Llano County Budget

Fiscal Year 2022
(October 1, 2021 - September 30, 2022)

PREFACE

Final adoption of the County's annual operating budget is the result of many hours of deliberation and input from a variety of sources. Providing a workable and balanced plan of operations is difficult to achieve given limited resources. In order to accomplish this monumental task important prioritization of needs must be established and reviewed.

THE BUDGET PROCESS

Arriving at the financial plan of operations for the 2021-2022 fiscal year involves numerous steps. The County Judge with assistance of the County Auditor directs each county official and department head to develop budget requests in May for the budget year beginning October 1 of the following fiscal year. A proposed budget is filed by the County Judge and then submitted to the Commissioners' Court for review and evaluation. During the months of May, June, July several budget workshops are conducted to allow input from each official and/or department head regarding his budget requests. Citizens of Llano County are encouraged to attend and offer their suggestions and ideas of what programs they would like included in the upcoming budget.

Once the proposed budget has been reviewed it is compared to the estimated 2021-2022 revenues submitted by the County Auditor. These projected revenues, when added to the projected beginning Fund Balances, give the Commissioners Court an idea of the financing sources available.

Budget workshops are reconvened to re-evaluate the proposed expenditures and revenues. In many cases it may be necessary to raise taxes in order to finance expenditures. Raising taxes is the least favorable option and exercised only when unavoidable.

Once these public hearings and workshops are complete, the budget is finalized and ready for adoption. The budget is then put on the Commissioners' Court agenda and a vote taken by the Court. Upon adoption, the budget becomes effective October 1.

AMENDING THE BUDGET

As the fiscal year progresses, situations may sometimes arise that were not anticipated and have fiscal impact to the budget. In these instances, the budget may, by declaration of an emergency by Commissioners' Court, be amended from unreserved funds. One contingent liability very hard for the Court to predict is the cost of Indigent Health Care. If IHC expenditures exceed the budgeted figures, a budget amendment would be necessary due to the state mandated liability to the County. Other uncontrollable costs would be Inmate Medical and Court Appointed Attorney fees.

ABOUT THE BUDGET DOCUMENT

This budget document serves to communicate the County's financial condition, plan of operations and what it hopes to achieve for its citizens. Realizing that several diverse groups of people rely on the budget for many reasons, the document has been organized to assist the user in locating information easily.

Out of necessity, the budget document must summarize and condense a substantial amount of information in order to avoid a cumbersome document. However, there are times that more detailed information may be needed or further explanation required. In these instances, citizens and users may contact the County Auditor's office to have their questions answered.

LLANO COUNTY ADOPTED BUDGET FY 2022
COUNTY AUDITOR'S FOOTNOTES

Judge Ron Cunningham began the process by collecting budget requests from individual departments. Considering County-wide needs, Judge Cunningham presented a proposal to Commissioners' Court and workshops were held to create a combined proposed budget. On August 30th the Commissioners' Court held a Public Hearing to allow public input and possible adjustments to their proposal. After the hearing, an expenditure budget of \$19,621,354 was unanimously adopted. In spite of increasing expenditures by 12.62% the Commissioners committed to "no property tax rate increase" and adopted the same rate as in the current year. This rate will slightly increase taxes on most properties while providing an additional \$1,425,155 in revenue for County operations. Although total expenditures in this budget exceed estimated revenues by \$1,441,176, reserve funds will be used to offset the difference leaving sufficient reserves to comply with the County's fund balance policy. The paragraphs below outline several matters considered in the development this financial document.

Llano County is slowly recovering from the effects of the Covid-19 pandemic. In early spring we saw a semi-return to normal but mid to late summer brought about another surge and spread of the virus. Federal funding will be used to help offset the increased cost of extending the Public Health initiatives that began during the onset of the pandemic. Our Judicial system is in recovery mode, increasing operations and dealing with a backlog of cases. Other than property taxes, revenues from Court operations are a significant source of County funding. At the time of this budget adoption, criminal court operations were still limited and fine collections are below normal levels. Businesses in the community are operational but the process has been slow. Costs of goods and fuel prices are beginning to rise and that in turn creates a concern over inflation. It is difficult to estimate the County's revenue stream going forward. However, Llano County is still blessed with conservative spending on the part of County Officials and Commissioners are confident that Llano County has sufficient reserves to cover any revenue shortfall that may occur during this budget cycle.

In the past few budget cycles Commissioners prioritized funding salary increases for Law Enforcement personnel so this budget provides incremental base salary adjustments for Non-Law Enforcement personnel. Last year there were concerns over the closing of the local hospital and the County's ability to provide EMS Services. Fortunately, this administration was able to resolve those issues through new partnerships with Mid-Cost Central Medical Center and Hamilton County EMS. The County is looking at different revenue sources to address the increased medical service needs throughout the County. The Commissioners also issued five-million dollars in tax notes to expand the County Road Improvement Plan, purchase Law Enforcement Equipment and address capital project needs.

In this document the beginning fund balances and revenue estimates were provided by the County Auditor. These Estimates are based on Commissioners Court's financial policies and practices as well as the Tax Assessor Collector's certification of the property tax collection rate. Negative financial effects from Covid-19 on our community and the global economy were also taken into consideration. The County's Annual Financial Report (CAFR) comprised of a year-end financial review by an independent auditing firm will provide the Commissioners' Court the insight necessary to adjust spending in the current budget year if there is a significant revenue shortfall. It also provides Commissioners with a tool to set priorities for the next budget cycle.

Federal laws, State statutes, County policy and governmental financial guidelines are the keys to Llano County's financial stability. This budget, adopted in accordance with State Law, provides the mechanism for financing the day to day operations of the County. It is a means to encourage our Elected Officials to protect our County assets, maintain our financial strength and uphold the public trust. It also provides financial transparency by detailing Llano County Commissioners' Court's official record of how our public funds will be utilized in Fiscal Year 2022.
