The Deep East Texas Council of Governments Housing Department has 25 Housing and Urban Development - Veterans Affairs Supportive Housing (HUD-VASH) vouchers for homeless veterans in Angelina, Houston, Hardin, Jefferson, Jasper, Newton, Polk, Sabine, Orange, Shelby, San Augustine, San Jacinto, Tyler and Trinity counties. Beneficiaries are selected based on certain requirements including health care eligibility, homelessness status, and income.

The HUD-VASH prioritizes housing first and then assists the Veteran with access to healthcare and other supports that promote stable housing and improved quality of life. The program combines Housing Choice vouchers for Veterans to rent privately-owned housing, and support through VA case management services that include health care, mental health treatment, vocational assistance, and job development.

If you are a veteran that needs assistance or if you know a veteran that needs housing assistance please call Veronica Thomas at 800-256-6848 Ext 5335 for more information. Additionally, if you are a landlord and would like to participate in the HUD-VASH program you should give her a call.
