AT LAW NO. 2 OF

HUNT COUNTY, TEXAS

ORDER CLOSING ESTATE AND DISCHARGING GUARDIAN

On _____, the Court considered the Application to Close Estate and Discharge Guardian of the estate of _____. After reviewing the application and supporting receipts, the Court finds that the Account for Final Settlement has previously been approved; that the guardian of the estate has distributed all the property of the estate remaining after the payment of all debts and expenses; that this estate has now been fully administered, and there is no property remaining on hand for distribution; and that this guardianship should be closed.

IT IS ORDERED that _____, guardian of the estate, is discharged from their trust; that _____, the surety on the bond of _____, is hereby discharged from further liability under the bond; and that this guardianship of the estate is hereby closed.

SIGNED the following date: _____.
