

Navarro County Indigent Health Care Program

Brianna Caldwell – Indigent Health Care Coordinator

bcaldwell@navarrohealth.com

What is Indigent Health Care? - The Indigent Health Care Program is medical coverage for people who are not Medicaid eligible, with income less than 21% the Federal Poverty Level. Property, bank accounts and other countable resources must be within limits established by state rules.

Eligibility Criteria:

Residence - The applicant must live in Navarro County and must intend to stay.

Household - A CIHCP household is a person living alone or two or more persons living together where legal responsibility for support exists, excluding disqualified person. A disqualified person is one who receives or is categorically eligible to receive Medicaid.

Resources - A household is eligible if the total countable resources do not exceed \$2000. If a household has a disabled or aged person that meets relationship requirement, resources cannot exceed \$3000.

Medical Need - Must have a medical necessity to obtain services.

Income - Monthly net income does not exceed 21% of the Federal Poverty Guidelines.

Basic Health Care (\$30,000):

- Medically necessary office visits
- Annual physical exams
- Diagnostic testing and imaging
- Specialty care upon referral/ approval from your Primary Care Physician
- Inpatient hospital services must be medically necessary and provided in an acute care hospital to hospital inpatients, by or under the direction of a physician and for the care and treatment of patients.
- Outpatient hospital services must be medically necessary and provided in an acute care hospital to hospital outpatients, by or under the direction of a physician.
- 3 prescriptions per month, no more than \$500 each (generic required if available) 30-day supply ONLY. No over the counter drugs.
