POLICIES AND PROCEDURES

Site and traffic plans are to be emailed in a PDF format to planning.development@ectorcountytexas.gov. The contractor that will be physically responsible for the traffic control on site must contact the Ector County Planning & Development Department to submit the proposed work dates and 24-hour contact information.

If you are requesting a 911 address, please contact the Ector County Public Works Department at (432) 381-0098 and provide coordinates along with a site plan/location map of the tower.

TO BE FILLED OUT BY COUNTY OFFICIAL

Permit Number _____ Permit Tech _____	Date Issued _____ Inspector _____ District 1 2 3
