Section 10. Conduct of Election. The Election shall be held in accordance with the Code, except as modified by the Texas Education Code, the Texas Government Code, and the Voting Rights Act, including particularly Chapter 272 of the Code pertaining to bilingual requirements.

Section 11. Information Required by Section 3.009 of the Election Code.

(a) District's Outstanding Debt. As of the date of this Order, the District's aggregate principal amount of outstanding unlimited tax-supported debt was \$33,635,000 and the aggregate amount of outstanding interest on such unlimited tax-supported debt was \$4,265,249. The District's total ad valorem tax rate for the 2024-2025 fiscal year is \$0.9669 per \$100 of assessed valuation, which is comprised of a maintenance and operations tax rate of \$0.6769 per \$100 of taxable assessed valuation and a debt service tax rate of \$0.2900 per \$100 of assessed valuation of taxable property in the District.

(b) As of the date of this Order, the District's aggregate principal amount of outstanding maintenance and operations tax-supported debt was \$8,516,619 and the aggregate outstanding interest on such maintenance and operations tax-supported debt was \$1,633,415.75.

(c) Issuance of New Debt. The District intends to issue the bonds authorized by the Proposition over a period of years in a manner and in accordance with a schedule to be determined by the Board based upon a number of factors, including, but not limited to, the then current needs of the District, demographic changes, prevailing market conditions, assessed valuations of property in the District, the use of variable rate debt and management of the District's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations of property vary based upon a number of factors beyond the District's control, and the use of variable rate debt involves periodic adjustments in interest rates that vary based on market conditions and contractual obligations. Therefore, the District cannot and does not guarantee a particular interest rate or tax rate associated with the bonds authorized by the Proposition. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The District estimates that, based on the District's current taxable assessed valuation, current market conditions as of the date of this Order, and estimated future growth in the District's taxable assessed valuation, if the Proposition were approved and all of the bonds authorized by the Proposition were issued in accordance with the District's current projected plan of finance, the maximum interest rate on the bonds is not expected to exceed 5.25%.

(d) Additional Information Required by Section 3.009 of the Code. The additional information required by Section 3.009 of the Code is located in Sections 2 and 3 of this Order.

Section 12. Voter Information Document. The Board hereby approves a voter information document for the Proposition (the "Voter Information Document"), in substantially the form presented to the Board, with such changes as may be approved by the President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, in consultation with the District's general counsel, bond counsel, and financial advisor, as prescribed by Section 1251.052(b), Texas Government Code.

The President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, are further authorized and directed to post the Voter Information Document in the same manner as provided for notice of the Election under Section 9 of this Order, and additionally on the District's website in an easily accessible manner beginning not later than the twenty-first (21st) day before the date set for the Election and ending on the day after Election Day.

Section 13. Findings and Determinations. The Board finds and determines that the facilities and equipment to be acquired, constructed, renovated or equipped pursuant to the Proposition are predominately for required classroom instruction and essential administrative operations for faculty and staff, gymnasiums, playgrounds or play areas, equipment used for school security purposes, and/or technology infrastructure integral to the construction of a facility.

Section 14. Necessary Actions. The President of the Board, the Superintendent or their designee, acting on behalf of the Board, in consultation with the District's attorney and bond counsel is hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code and the Voting Rights Act in carrying out and conducting the Election, whether or not expressly authorized herein, including making changes or additions to polling

places or procedures to the extent required or desirable as determined by the Elections Administrator.

Section 15. Severability. If any provision, section, subsection, sentence, clause or phrase of this Order, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void, invalid, or unenforceable, neither the remaining portions of this Order nor their application to other persons or sets of circumstances shall be affected thereby, it being the intent of the Board in adopting this Order that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, invalidity or unenforceability of any other portion hereof, and all provisions of this Order are declared to be severable for that purpose.

Section 16. Corrections. The District's Superintendent and General Counsel are hereby authorized and directed to approve any technical changes or corrections in this Order or to any of the instruments authorized by this Order necessary to (i) correct any ambiguity, mistake, or omission, or (ii) comply with the requirements of the Code, changes in law made during the 89th Texas Legislative Session, any special sessions thereof, administrative interpretations of such laws, or any other applicable law.
