

# FREE STI TESTING FOR LLANO COUNTY

---

**Free sexually transmitted infection testing is available for Llano County residents\* at Hill Country Direct Care.**

\*For non-Llano County residents testing is \$34.

---

## TESTING INFORMATION

We provide screening tests for HIV, syphilis, hepatitis C, gonorrhea, and chlamydia. Testing is discreet and confidential.

## WHY TEST?

Are you having symptoms? Concerned that you have been exposed to a sexually transmitted disease? Just needing peace of mind for the future?

---

## SCHEDULING

To set up an appointment, call Hill Country Direct Care at 325-248-6309. For questions regarding testing email us at [testing@hillcountrydirector.com](mailto:testing@hillcountrydirector.com).

## GET ANSWERS

Get your results and we can help you get set up with treatment either at the health department, with your doctor, at a local clinic, or at our place. Get answers today.
