

For Immediate Release:

Free, Painless, COVID-19 Testing August 17th - August 21st
at the Fayette County Fairgrounds in La Grange

Free testing for all: Fayette County residency is not required.

Monday August 17th will be designated for school students, school teachers, and school staff. Public and private schools are invited.

- Teachers and staff please arrive between 8am and Noon.
- Students please arrive from Noon-3:30pm

Tuesday the 18th through Friday the 21st is open to all area residents from 8am to 4pm.

All healthcare workers and particularly those that work with the elderly such as nursing home employees, assisted living employees, home health employees, independent living employees, and first responders are encouraged to be tested.

Please **bring your cell phone** to the event for quicker registration. This is a self-administered cheek swab test, and is not painful. Results will be sent by email, text, or phone call. Email is preferred and will provide the most rapid response.
