

# **WE STOPPED BY TO HELP ASSESS STORM DAMAGE**

## **YOUR NEIGHBORHOOD IS PART OF AN ACTIVE DISASTER ASSESSMENT EFFORT.**

Your participation helps our entire community qualify for assistance.  
Thank you for your time and cooperation.

### **What is an iSTAT?**

The objective of this survey is to help state and local emergency management officials across Texas identify and gain an understanding of damages that have occurred during recent natural disaster activity.

### **Why Submit one?**

To qualify for possible state or FEMA disaster assistance, we need every resident with storm damage to complete a damage report (iSTAT) – even if the damage seems minor.

### **We can help!**

Concho Valley Council of Governments is assisting with these submissions by **going door to door**. We will also be located below.

 **Thursday, July 17th**  
**McCulloch County**  
**Courthouse Square**  
**9:30am-3:30pm**

### **QUESTIONS?**

If you need help or have questions,  
please stop by!

### **DIY:**

 You can also complete the damage assessment yourself!
