TEAM Training

Introducing the NEW TEAM System

We are excited to announce the following six regional trainings that will be conducted as part of the rollout of the new TEAM system. We will also be conducting webinars for those of you that prefer an online format. If you would like to attend an in-person training, please select the location nearest you and let your TEAM team representative know as soon as possible. Please include the names of all staff from your county that will be attending. Each location has a different hosting capacity, so reserve your spot soon.

Topics and more specific information will be provided next week. We look forward to seeing you soon!
