 as-of 2/12/21 at 5:30PM

| Case Type | | | Status | | | Summary | |
|-----------------------|-----------|----------|--------|-----------|--------|---------|-----|
| Pending Investigation | Confirmed | Probable | Active | Recovered | Deaths | Total | New |
| 677 | 2535 | 550 | 138 | 3567 | 57 | 3762 | +30 |

As per DSHS Region 8...As Region 8 transitions into vaccine response, we will be changing some of the methods by which we have been providing you information.

Beginning Monday, February 15, 2021 we will no longer be producing the Cases at a Glance table.

This data can be found on the DSHS Dashboard at:

<https://txdshs.maps.arcgis.com/apps/opsdashboard/index.html#/ed483ecd702b4298ab01e8b9cafc8b83>

*****Due to this change, we will no longer be providing daily case counts.
 That information is available at the link above.*****
