

Since there is a new law that the Early Voting Ballot Board must meet at least once before the election is still nine days away,

Therefore the EVBB will plan to meet on Wednesday February 21, 2024 at nine in the morning to begin the preliminary work of the board.

Thus should permit any voters needing to correct their ABBM to do so, in the time between now and election day.

The next regular EVBB meeting will be Election Day Tuesday March 5th 2024 to begin at 9:00 AM.
