

Amanda Campos

Matagorda County Emergency Management

Today, October 10, 2022 Matagorda County is calling into effect an immediate burn ban due to the KBDI levels exceeding 500.

Matagorda County Emergency Management will continue to monitor the KBDI levels.

The burn ban will stay in effect until further notice.

A handwritten signature in cursive script that reads "Amanda Campos". The signature is written in black ink on a light-colored background.
