STATE OF TEXAS §
§
COUNTY OF JASPER §

WHEREAS, the Board of Directors (the “Board”) of the Rayburn Country Municipal Utility District (the “District”), located in Jasper County, Texas (the “County”), hereby finds and determines that elections should be held to determine whether the District shall be authorized to issue bonds of the District in the amount and for the purposes hereinafter identified and to levy and collect an operation and maintenance tax (collectively, the “Election”); and

WHEREAS, the District currently operates pursuant to Chapters 49 and 54, Texas Water Code; and

WHEREAS, as required by §49.106, Texas Water Code, there has been filed in the office of the District open to inspection by the public an engineer’s report and any supplemental letters or amendments covering the land, improvements, facilities, plants, equipment and appliances to be purchased or constructed and their estimated cost together with maps, plats, profiles and data fully showing and explaining the report (the “Engineering Report”), and the Engineering Report has been carefully considered and approved by the Board; and

WHEREAS, the Board finds the estimate of probable costs as identified in **Exhibit “A”** to this Order for the design, construction, purchase and acquisition of water system facilities and additions thereto as well as incidental expenses connected with such improvements and the issuance of the bonds for the water system projects contained in the Engineering Report of \$7,620,000 is reasonable and proper and hereby approves same; and

WHEREAS, §49.107(b), Texas Water Code provides that an operation and maintenance tax cannot be levied until such levy is approved by a majority of the electors voting in an election held for that purpose; and

WHEREAS, the Board is of the opinion that an election should be held for the purpose of submitting a proposition on the levy of an operation and maintenance tax; and

WHEREAS, §49.107(c), Texas Water Code and the Texas Election Code provide that an operation and maintenance tax election may be held on the same day as any other election; and

WHEREAS, the Board desires to call an election for the purpose of submitting propositions (i) on the issuance of the bonds of the District for the provision and improvements to its water system in the amount of \$7,620,000 and the levy of taxes unlimited in rate or amount in

payment of such bonds and (ii) the levy and collection of an operation and maintenance tax not to exceed nine (\$0.09) cents per one hundred (\$100.00) valuation; and

WHEREAS, the Board hereby finds and determines that the necessity to construct various capital improvements within the District and to provide for operation and maintenance of District utility systems necessitates that it is in the public interest to call and hold the Election at the earliest possible date; and

WHEREAS, the Board hereby finds and determines that the actions hereinbefore described are in the best interests of the residents of the District;

WHEREAS, the District will enter into an election services contract (the "Contract") with the County, by and through its County Clerk (the "County Clerk") in accordance with the provisions of Subchapter D of Chapter 31, as amended, Texas Election Code, or other applicable law, pursuant to which the County will assist with certain aspects of the Election on the District's behalf; and

WHEREAS, the meeting of this Board of Directors at which this Order was adopted was open to the public and public notice of the date, time, place and purpose of said meeting was given, all as required by Chapter 551 of the Texas Government Code.

SECTION 9: The Board authorizes the President, Board of Directors, the General Manager, or the respective designee of either of such parties, to negotiate and enter into election services contracts and/or similar contracts or agreements with the County, acting by and through the County Clerk, as permitted and in accordance with the provisions of the Texas Election Code, as amended.
