

Goliad County Historical Commission  
May 18, 2026 – 6 p.m.  
Market House Museum -205 S. Market St.

1. Prayer,
2. Discuss and take action on the minutes from March meeting.
3. Discuss, consider and take action on a workday for Purcell Cemetery.
4. Report from the Friends of GCHC on dance.
5. Discuss, consider and take necessary action on volunteers for summer programs.
6. Discuss, consider and take necessary action on painting the display cases and taking them out to the Auditorium when do we want it.
7. Discuss the possibility of having an interactive map of the city on a computer, could we get a grant, how much would we need?
8. Discuss, consider and take necessary action on whether we want to go out and clean up the Purcell #1 cemetery, I forgot last month(!), Also, is anyone interested in getting GPS addresses and helping find some of the cemeteries that we have located but have no idea where they are. We need GPS addresses on these and need to actually locate them. They are all over the County, so I would like a committee working on them. We need photos of them when found, and possible history of the cemetery if we can locate someone who knows about it. I have a couple of additional that have not been tracked down. About 25 in total, but we are close to 90 cemeteries in the county and I suspect closer to 100 if we knew of them all.
9. Items to be on next month's agenda.

  
Lynda Breeding,  
GCHC Chair
