At this time, the Wilson County Adult Probation Department remains open; however, we ask that you call your probation officer the day before your scheduled appointment to get updated reporting instructions as circumstances are changing daily.

Substance Abuse Outpatient groups have been suspended until further notice. The outpatient program will continue with individual sessions only which will be conducted by phone. Please contact your counselor for more information.

The mental health counseling program will continue with individual counseling sessions conducted by phone. Please contact your counselor for more information.

If working community service, please contact the agency directly to see if they are still allowing CSR workers to arrive.

If you need to make a payment at the County or District Clerk's office, please mail your payment.

If you are scheduled to take a DWI or Drug Offender Education Class, please contact the vendor directly to see if the class is still taking place.
