

**CASS COUNTY**  
**AUDITOR ANNUAL FINANCIAL REPORT**  
**PRESENTED TO COMMISSIONERS COURT**  
**AND DISTRICT JUDGE**  
**ACTIVITY FOR FISCAL YEAR 2022**

In accordance with requirements from the Local Government Code, Title 4 Finances, Subtitle B County Finances, Chapter 114 County Financial Reports, Subchapter A General Provisions, Section 114.025

Sec. 114.025. COUNTY AUDITOR'S MONTHLY AND ANNUAL REPORTS TO COMMISSIONERS COURT AND DISTRICT JUDGES. (a) The county auditor shall make an annual report to the commissioners court and to the district judges of the county. Each report must show:

- (1) the aggregate amounts received and disbursed from each county fund;
  - (2) the condition of each account on the books;
  - (3) the amount of county, district, and school funds on deposit in the county depository;
  - (4) the amount of county bonded indebtedness and other indebtedness; and
- (5) any other fact of interest, information, or suggestion that the auditor considers proper or that the court or district judges require.

(b) The annual report must include a record of all transactions made during a calendar year. The auditor shall file the annual report at a regular or special term of the commissioners court held during the month of April of the following year. The auditor shall file a copy of the report with the district judges of the county.

(c) At the time the annual audit is delivered to the commissioners court and the district judges, the auditor shall send to the bonding company of each district, county, and precinct officer a report indicating the condition of that person's office.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

To meet the requirements of the Local Government Code, I have produced the following reports for the above noted points:

- 1) Combined Statement of Revenue and Expenses
- 2) Cash Position
- 3) Debt Service Schedules for County long term debt
- 4) Cass County Auditor Monthly Financial Report for September 2022
- 5) Budget Analysis Usage Report
- 6) Cass County Transaction Ledger for all financial activity of Cass County for FY 2022

These reports are for Fiscal Year 2022; ending date of September 30<sup>th</sup> 2022. Please note, the Budget Analysis Usage Report and the Transaction Ledger are extremely detailed, long reports of all the activity of Cass County for the entire fiscal year and are too long of reports to print to include with this Annual Report. I have opted to retain a copy of these reports in my desktop file folder of this annual report; they are available for any person to review at their convenience.

The following bullet points are my “other facts of interest, information or suggestions that the auditor considers proper that the court or judges may require” as noted in point 5 above; please see the following information:

- 1) Cass County is in sound financial condition. As of September 30, 2022 the cash in the bank totals \$17,709,062.57 with a revenue to debt ratio of 14 months reserve. See attached Auditor Monthly Financial Report and the Cash Position Report for September 2022.

As of September 30<sup>th</sup> 2022 the General Fund Main checking account balance was \$2,099,301.68. As of April 5<sup>th</sup>, 2023 that balance is \$4,361,222.17. That is just the General Fund Main Checking account (working cash account).

As of the preparation date of this annual report, April 5, 2023, Cass County retains \$22,339,522.06 cash in the bank accounts on the Cash Position attached report. Of that amount, \$6,711,751.45 is held in our “open” Main checking accounts for the County to conduct its financial business.

It is the recommendation of the County Auditor to transfer most of these “Main Checking Account” funds into investment accounts where higher interest rates may be earned; a greater source of revenue for County operations. Funds may be transferred from higher interest bearing accounts very easily, on a daily basis if needed, to pay current debts. In this way maximized interest may be earned on revenues placed into the care of the County.

- 2) County revenues are being received at a timely, responsible rate from the citizens of Cass County and are being processed as quickly as possible by the office of the Tax Assessor/Collector. That

processing speed for the Tax Assessor/Collector office has been quickened by the upgrading of the part time employee position to a full time position.

- 3) Monthly reports are received on a timely basis by the office of the Auditor and Treasurer from all departments with the exception of the District Clerk throughout Fiscal Year 2022. The outside auditor, CPA firm, has noted as a finding against Cass County for three years in a row, fiscal years 2019, 2020 and 2021 that the District Clerk has not filed monthly reports on a timely basis in accordance with Local Government Code Title 4, Chapter 114.

The CPA auditor has just issued a draft report for their audit of County finances for fiscal year 2022. The audit records a finding in the “Condition” of the Cass County financial records; it is stated as, “Revenue collection activity was not reported timely during the fiscal year by the District Clerk’s office. This resulted in delayed recording of the revenues from that office ranging from 1-6 months after the revenues should have been recognized”.

The finding by the CPA auditor states the “Cause” of the finding is that “the District Clerk is required to submit reports to the County Auditor and Treasurer on a monthly basis to ensure accounting activity is recognized timely. The reporting process also includes reconciliation of bank accounts under the control of the District Clerk. These reports and reconciliations were not performed on a timely basis.”

In November of 2022, the second month of the 2023 Fiscal Year, the County Treasurer took over the reconciliation of the Main, E-File and Bail Bonds bank accounts of the District Clerk while the Clerk maintains the responsibility of reconciling the Registry Account. As of the date of this report the County Treasurer has been unable to balance/reconcile the accounts from the District Clerk.

This is the fourth annual audit of Cass County Financial Records where it is noted that the District Clerk has not submitted or reconciled the monthly reports or bank statements on a timely basis to the County Auditor or County Treasurer.

- 4) ARPA funds have started being disbursed in accordance with the Net-Loss policy as adopted by Commissioners Court. Once all funds have been disbursed to the various funds, General, District Court, Main Road and Bridge and the specific Road and Bridge departments the Commissioners Court may decide on if/when/how to reclassify those funds for unrestricted use for County purposes.
- 5) Debt Service payments and Indigent Legal and Health payments have been made timely and in accordance with prescribed protocols.

It has been and continues to be my pleasure to work for the citizens of Cass County and with the Commissioners Court and District Judge. My desire is to continue in this capacity for some time to come as the representative of the oversight of the financial aspects of Cass County.

If any recipient of these reports has any questions regarding their contents or condition of the findings presented in the attachments or my "facts of interest" I welcome the opportunity to discuss any and all matters the individual(s) may have and they are welcome to contact me at their convenience to discuss the matters of the financial condition of Cass County.

James R. Loomis

Cass County Auditor
