any profits anticipated under this Contract.
