1.00 GENERAL POLICIES

1.01 AUTHORITY

- 1.01.01** These policies are established by the Commissioners' Court, the governing body of the County of Jackson (County), and any deletions, amendments, revisions, or additions to the policies must be approved by that body. Oral or written interpretations or clarifications of the policies will only be issued by the Commissioners' Court.
- 1.01.02** These policies completely replace and supersede any and all personnel policies previously adopted, individually or as a set of policies, by the Commissioners' Court.

1.02 SEVERABILITY

The provisions of these policies are severable, and if any provision or part of the provision is held invalid, illegal, or unenforceable, this will not affect the validity of the remaining provisions or parts of provisions, which will remain in force and effect.

1.03 RESPONSIBILITY FOR IMPLEMENTATION OF PERSONNEL POLICIES

The Commissioners' Court of the County, in coordination with County Officials, is responsible for the formulation and administration of personnel policies and procedures.

1.04 PURPOSE

- 1.04.01** These policies set forth guidelines governing employment in the County and inform employees of the benefits and obligations of employment with the County. These policies have been prepared to provide general information only.
- 1.04.02** All employees are at will and, as such are free to resign at any time with or without reason. The County, likewise, retains the right to terminate employment at any time with or without reason or notice, regardless of the stated frequency for payment of wages or salary (hourly, bi-weekly, etc.). No action to the contrary will be binding on the County unless placed in writing and formally approved by the Commissioners' Court. Nothing in these policies is intended to be nor should be construed as a guarantee that employment will be continued for any period of time.

1.05 APPLICABILITY OF PERSONNEL POLICIES

- 1.05.01** These personnel policies apply equally to all employees of the County unless a class of employees is specifically exempt by these policies or by written agreement with the County.
- 1.05.02** In cases where federal or state laws or regulations supersede local policy for specific groups of employees, such laws or regulations will substitute for these personnel policies only insofar as necessary for compliance.

1.06 DISSEMINATION OF PERSONNEL POLICIES

- 1.06.01** The Commissioners' Court maintains the official set of personnel policies with all revisions for reference by employees. Each employee will be given a complete set or access to a complete set upon employment. A copy of amendments, revisions or new policies will be provided to employees. In addition, each Department Head will maintain a complete set and copies of subsequent revisions. Notwithstanding anything to the contrary, if a question arises about a particular policy, the official set of policies maintained by the Commissioners' Court will control.
- 1.06.02** Every employee is required to acknowledge receipt of these policies. Employees are required to read, or have read to them, this manual carefully and to adhere to the rules and regulations stated.

1.07 EQUAL EMPLOYMENT OPPORTUNITY

- 1.07.01** It is the policy of the County to prohibit discrimination against any person in job structuring, recruitment, examination, selection, appointment, placement, training, upward mobility, discipline, or any other aspect of personnel administration based on race, color, religion, national origin, sex, sexual orientation, including lesbian, gay, bi-sexual or transgender status, age, genetic information, pregnancy, veteran status, disability, or any other condition or status protected by law.
- 1.07.02** The County will make reasonable accommodation for qualified individuals with known disabilities unless doing so would result in an undue hardship. This policy governs all aspects of employment, including selection, job assignment, compensation, discipline, termination, and access to benefits and training.
- 1.07.03** The County prohibits retaliation or discrimination against any employee for reporting an unlawful or discriminatory employment practice, or for participating in an investigation of an allegation of discrimination. Employees with questions or concerns about discrimination in the workplace are encouraged to bring these issues to the attention of the supervisor or County Treasurer. Anyone found to be engaging in unlawful discrimination will be subject to disciplinary action, including termination of employment.
- 1.07.04** The County does not discriminate based on genetic information (Title II of the Genetic Information Nondiscrimination Act of 2008 - GINA) with respect to hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment.

1.08 HARASSMENT

- 1.08.01** The County prohibits any form of harassment in the workplace. It is the County's intent to comply with all federal and state legislation to include Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, as amended, and guidelines issued by the Equal Employment Opportunity Commission (EEOC) concerning discrimination based on race, color, religion, national origin, sex, sexual orientation, including lesbian, gay, bi-sexual or transgender status, age, genetic information, pregnancy, veteran status, disability, or any other condition or status protected by law.

Harassment includes many forms of offensive behavior. Harassment is conduct focused on a person or group of persons including, physical or verbal abuse, and unwelcome activity of a sexual nature, retaliation, as well as any behavior or action which interferes with an individual's ability to perform assignments, or which creates a hostile or intimidating environment.

All employees are expected to comply with this policy; failure to do so will result in disciplinary action up to and including immediate termination.

1.08.02 The following, though not all-inclusive, is a list of various types of harassment:

1. **Verbal Abuse** - Any language that degrades or berates others, including, but not limited to, racial, religious, age, disability, national origin, color or sexual comments, jokes, sexual innuendoes, or threats of any kind.
2. **Non-verbal Abuse** – Distribution, display or discussion of any written or graphic material that ridicules, denigrates, insults, belittles, or shows hostility or aversion toward an individual or group because of national origin, race, color, religion, age, gender, pregnancy, disability or marital status.
3. **Physical Abuse** - Includes inappropriate touching, hitting, slamming, throwing, kicking, or threatening another person, including restraining by force or blocking the path of another.
4. **Interference or Hostile Environment** - Any behavior or action which interferes with an employee's ability to perform work assignments, or which results in or creates a hostile or intimidating work environment.
5. **Sexual Harassment** - Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other physical or verbal conduct of a sexual nature when:
 - a) Submission to or rejection of such conduct by an individual is made either explicitly or implicitly as a term or condition of an individual's employment.
 - b) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
 - c) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.
6. **Retaliation** - Any adverse action or threat of adverse action taken or made because an individual has exercised or attempted to exercise any rights under state or federal employment laws or under the policies of the County.

1.08.03 Any employee who feels they have been or are being harassed should immediately inform the harasser that the conduct is unwelcome, must stop immediately and must not be repeated. If the harassment continues the employee should immediately notify the supervisor or Department Head.

If, for any reason, the employee feels that reporting the harassment to the supervisor or Department Head may not be the best course of action, the report should be made to the County Judge or another member of the Commissioners' Court or the County Treasurer.

1.08.04 All reports of harassment will be treated seriously. As much as possible, confidentiality will be maintained with respect to the harassment complaint and only those who need to know about such complaint will be advised of its existence. No employee will be subject to any form of retaliation or discipline for reporting a valid harassment complaint.

1.08.05 The Department Head or Official to whom a claim has been reported will be responsible for seeing that prompt action is taken to investigate the claim. Once the investigation is complete, the employee making the claim will be notified of any actions which are to be taken.

1.08.06 Reporting or failing to report claims in accordance with the procedures given in this policy will in no way limit other legal recourse an employee may have regarding harassment charges.

1.09 PERSONS WITH DISABILITIES

It is the policy of the County to make its employment application process, employee activities, working environment, employee benefits, employee training, and employee advancement process accessible to disabled persons and to make reasonable accommodations to a qualified individual with a disability who is an applicant or employee unless that accommodation will place an undue hardship on the County operations.

1.10 CHANGES TO THESE POLICIES AND EMPLOYEE SUGGESTIONS

- 1.10.01** These personnel policies will be amended or revised, or new policies will be added, at any time, with or without notice, upon the approval of the Commissioners' Court. A copy of amendments, revisions or new policies will be provided to employees.
- 1.10.02** Employees are encouraged to make constructive suggestions for improvement in these policies. Any employee who wishes to suggest a personnel policy change shall submit suggestion(s) to the Department Head who may forward the information to the Commissioners' Court along with the reasons for requesting the change. Employees are responsible for maintaining current knowledge and understanding of all personnel policy changes and for requesting clarification or assistance when needed.

6.05 PROMOTIONS

6.05.01 A promotion is a change in the duty assignment of an employee which results in advancement to a higher position requiring higher qualifications and involving greater responsibility.

6.05.02 Promotions are recommended by the Department Head within the staffing pattern and budget limits approved by the Commissioners' Court. Employees who are qualified and able to perform the essential functions of the position, with or without reasonable accommodation, may be eligible for consideration for a promotion, if a vacancy occurs.

6.06 LATERAL TRANSFERS

Lateral transfers may be made within the same department or among departments, if a vacant position is available and the employee is qualified and able to perform the essential functions of the position, with or without reasonable accommodation. Lateral transfers among departments are made through the position opportunity posting system (Section 3.02).

6.07 DEMOTIONS

A demotion is a change in duty assignment of an employee to a lower job title which may result in a pay reduction. Demotions may be made at the employee's request to occupy a less responsible position, as a reasonable accommodation for an employee with a disability, as a disciplinary measure because of unsatisfactory performance in a higher position, or as a result of a reduction in force.

6.08 APPROVING AUTHORITY

The Commissioners' Court is the approving authority for all payrolls and for any pay increases, decreases, or payroll transfers granted under the terms of these policies and the annual budget.

6.09 SAFE HARBOR

6.09.01 The County makes every effort to pay its employees correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes do happen and are called to the attention of the County Treasurer's office, the County will promptly make any corrections necessary. Please review the pay stub when received to make sure it is correct. If a mistake is believed to have occurred or if there are any questions, please use the reporting procedure outlined below. If overpaid, the County will make the necessary corrections at the next payroll.

6.09.02 Employees who are classified as non-exempt employees must maintain an accurate record of the total hours worked each day. It is the responsibility of each employee to verify that their time records are correct. The time record must accurately reflect all regular and overtime hours worked, any absences, late arrivals, early departures, and meal breaks. Do not approve the

time record if it is not accurate. Each paycheck, please verify immediately that all regular and overtime hours worked each work week were paid correctly.

6.09.03 Non-exempt employees, unless authorized by the supervisor, should not work any hours that are not authorized. Do not start work early, finish work late, work during a meal break, or perform any other extra or overtime work unless authorized to do so. That time worked is to be recorded on the time record. Employees are prohibited from performing any "off-the-clock" work. "Off-the-clock" work means work performed but failed to report on the time record. Any employee who fails to report or inaccurately reports any hours worked will be subject to disciplinary action, up to and including termination. If anyone directs the employee to work without documenting time worked, County Treasurer's office must be notified immediately.

6.09.04 It is a violation of the County policy for any employee to falsify a time record, or to alter another employee's time record. It is also a serious violation of County policy for any employee, supervisor or Official to instruct another employee to incorrectly or falsely report hours worked, or to alter another employee's time record to under- or over-report hours worked. If anyone instructs an employee to:

1. incorrectly or falsely under- or over-report hours worked, or
2. alter another employee's time records to inaccurately or falsely report that employee's hours worked,

it should be reported immediately to the County Treasurer's office at 411 N. Wells, Edna, Texas, or by telephone at (361) 782-3402.

6.09.05 If classified as an exempt salaried employee, a salary which is intended to compensate an employee for all hours worked for the County will be received. This salary will be established at the time of hire or when the employee became classified as an exempt employee. While it may be subject to review and modification from time to time, the salary will be a pre-determined amount that will not be subject to deductions for variations in the quantity or quality of the work performed.

6.09.06 For exempt employees, the salary may also be reduced for certain types of deductions such as the employee's portion of health, dental or life premiums; state, federal or local taxes, social security, retirement; or voluntary contributions to a deferred compensation plan. In any work week in which the employee performed any work, wages may be reduced for any of the following reasons:

1. absence from work for one or more full days for personal reasons, other than sickness or disability; or
2. full day disciplinary suspensions for infractions of our written policies and procedures; or
3. full day for violating safety rules of a major significance; or
4. Family and Medical Leave or Military Leave absences; or
5. to offset amounts received as payment for jury and witness fees or military pay; or
6. the first (1st) or last week of employment in the event less than a full week is worked.

6.09.07 If an exempt employee, in any work week in which work is performed, the salary will not be reduced for any of the following reasons:

1. partial day absences for personal reasons, sickness, or disability; or
2. absence because the facility is closed on a scheduled workday; or
3. absence because of the County's operating requirements; or
4. absences for jury duty, attendance as a witness, or military leave in any week in which an employee performed any work; or

5. any other deductions prohibited by state or federal law.

Please note: It is not an improper deduction to reduce an employee's accrued vacation, personal or other forms of paid time off for full or partial day absences for personal reasons, sickness or disability.

6.09.08

If an employee has questions about deductions from their pay, the supervisor should immediately be contacted. If the employee believes any improper deductions have been made or the pay does not accurately reflect the hours worked, immediately report to County Treasurer's office at 411 N. Wells, Edna, Texas, or by telephone at (361) 782-3402. If unsure of who to contact or if a satisfactory response is not received within five (5) business days after reporting the incident, please immediately contact the County Attorney at 115 W. Main, Edna, Texas, or by telephone at (361) 782-7170. Every report will be fully investigated, and corrective action will be taken where appropriate, up to and including discharge for any employee(s) who violates this policy. In addition, the County will not allow any form of retaliation against individuals who report alleged violations of this policy or who cooperate in the County's investigation of such reports. Retaliation is unacceptable, and any form of retaliation in violation of this policy may result in disciplinary action, up to and including termination.

7.00 WORK SCHEDULE AND TIME REPORTING

7.01 WORK WEEK AND WORK HOURS

- 7.01.01** The official work week for non-exempt County employees is a seven (7) day period beginning at 12:00 midnight on Saturday and ending at 11:59 p.m. on the following Friday. Effective June 14, 2009, the official work week for dispatchers is a seven (7) day period beginning at 6:00 a.m. on Sunday and ending at 5:59 a.m. on the following Sunday.
- 7.01.02** Effective September 16, 2023, patrol deputies and corrections officers work a fourteen (14) day work period with a minimum of eighty-six (86) hours. Pay, as well as compensatory and additional time earned, will be calculated on this work period. (Amended and adopted by Commissioners' Court on September 12, 2023)
- 7.01.03** Employees are expected to report punctually for duty at the beginning of each assigned workday and to work the full work schedule established.
- 7.01.04** The Commissioners' Court determines the number of hours worked by an employee for the compensation to be received subject to laws governing pay and working hours and to the provisions of the budget.

7.02 SCHEDULE ADJUSTMENTS

- 7.02.01** Adjustments to the normal hours of operation may be made by the Elected Official or Commissioners' Court in order to better serve the public.
- 7.02.02** Offices may remain open during the noon hour, and lunch periods for some employees may be staggered according to specified requirements.

7.03 OVERTIME WORKED

- 7.03.01** The policy of the County is to keep overtime to a minimum. However, employees may be required to provide services in addition to normal hours or on weekends or holidays. Overtime is defined as hours worked in excess of the allowable number of hours under the Fair Labor Standards Act (FLSA): (forty (40) hours per seven (7) day work week or eighty-six (86) hours for employees on a fourteen (14) day work period). Under the FLSA, overtime applies only to employees who are not exempt from the Act's overtime provisions.
- 7.03.02** For employees with positions which are covered by the overtime provisions of the FLSA (non-exempt), overtime begins to accrue with the 41st hour worked during the seven (7) day work week or the 87th worked hour during the fourteen (14) day work period. All overtime for services by employees covered under FLSA must be authorized in advance by the employee's Department Head.

(Section 7.03 amended and adopted by Commissioners' Court on September 12, 2023, effective September 16, 2023)

7.04 EXEMPTIONS FROM FLSA (OVERTIME COMPENSATION)

- 7.04.01** Elected Officials and any positions determined by law and authorized by Commissioners' Court, are exempt from the overtime provisions of the Fair Labor Standards Act (FLSA) and are expected to render necessary and reasonable overtime services with no additional compensation. The salaries of these positions are established with this assumption in mind.
- 7.04.02** Exempt employees do not earn overtime, except in cases of emergencies or disaster as declared by state or County government and/or when adequate funds are in the budget and authorized by Commissioners' Court. When a state of emergency or disaster is declared and overtime is authorized by Commissioners' Court, exempt employees may earn overtime for services rendered for the County related to the declared emergency or in other circumstances when authorized by Commissioners' Court and will be compensated in the same manner as non-exempt employees. This policy will not waive the exempt status of these employees in the normal scope of business.

7.05 OVERTIME COMPENSATION

- 7.05.01** Non-exempt employees are compensated for overtime worked by being given (in order of use) equal time off within the same work schedule but before forty (40) hours are worked in the seven (7) day work week or eighty-six (86) hours for employees in a fourteen (14) day work period as described in Section 7.01:
1. Compensatory time off at one and one-half (1½) times the number of hours worked up to a maximum number of hours which may be accrued (240 compensatory hours for employees scheduled on a forty (40) hour work week or 480 compensatory hours for employees scheduled on a fourteen (14) day work period); or
 2. If authorized by the Department Head and authorized by the Commissioners' Court, payment at the rate of one and one-half (1½) times the employee's regular hourly rate if funds are available; or
 3. Compensatory time in excess of these limits will be paid at the employee's regular, straight-time rate of pay during the next pay period as authorized by the Commissioners' Court.
- 7.05.02** The County discourages time and one-half (1½) payment for overtime, which may only be authorized by Commissioners' Court if adequate funds are available in the budget. In addition, the County discourages the accumulation of compensatory time off for non-exempt employees at one and one-half (1½) times the number of hours worked because of the contingent liability this creates for the County. The preferable method for overtime compensation is to schedule equal time off for the affected employee during the same work schedule in which the overtime was worked.
- 7.05.03** Commissioners' Court approves overtime pay for County employees subject to County contracts wherein the employee works beyond a forty (40) hour work week and reimbursed by a third party.

(Section 7.05 amended and adopted by Commissioners' Court on September 12, 2023, effective September 16, 2023. Section 7.05.03 adopted May 14, 2024)

7.06 HOLIDAYS WORKED

- 7.06.01** The County's basic policy is that each regular full-time employee receives a specified number of paid holidays per year, as set forth in these policies. In most instances, if a regular full-time employee is required to work on a scheduled holiday, eight (8) hours off will be given preferably within the same work week or work period.
- 7.06.02** If a holiday falls on a full-time employee's scheduled day off, the employee will receive eight (8) hours holiday leave to be taken on another day approved by the Department Head. Holiday hours not used by regular full-time employees by the beginning of the County's fiscal year (October 1) in which it accrues, accumulates and is available for use in succeeding years up to a maximum allowable accumulation of twenty-four (24) hours.

7.07 LEAVE OR HOLIDAYS TAKEN AND OVERTIME

- 7.07.01** If a full-time employee who is subject to the overtime provisions of FLSA is required to work extra hours during a work week in which leave or holiday has been used, the leave time will not be counted towards the calculation of hours worked for overtime purposes and the leave or holiday time should be flexed in accordance with Section 7.05.01. Leave time may be counted towards hours worked for overtime purposes in the event of an emergency (safety or security) as determined by the Department Head and approved by Commissioners' Court.

Compensatory time taken may not be counted towards the calculation of hours worked.

- 7.07.02** For hours worked, as defined in the previous paragraph, over forty (40) hours during the seven (7) day work week or eighty-six (86) hours during the fourteen (14) day work period, the employee will be compensated in the order stated in Section 7.05.01.

(Section 7.07 amended and adopted by Commissioners' Court on September 12, 2023, effective September 16, 2023)

7.08 BREAKS

- 7.08.01** The Patient Protection and Affordable Care Act amended the Fair Labor Standards Act to require reasonable breaks for nursing mothers to express breast milk. The Texas Right to Express Breast Milk in the Workplace Act also imposes duties on public employers and, under other state law, is applicable for the duration of a nursing mother's need to express breast milk. The County supports the practice of expressing breast milk.
- 7.08.02** The County will provide reasonable paid breaks for a nursing mother to express breast milk. The nursing mother will be allowed whatever time is needed to express breast milk.
- 7.08.03** The County will provide the nursing mother with a private location, other than a bathroom. The location will be shielded from view and free from intrusion and appropriate for expressing breast milk. The specific location will be determined on a case-by-case basis.
- 7.08.04** The County does not allow any retaliation against a nursing mother for asking for this break. Nursing mothers are entitled to this break for the duration of the time they are expressing breast milk. A reasonable accommodation will be given for the needs of employees who express breast milk. An employee of the County who needs to express breast milk may not be discriminated against.

- 7.08.05** All other employee breaks are determined by each Official or department head and are not required to be given. If the department provides a break, it may not be accumulated or used for time off. The Fair Labor Standards Act does not require any breaks other than for a nursing mother; however, if paid breaks are provided for employees, a nursing mother must be given the same amount of paid break time.

7.09 TIME REPORTING

- 7.09.01** Employees will keep records of all hours worked and leave time taken, where appropriate. Forms and a system for this purpose are provided by the County.
- 7.09.02** Time records must be completed, verified, *and approved* by the employee *and supervisor*. Time worked must be recorded each day in order to maintain an accurate and comprehensive record of the actual time worked. Time records must be submitted to the County Treasurer's office by **10:00 a.m.** the first working day following the end of the pay period. If necessary, due to holidays, time records may need to be submitted prior to this date. Notification to employees will identify the date time records must be submitted.
- 7.09.03** Time records are governmental documents and as such require accurate and truthful information and are subject to Texas Penal Code 37.10.
- 7.09.04** The paycheck for each pay period will not be generated if a time record completed by the employee and authorized by the Official or Department Head is not submitted to the County Treasurer's office by **10:00 a.m.** the first working day following the end of the pay period. A paycheck for this pay period will be generated during the next scheduled pay period after the time record is received.

8.01 MEDICAL, LIFE, AND DENTAL INSURANCE

8.01.01 In accordance with the general procedures approved by the Commissioners' Court regular full-time employees who work a minimum of forty (40) hours per week are eligible for group medical, life, and dental insurance.

Additionally, classified employees working on average at least thirty (30) hours per week will be considered full-time for health insurance plan purposes and offered health insurance benefits in order to be in compliance with the provisions of the Patient Protection and Affordable Care Act.

20-24	75%
25-30	80%
31 or more	100%

The County's group insurance will be the primary insurance until a retiree is eligible for Medicare and will cease when a retiree becomes eligible for enrollment in both Medicare A and B. At that time, Medicare will become the primary insurance for the retiree.

If the employee has dependent coverage at retirement and wants to continue the coverage, the retiree will be responsible for one hundred percent (100%) of the premium for the dependent(s). The retiree shall pay all applicable portion(s) of the premium in advance by the established deadline.

- 8.01.06** All full-time County employees are encouraged to have a wellness examination each year. The County will pay up to the co-pay amount to the employee. It is important that good health be maintained, and the annual physical is a tool used to make sure employees are healthy.

- 8.02.02** Contributions are made through a payroll deduction of seven percent (7%) of an employee's gross salary. Contributions are deducted before income taxes are withheld, under Section 414 of the Internal Revenue Code. All contributions earn interest each year, based upon the balance as of January 1 of each year.
- 8.02.03** The County makes a similar contribution on the employee's behalf at the rate determined by the Texas County and District Retirement System each year.
- 8.02.04** All contributions made by the employee or the County to the TCDRS are subject to the rules and regulations adopted by the TCDRS. Additional and specific information is available in the TCDRS Information Handbook. Copies are available in the County Treasurer's office.

- 8.07.01** Regular full-time employees are eligible for longevity pay after completing twelve (12) full, continuous months of service. 8.08 SECTION 125/CAFETERIA PLAN

The County provides employees a "cafeteria plan" at the employee's option. The employee can choose to direct a portion of their salary to purchase one or more of qualified benefits. Qualified benefits for the County include unreimbursed medical, dependent care, medical/dental premiums, and orthodontics. Additional information is provided at initial employment and annually thereafter.

8.09 CONTINUATION OF GROUP INSURANCE (COBRA)

The federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA) provides individuals with the option of continuing group health and dental insurance coverage for both the employee and covered dependents, under specified conditions and at the individual's full expense, at such times the insurance would otherwise terminate (termination, death, divorce, age, etc.). - 9.03.08** Employees are encouraged to schedule vacations and request leave well in advance, and vacation schedules must accommodate the County's work schedule. Provided departmental workloads will permit, employees should be allowed to select desired vacation periods. - 9.04.05** Approval of sick leave for non-emergency medical, dental, or optical appointments must be secured at least one (1) day in advance. Employees must call the Department Head on each subsequent day they will be out on sick leave unless other arrangements are made.
- 9.04.06** Failure to provide the required notice may result in the employee's being placed on leave-without-pay status and could result in disciplinary action against the employee. Employees are expected to return to work as soon as they no longer need to take sick leave.

9.05 FAMILY AND MEDICAL LEAVE

9.05.01 GENERAL PROVISIONS

Under this policy, the County will grant up to twelve (12) weeks (or up to twenty-six (26) weeks of military caregiver leave to care for a covered service member with a serious injury or illness) during a twelve (12) month period to eligible employees. The leave may be paid, unpaid or a combination of paid and unpaid leave, depending on the circumstances of the leave and as specified in this policy.

To qualify to take family or medical leave under this policy, the employee must meet all the following conditions:

1. The employee must have worked for the County for twelve (12) months or fifty-two (52) weeks. The twelve (12) months or fifty-two (52) weeks need not have been consecutive. Separate periods of employment will be counted, provided that the break in service does not exceed seven (7) years. Separate periods of employment will be counted if the break in service exceeds seven (7) years due to National Guard or Reserve military service obligations or when there is a written agreement, including a collective bargaining agreement, stating the County's intention to rehire the employee after the service break. For eligibility purposes, an employee will be considered to have been employed for an entire week even if the employee was on the payroll for only part of a week or if the employee is on leave during the week.
2. The employee must have worked at least 1,250 hours during the twelve (12) month period immediately before the date when the leave is requested to commence. The principles established under the Fair Labor Standards Act (FLSA) determine the number of hours worked by an employee. The FLSA does not include time spent on paid or unpaid leave as hours worked. Consequently, these hours of leave should not be counted in determining the 1,250 hours eligibility test for an employee under FMLA.

3. The employee must work in a worksite where fifty (50) or more employees are employed by the County within seventy-five (75) miles of that office or worksite. The distance is to be calculated by using available transportation by the most direct route.

9.05.02 TYPE OF LEAVE COVERED

To qualify as FMLA leave under this policy, the employee must be taking leave for one of the reasons listed below:

1. the birth of a child and to care for that child; or
2. the placement of a child in the employee's home for adoption or foster care; or
3. to bond with a newborn or newly placed child; or
4. to care for a spouse, child (under the age of eighteen (18) or if over eighteen (18) incapable of self-care due to a disability), or parent with a serious health condition; or
5. the serious health condition of the employee that make the employee unable to perform the essential functions of their job; or
6. a qualifying exigency arising out of the fact that an employee's spouse, child or parent is a covered military member of the Armed Forces (Regular, Reserve or National Guard), deployed to a foreign country or has been notified of an impending call or order to active duty in a foreign country; or
7. to care for a covered service member (Regular, Reserve or National Guard) with a serious injury or illness if the employee is the spouse, child, parent or next of kin (nearest blood relative) of the service member; or
8. to care for a covered veteran who is undergoing medical treatment, recuperation or therapy, for a serious injury or illness and who was a member of the Armed Forces (Regular, Reserve or National Guard) at any time during the period of five (5) years preceding the date on which the veteran began that medical treatment, recuperation or therapy.

9.05.03 SERIOUS HEALTH CONDITION

Serious health condition is defined as a health condition that requires overnight inpatient care at a hospital, hospice, or residential care medical facility or continuing treatment by a health care provider.

A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:

1. A period of incapacity of more than three (3) consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
 - a) treatment two or more times within thirty (30) days of incapacity; or
 - b) treatment by a health care provider on at least one occasion within the first (1st) seven (7) days of incapacity that results in a regimen of continuing treatment by a health care provider.
2. Any period of incapacity due to pregnancy or pre-natal care.
3. Any period of incapacity or treatment due to a chronic serious health condition that requires periodic visits to a health care provider and continues over an extended period of time.
4. Any period of incapacity that is permanent or long term due to a condition for which treatment is not effective.
5. Any period of incapacity or absence to receive multiple treatments by a health care provider.

9.05.04 QUALIFYING EXIGENCY LEAVE

An eligible employee may be entitled to use up to twelve (12) weeks of their FMLA leave entitlement to address certain qualifying exigencies. Leave may be used if the employee's

spouse, child of any age or parent in the Armed Forces (Regular, Reserves or National Guard) is on active duty or called to active-duty status in a foreign country.

Qualifying exigencies may include:

1. short-notice deployment (up to seven (7) days of leave); or
2. attending certain military events and related activities; or
3. arranging for alternative childcare; or
4. addressing certain financial and legal arrangements; or
5. periods of rest and recuperation for the covered military member (up to fifteen days of leave); or
6. attending certain counseling sessions; or
7. attending post-deployment activities (available for up to 90 days after the termination of the covered military member's active-duty status); or
8. other activities arising out of the covered military member's active duty or call to active duty in a foreign country and agreed upon by the County and the employee; or
9. attending family support or assistance programs and informational briefings; or
10. acting as the covered military member's representative before a governmental agency;
11. addressing issues that arise from the death of a covered military member while on active-duty status in a foreign country; or
12. other activities arising out of the covered military member's active duty or call to active duty in a foreign country and agreed upon by the County and employee.

9.05.05 AMOUNT OF LEAVE

An eligible employee can take up to twelve (12) weeks for the FMLA circumstances (1) through (5) above under this policy during any twelve (12) month period. The County will measure the twelve (12) month period as a rolling twelve (12) month period measured backward from the date an employee uses any leave under this policy. Each time an employee takes leave, the County will compute the amount of leave the employee has taken under this policy in the last twelve (12) months and subtract it from the twelve (12) weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time.

An eligible employee can take up to twenty-six (26) weeks for the FMLA circumstance (6) above (military caregiver leave) during a single twelve (12) month period. For this military caregiver leave, the County will measure the twelve (12) month period as a rolling twelve (12) month period measured forward. FMLA leave already taken for other FMLA circumstances will be deducted from the total of twenty-six (26) weeks available.

A married couple who both work for the County and each wishes to take leave for the birth of a child, adoption, or placement of a child in foster care, bonding with a new child, or to care for a parent (but not a parent "in-law") with a serious health condition, may only take a combined total of twelve (12) weeks of leave. If spouses both work for the County and each wishes to take leave to care for a covered injured or ill service member, they may only take a combined total of twenty-six (26) weeks of leave.

9.05.06 EMPLOYEE STATUS AND BENEFITS DURING LEAVE

While an employee is on leave, the County will continue the employee's health benefits during the leave period at the same level and under the same conditions as if the employee had continued to work.

If the employee chooses not to return to work for reasons other than a continued serious health condition of the employee or the employee's family member or a circumstance beyond the

employee's control, the County will require the employee to reimburse the County the amount it paid for the employee's health insurance premium during the leave period.

If the employee pays a portion of the health care premium while on paid leave, the County will continue to make payroll deductions to collect the employee's share of the premium. While on unpaid leave, the employee must continue to make this payment, either in person or by mail. The payment must be received by the County Treasurer by the established deadline each month.

If the employee contributes to optional insurance plan(s) and/or other authorized deductions, the County will continue making payroll deductions while the employee is on paid leave. While the employee is on unpaid leave, the employee may request continuation of such benefits and pay the portion of the premiums. If the employee does not continue these payments, the County may discontinue coverage during the leave.

9.05.07 EMPLOYEE STATUS AFTER LEAVE

An employee who takes leave under this policy may be asked to provide a fitness for duty (FFD) clearance from the health care provider. This requirement will be included in the County's response to the FMLA request. Generally, an employee who takes FMLA leave will be able to return to the same position or a position with equivalent status, pay, benefits and other employment terms. The position will be the same or one which is virtually identical in terms of pay, benefits and working conditions. The County may choose to exempt certain key employees from this requirement and not return them to the same or similar position.

9.05.08 USE OF PAID AND UNPAID LEAVE

An employee who is taking FMLA leave because of the employee's own serious health condition, or the serious health condition of a family member must use all accrued leave prior to being eligible for unpaid leave. Accrued leave may be run concurrently with FMLA leave if the reason for the FMLA leave is covered by the established leave policy.

An employee who is using military FMLA leave for a qualifying exigency must use all accrued leave prior to being eligible for unpaid leave. An employee using FMLA military caregiver leave must also use all accrued leave prior to being eligible for unpaid leave.

9.05.09 INTERMITTENT LEAVE OR A REDUCED WORK SCHEDULE

The employee may take FMLA leave in twelve (12) consecutive weeks, may use the leave intermittently (take a day periodically when needed over the year) or, under certain circumstances, may use the leave to reduce the work week or workday, resulting in a reduced hour schedule. In all cases, the leave may not exceed a total of twelve (12) work weeks (or twenty-six (26) work weeks to care for an injured or ill service member over a twelve (12) month period).

The County may temporarily transfer an employee to an available alternative position with equivalent pay and benefits if the alternative position would better accommodate the intermittent or reduced schedule, in instances of when leave for the employee or employee's family member is foreseeable and for planned medical treatment, including recovery from a serious health condition or to care for a child after birth, or placement for adoption or foster care.

For the birth, bonding, adoption or foster care of a child, the County and the employee must mutually agree to the schedule before the employee may take the leave intermittently or work a reduced hour schedule. Leave for birth, bonding, adoption, or foster care of a child must be taken within one (1) year of the birth or placement of the child.

If the employee is taking leave for a serious health condition or because of the serious health condition of a family member, the employee should try to reach agreement with the County before

taking intermittent leave or working a reduced hour schedule. If this is not possible, then the employee must prove that the use of the leave is medically necessary.

9.05.10 CERTIFICATION FOR THE EMPLOYEE'S SERIOUS HEALTH CONDITION

The County will require certification for the employee's serious health condition. The employee must respond to such a request within fifteen (15) days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. Medical certification will be provided using the Department of Labor (DOL) Certification of Health Care Provider for Employee's Serious Health Condition.

The County may directly contact the employee's health care provider for verification or clarification purposes using a health care professional, an Administrative Services professional, leave administrator or management official. The County will not use the employee's direct supervisor for this contact. Before the County makes this direct contact with the health care provider, the employee will be given an opportunity to resolve any deficiencies in the medical certification. In compliance with HIPAA Medical Privacy Rules, the County will obtain the employee's permission for clarification of individually identifiable health information.

The County has the right to ask for a second opinion if it has reason to doubt the certification. The County will pay for the employee to get a certification from a second doctor, which the County will select. The County may deny FMLA leave to an employee who refuses to release relevant medical records to the health care provider designated to provide a second or third opinion. If necessary to resolve a conflict between the original certification and the second opinion, the County will require the opinion of a third doctor. The County and the employee will mutually select the third doctor, and the County will pay for the opinion. This third opinion will be considered final. The employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion.

9.05.11 CERTIFICATION FOR THE FAMILY MEMBER'S SERIOUS HEALTH CONDITION

The County will require certification for the family member's serious health condition. The employee must respond to such a request within fifteen (15) days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. Medical certification will be provided using the Department of Labor (DOL) Certification of Health Care Provider for Family Member's Serious Health Condition.

The County may directly contact the employee's family member's health care provider for verification or clarification purposes using a health care professional, an Administrative Services professional, leave administrator or management official. The County will not use the employee's direct supervisor for this contact. Before the County makes this direct contact with the health care provider, the employee will be given an opportunity to resolve any deficiencies in the medical certification. In compliance with HIPAA Medical Privacy Rules, the County will obtain the employee's family member's permission for clarification of individually identifiable health information.

The County has the right to ask for a second opinion if it has reason to doubt the certification. The County will pay for the employee's family member to get a certification from a second doctor, which the County will select. The County may deny FMLA leave to an employee whose family member refuses to release relevant medical records to the health care provider designated to provide a second or third opinion. If necessary to resolve a conflict between the original certification and the second opinion, the County will require the opinion of a third doctor. The County and the employee will mutually select the third doctor, and the County will pay for the opinion. This third opinion will be considered final. The employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion.

- 9.05.12 CERTIFICATION OF QUALIFYING EXIGENCY FOR MILITARY FAMILY LEAVE**
The County will require certification of the qualifying exigency for military family leave. The employee must respond to such a request within fifteen (15) days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the Department of Labor (DOL) Certification of Qualifying Exigency for Military Family Leave.
- 9.05.13 CERTIFICATION FOR SERIOUS INJURY OR ILLNESS OF COVERED SERVICE MEMBER FOR MILITARY FAMILY LEAVE**
The County will require certification for the serious injury or illness of the covered service member. The employee must respond to such a request within fifteen (15) days of the request or provide a reasonable explanation for the delay. Failure to provide certification may result in a denial of continuation of leave. This certification will be provided using the Department of Labor (DOL) Certification for Serious Injury or Illness of Covered Service member.
- 9.05.14 RECERTIFICATION**
The County may request recertification for the serious health condition of the employee or the employee's family member no more frequently than every thirty (30) days and only when circumstances have changed significantly, or if the County receives information casting doubt on the reason given for the absence, or if the employee seeks an extension of leave. Otherwise, the County may request recertification for the serious health condition of the employee or the employee's family member every six (6) months in connection with an FMLA absence. The County may provide the employee's health care provider with the employee's attendance records and ask whether need for leave is consistent with the employee's serious health condition.
- 9.05.15 PROCEDURE FOR REQUESTING FMLA LEAVE**
All employees requesting FMLA leave must provide verbal or written notice of the need for the leave to County Treasurer. Within five (5) business days after the employee has provided this notice, the County Treasurer will complete and provide the employee with the Department of Labor (DOL) Notice of Eligibility and Rights.
- When the need for the leave is foreseeable, the employee must provide the County with at least thirty (30) days' notice. When an employee becomes aware of a need for FMLA leave less than thirty (30) days in advance, the employee must provide notice of the need for the leave either the same day or the next business day. When the need for FMLA leave is not foreseeable, the employee must comply with the County's usual and customary notice and procedural requirements for requesting leave, absent unusual circumstances.
- 9.05.16 DESIGNATION OF FMLA LEAVE**
Within five (5) business days after the employee has submitted the appropriate certification form, the County Treasurer will complete and provide the employee with a written response to the employee's request for FMLA leave using the Department of Labor (DOL) Designation Notice.
- 9.05.17 INTENT TO RETURN TO WORK FROM FMLA LEAVE**

When this happens, either because of severe weather conditions or other emergencies, the County Judge is responsible for initiating the closing.
- 9.12.02** Employees are to contact the supervisor and obtain information concerning closures through the County website (<http://www.co.jackson.tx.us>), social media, or local forums of the media (radio and television stations). However, each Elected Official controls the working hours of their employees, even in an emergency situation.
- 9.12.03** Many County departments are continuous-operating public safety and service departments. Many County personnel will be required to work during emergency closings. Each Official or Department Head is responsible for designating their own employees and providing alternate information to personnel designated as essential during emergency closings. 9.13 LEAVE OF ABSENCE WITHOUT PAY

- 9.13.01** Leave of absence without pay is an approved absence from duty in a non-pay status for non-medical reasons. Extensions of leave shall be authorized by the Department Head and the Commissioners' Court in no more than one (1) month intervals.

Approval of the leave must be documented, with a copy of the documentation placed in the employee's personnel file in the County Treasurer's Office. Employees on leave of absence without pay receive no compensation and accrue no benefits, holidays, vacation or sick leave. - 9.13.05** An employee on leave without pay must contact the appropriate County Department Head at least monthly to report on status. Failure to provide required status reports or to contact the office on the schedule required by the Department Head is grounds for revoking the leave and for taking disciplinary action.
- 9.13.06** A summary of the basis for the decision to grant or deny an unpaid leave of absence and the terms of the leave must be prepared by the Department Head, or designee, and placed in the employee's personnel file in the Treasurer's Office.
- 9.13.07** Upon returning to work after an authorized leave of absence without pay, an employee receives an adjusted employment date and adjusted anniversary date which reflect the period of time that the employee used for the leave of absence. This adjusted date will be used for the purpose of calculating vacation leave accrual and other benefits that may be based on longevity.

- 9.15.03** An eligible employee will continue to be eligible for all employment benefits and compensation, including leave accrual, pension benefits, health benefit plan benefits for the duration of the leave.
- An eligible, County-employed detention or peace officer's sick, vacation, holiday, or other paid leave balance may not be reduced in connection with paid quarantine leave taken in accordance with a policy adopted pursuant to Chapter 180.008 of the Local Government Code.

10.00 PROGRESSIVE DISCIPLINE

10.01 CORRECTIVE ACTION

The County's objective is to establish and maintain standards of employee conduct and supervisory practices that will, in the interest of the County and its employees, support and promote effective County operations. Such supervisory practices include administering corrective action when employee conduct or performance problems arise. Major elements of this policy include:

1. Constructive effort by the supervisor to help employees achieve full satisfactory standards of conduct and job performance.
2. Correcting employee shortcomings or negative behavior to the extent required.
3. Notice to the employees through communicating this policy that discharge will result from continued or gross violation of employee standards of conduct or unsatisfactory job performance.
4. Written documentation of disciplinary warnings given, and corrective action taken.
5. Documentation of corrective action will become part of the employee's personnel record.

10.02 OPTIONS FOR CORRECTIVE ACTION

10.02.01 Depending on the facts and circumstances involved in each situation, the Official, Department Head or supervisor may choose to begin corrective action at any step, up to and including a recommendation for immediate dismissal.

1. **Oral Warning** - For infractions the County deems to be minor, the employee should at a minimum be issued an oral warning. If the situation does not improve within a reasonable time as determined by the Official, Department Head or supervisor, the measure may be repeated, or a more serious option implemented.
2. **Written Warning** - For repeated minor infractions, or a more substantial infraction, the employee should at a minimum be issued a written warning notice. If the situation does not improve immediately and is not sustained, steps may be taken up to and including termination of employment.

The written warning should be prepared following a corrective action discussion with the employee. The written warning should include:

- a) The policy or rule violated or a description of the unacceptable behavior; and
 - b) Date(s), time(s) and location(s) of the offense; and
 - c) The facts surrounding the incident; and
 - d) Specific actions the employee must take to correct the matter; and
 - e) The time frame (if applicable); and
 - f) The consequences if not corrected. The employee will be given an opportunity to comment in writing and should be asked to sign the notice, acknowledging the receipt. Failure by the employee to sign the written warning form does not remove the disciplinary action.
3. **Suspension** - In certain instances, it is appropriate for employees to be suspended. These instances could include but are not limited to:
 - a) Prior to terminating an employee for performance related issues.

- b) Events compel a supervisor to take immediate action when discharge appears possible, pending an investigation. During a suspension the employee will be required to leave County premises immediately. A suspension/investigation will last no longer than three (3) days, except in highly unusual circumstances.
 - c) Suspension may be with or without pay at the discretion of the Department Head.
4. **Termination** - For infractions management deems to be sufficiently serious, or continued failure to respond appropriately to prior corrective action, termination of employment is appropriate.

10.02.02 The County Treasurer's Office must be notified **immediately** of all suspensions and terminations.

Additional information regarding this requirement is available in the County Treasurer's office.

County's efforts to reasonably accommodate the employee will be conducted in accordance with applicable law.

21.00 FRAUD PREVENTION AND DETECTION

21.01 PURPOSE

The County is committed to preventing fraud. All County employees must share in this commitment. County employees, especially supervisors and Department Heads/Elected Officials, must be aware of the circumstances, or "red flags", which lead to fraud. For the purpose of this administrative procedure, fraud and intentional waste are referred to as "fraud". This procedure applies to all County employees.

21.02 BACKGROUND

21.02.01 Studies have shown that "red flags" of fraud within an organization were ignored by the organization in almost fifty percent (50%) of the frauds reported. "Downsizing" and repositioning within an organization increases the risk of fraud. Internal controls are the best method of preventing fraud. Poorly written or poorly enforced internal controls allow most fraud to occur.

21.02.02 Fraud occurs for the following reasons (note: there were multiple reasons in some cases):

1. Poor internal controls
2. Management override of internal controls
3. Type of organization (industry with high risk of fraud)
4. Collusion between employees and third parties
5. Poor or non-existent company ethical standards
6. Lack of control over managers by their supervisors

21.02.03 The most frequently cited "red flags" of fraud are:

1. Changes in an employee's lifestyle, spending habits or behavior.
2. Poorly written or poorly enforced internal controls, procedures, policies or security.
3. Irregular/unexplained variances in financial information.
4. Inventory shortages.
5. Failure to take action on results of internal/external audits or reviews.
6. Unusually high expenses or purchases.
7. Frequent complaints from customers.
8. Missing files.
9. Ignored employee comments concerning possible fraud.

21.02.04 Perpetrators of fraud typically live beyond their reasonably available means. Other indicators of fraud include the borrowing of small amounts of money from co-workers, collectors or creditors appearing at the place of business, excessive use of telephone to stall creditors, falsifying records, refusing to leave custody of records during the day, working excessive overtime, refusing vacations, and excessively rewriting records under the guise of neatness.

21.02.05 The following internal controls help prevent fraud:

1. Adherence to all organizational procedures, especially those concerning documentation and authorization of transactions.
2. Physical security over assets such as locking doors and restricting access to certain areas.
3. Proper training of employees.
4. Independent review and monitoring of tasks.
5. Separation of duties so that no one (1) employee is responsible for a transaction from start to finish.
6. Clear lines of authority.
7. Conflict of interest statements which are enforced.
8. Rotation of duties in positions more susceptible to fraud.
9. Ensuring that employees take regular vacations.
10. Regular independent audits of areas susceptible to fraud.

21.03 DEFINITIONS

21.03.01 Fraud - Theft, intentional waste or abuse of County funds, property or time. Specific examples of fraud include but are not limited to:

1. Theft of County funds.

8. Forgery or alteration of a check, bank draft or any other financial document.

Failure to report suspected fraud could result in disciplinary action or possibly termination.

21.04.04 Internal Audit - Upon notification or discovery of a suspected fraud, the County Auditor will promptly coordinate investigation of possible fraud with the Criminal District Attorney.

21.05 PROCEDURES

21.05.01 Record Security - A successful audit/investigation can only be performed if the documentation relating to an alleged fraud is available for review in its original form. Therefore, once a suspected fraud is reported, the Department Head/Elected Official and supervisor shall take immediate action to prevent the theft, alteration, or destruction of relevant records. Such actions include but are not necessarily limited to removing the records and placing them in a secure location; limiting access to the location where the records currently exist; and preventing the individual suspected of committing the fraud from having access to the records. The records must be adequately secured until the County Auditor and/or the Criminal District Attorney obtain the records to begin the audit/investigation.

21.05.02 Contacts/Protocols - After an initial review and a determination that the suspected fraud warrants additional investigation, the County Auditor will notify the Commissioners' Court, the County Treasurer, and the Criminal District Attorney of the allegations. The County Auditor shall coordinate the financial review and shall report its investigative findings as described below. The Criminal District Attorney shall coordinate the investigation with the appropriate law enforcement officials and shall report its investigative findings as described below.

21.05.03 Confidentiality - All participants in a fraud investigation shall keep the details and results of the investigation confidential except as expressly provided in this administrative procedure. However, County Auditor and Criminal District Attorney may discuss the investigation with any person if such discussion would further the investigation.

- 21.05.04** Personnel Actions - If a suspicion of fraud is substantiated by the audit investigation, disciplinary action shall be taken in conformance with the County's Personnel Policies and Procedures. A false and vindictive allegation of fraud is a violation of this administrative procedure. All violations of this administrative procedure, including violations of the confidentiality provisions, shall result in disciplinary actions up to and including termination.
- 21.05.05** Retaliation - It is a violation of this administrative procedure for any individual to be discriminated against for reporting fraud or for cooperating, giving testimony, or participating in an audit investigation, proceeding, or hearing. Such individual falls under the protection of the Whistle Blower Act.
- 21.05.06** Media Issues - If the media becomes aware of an audit investigation, the appropriate supervisor or Department Head/Elected Official shall refer the media to Criminal District Attorney. The alleged fraud and audit investigation shall not be discussed with the media other than through the Criminal District Attorney's Office.

21.06 DISPOSITION OF INVESTIGATION

- 21.06.01** At the conclusion of the audit/investigation, the County Auditor and Criminal District Attorney's Office will document the results in a confidential memorandum report to the Commissioners' Court, with a copy to the appropriate Department Head/Elected Official. If the report concludes that the allegations are founded, the report will be copied to the Treasurer.
- 21.06.02** If the fraud has resulted in County property loss, the County Auditor shall report such loss to the Commissioners' Court. The Criminal District Attorney or designated legal counsel shall initiate criminal proceedings, if applicable, and seek restitution for any property loss.
- 21.06.03** Upon completion of the audit investigation and all legal and personnel actions, records will be returned by the investigative offices to the appropriate department.

22.00 AFFORDABLE CARE ACT MEASUREMENT PERIODS

22.01 NEW EMPLOYEE DEFINITIONS

New employees fall into several categories:

1. Reasonably expected to work full-time at hire date (do not need to measure)
2. Reasonably expected not to work full-time at hire date (measure)
3. Seasonal employees at hire date (measure)
4. Variable hours employees at hire date (measure)

22.02 NEW HIRES

22.02.01 INITIAL MEASUREMENT PERIOD (IMP)

The Initial Measurement Period is the period that an employer chooses to apply to new hires. This period is used to determine whether newly hired variable hour and seasonal employees are eligible for health insurance. The Initial Measurement Period and the Initial Administrative Period combined may not extend beyond thirteen (13) months and a fractional month.

The Initial Measurement Period begins on a new non-full-time employee's hire date and will end twelve (12) months later.

22.02.02 INITIAL ADMINISTRATIVE PERIOD (IAP)

The Initial Administrative Period is the period during which the County performs measurement and determines whether health care coverage should be offered. This period begins immediately following the end of the Initial Measurement Period and ends immediately before the start of the Initial Stability Period (ISP).

The Initial Administrative Period begins immediately following the end of the Initial Measurement Period and ends immediately before the start of the Initial Stability Period but is no longer than one (1) month plus a fractional month. During this period, the County will determine if the employee is eligible for health care coverage (paid an average of thirty (30) or more hours during their IMP). If eligible, the employee must be offered health care coverage.

22.02.03 INITIAL STABILITY PERIOD

The Initial Stability Period is the period lasting twelve (12) months during which the employee is either:

1. Considered health insurance eligible and must be offered coverage; or
2. Is not considered eligible and coverage need not be offered.

For new variable hour and seasonal employees, the ISP must begin after their IMP and any IAP. For those determined to be eligible, their ISP must be the same length as the Standard Stability Period.

The Initial Stability Period for the County is twelve (12) months beginning immediately after the Initial Administrative Period ends.

22.03 ONGOING EMPLOYEES

22.03.01 An ongoing employee is one who has been employed for at least one (1) complete Standard Measurement Period.

STANDARD MEASUREMENT PERIOD (SMP)

The Standard Measurement Period is the period used for ongoing employees. This period is used to determine whether variable hour and seasonal employees are eligible for health insurance coverage.

The Standard Measurement Period for the County begins September 1 each year and will end August 31 the following year.

22.03.02 **STANDARD ADMINISTRATIVE PERIOD (SAP)**

The Standard Administrative Period is the period during which the County performs measurement and determines whether health care coverage should be offered. This period begins immediately following the Standard Measurement Period and ends immediately before the Standard Stability Period.

The Standard Administrative Period begins September 1 each year and will end September 30. During this period, the County will determine if the employee is eligible for health care coverage (paid an average of thirty (30) or more hours during the SMP). If eligible, the employee must be offered health care coverage.

22.03.03 **STANDARD STABILITY PERIOD (SSP)**

If it is determined that an employee averaged at least thirty (30) hours per week during the SMP, the employee is eligible for health insurance coverage and must be offered participation during the subsequent Standard Stability Period. If an employee accepts the health care coverage, the Standard Stability Period is twelve (12) months beginning immediately after the Standard Administrative Period ends regardless of the employee's number of hours of service during the SSP.

The Standard Stability Period for the County begins October 1 each year and ends September 30. For example, if during the SAP it is determined that a variable hour employee is paid an average of thirty (30) hours or more per week during their SMP, then that employee is eligible and must be offered health care coverage. If the employee accepts the health care coverage, then their coverage begins October 1 and will end September 30 (their SSP) unless they continue to be paid an average of thirty (30) hours or more per week during their next Standard Measurement Period, in which case, the employee must be offered health care coverage again.
