INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Fannin County Public Facility Corporation

We have audited the accompanying statement of financial position of Fannin County Public Facility Corporation (a nonprofit organization) as of September 30, 2012, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fannin County Public Facility Corporation as of September 30, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

FANNIN COUNTY PUBLIC FACILITY CORPORATION
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2012

Nature of Activities and Significant Accounting Policies

1. Nature of Activities

Fannin County Public Facility Corporation (the Corporation) was formed on April 28, 2009 for the purpose of acting on behalf of Fannin County, Texas to finance, refinance or provide the costs of public facilities of the County pursuant to the provisions of the *Texas Public Facility Corporation Act*, Chapter 202 of the Local Government Code. The Corporation is authorized to issue bonds on behalf of the County for the purposes of Section 102, Internal Revenue Code of 1986, as amended. The Corporation is supported primarily through investment earnings and revenues received from imprisoning and housing inmates.

2. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. Property and Equipment

It is the Corporation's policy to capitalize property and equipment over \$ 5,000. Lesser amounts are expenses. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Corporation reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method.

4. Financial Statement Presentation

The Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- a. Unrestricted Net Assets – Net assets not subject to bond covenant imposed stipulations.
- b. Temporarily Restricted Net Assets – Net assets subject to bond covenant imposed stipulations that may or will be met, either by actions of the Corporation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- c. Permanently Restricted Net Assets – Net assets subject to bond covenant imposed stipulations that they be maintained permanently by the Corporation. Generally, the donors of these assets permit the Corporation to cause all or part of the income earned or any related investments for general or specific purposed.

Nature of Activities and Significant Accounting Policies (Continued)

5. Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

6. Income Taxes

The Corporation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

7. Cash and Investments

For the purpose of the statements of cash flows, the Corporation considers highly liquid investments available for current use with an initial maturity of three months or less to be cash and investments. All cash and investments are included in the statement of cash flows whether restricted by debt covenant or not.

8. Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair value in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investments income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

B. Restrictions of Net Assets

The Corporation did not report any temporarily or permanently restricted net assets at September 30, 2012.

C. Concentration of Credit Risk

The Corporation maintains its cash in bank deposit accounts and certificates of deposit at a banking depository. The risk of deposit loss is waived only to the extent of FDIC insurance coverage. Additional deposits may be secured only by pledged collateral. During the year, the Corporation's total deposits appear to have been secured by U.S. Bank insurance coverage.

Interest Income \$ 140,297

Subsequent Events

The Corporation's management has evaluated subsequent events through February 15, 2013, the date which the financial statements were available for issue.

Concentrations

The Corporation contracts with the U.S. Government and Fannin County to provide incarceration services. This limited pool of customers constitutes a concentration risk. The Corporation has in place long term contracts to mitigate the concentration risk as well as limited competitors in the area to challenge these concentrations.

IRS Audit

The Department of Treasury, Internal Revenue Service, has notified the Fannin County Public Facilities Corporation of an impending audit examination. This audit examination is focused on the compliance of tax exempt bonds as it relates to federal tax requirements. As of February 15, 2013, there has been no final ruling issued.
