DECLARATION OF DISASTER

WHEREAS, the County of Jasper, Texas, on the 14th day of February, 2021, was in imminent threat of being in the path of a severe winter weather system event as described in reports issued by the United States National Weather Service and the Texas State Operations Center. This winter weather system may potentially cause widespread injury or loss of life, as well as severe property damage, resulting from conditions created by excessive sustained periods of below freezing temperatures, freezing rain, snowfall and high-speed winds in residential, agricultural and commercial areas. These conditions are projected to cause major infrastructure damage preventing access to, or the safe passage on, many roadways, as well as the potential for long term countywide electrical power and utility outages, exponentially increasing the dangers of injury or the loss of life. Such conditions have created an imminent public safety hazard.

WHEREAS, the County Judge of Jasper County, Texas, has determined, based upon trajectory reports issued by the National Weather Service and the Texas State Operations Center, that extraordinary measures must be taken to protect life, as well as to protect or rehabilitate property, and are necessary and hereby ordered.

NOW, THEREFORE, BE IT PROCLAIMED BY THE COUNTY JUDGE OF JASPER COUNTY, TEXAS:

- I. That a local state of disaster is hereby declared for Jasper County, Texas, pursuant to Section 418.108(a) of the Texas Government Code.
- II. Pursuant to Section 418.108(b) of the Texas Government Code, the state of disaster shall continue for a period of not more than seven days from the date of this declaration unless continued or renewed by the Commissioners Court of Jasper County, Texas.
- III. Pursuant to Section 418.108(c) of the Texas Government Code, this declaration of a local disaster shall be given prompt and general publicity and shall be filed promptly with the County Clerk.
- IV. Pursuant to Section 418.108(d) of the Texas Government Code, this declaration of a local state of disaster activates the Jasper County Emergency Management Plan.

ORDERED this 14th day of February, 2021.
