COUNTY OF JASPER

### DECLARATION OF DISASTER

WHEREAS, the County of Jasper, Texas, on the \_\_9<sup>th</sup>\_\_ day of September, 2024, was in imminent threat of being in, or near, the path of the weather event currently designated as Tropical Storm Francine, as described in reports issued by the United States National Weather Service and the Texas State Operations Center, potentially causing widespread or severe damage, injury, or loss of life and property resulting from countywide conditions created by torrential rainfall, major flooding with high speed winds and tornadic activity over an excessive period of time, affecting Jasper County by causing flooding and wind damage in residential and commercial areas, as well as major infrastructure damage preventing access to, or the safe passage on, many roadways, as well as the potential for long term countywide electrical power and utility outages. These conditions may be exacerbated by the risk of dead trees and large limbs falling that were killed in the massive drought die-off in 2023. Such conditions have created an imminent public safety hazard.

WHEREAS, the County Judge of Jasper County, Texas, has determined, based upon trajectory reports issued by the National Weather Service and the Texas State Operations Center, that extraordinary measures must be taken to protect life, as well as to protect or rehabilitate property and are necessary and hereby ordered.

### NOW, THEREFORE, BE IT PROCLAIMED BY THE COUNTY JUDGE OF JASPER COUNTY, TEXAS:

- I. That a local state of disaster is hereby declared for Jasper County, Texas, pursuant to Section 418.108(a) of the Texas Government Code.
- II. Pursuant to Section 418.108(b) of the Texas Government Code, the state of disaster shall continue for a period of not more than seven days from the date of this declaration unless continued or renewed by the Commissioners Court of Jasper County, Texas.
