Public Hearing to consider the petition for the creation of a district to be named Jackson County Emergency Services District No. 3

Public hearing began at 9:00am. Howard Katz, attorney, addressed the Court on behalf of the Jackson County Emergency Services District No. 3. The following citizens also addressed the Court: Nick Strauss (speaking on behalf of his boss, Buster Chase), Ronald Kubecka, Terry Jordan, Kelvin Morton, DJ Bell, Jonathan Matocha, Michelle Darilek. The hearing closed at 9:29 am. Consider petition for the creation of Jackson County Emergency Services District No. 3;

calling an election and finding and stating other matters generally relating hereto

Comm. Bubela Michelle Darilek, Auditor, and Judge Simons expressed concerns with feasibility should the City of Edna opt out of the District. Kurt Janica and Howard Katz spoke on behalf of the Emergency Services District No. 3. Judge Simons read through each of the findings, and noted that the petition was in due form, was properly executed and was duly presented to the Commissioners' Court of Jackson County, Texas and that Notice of hearing on the Petition was given in the time and in the manner provided by law.

A motion was made by Comm. Hunt, seconded by Comm. Belicek finding that the creation of Jackson County Emergency Services District No. 3, with the boundaries hereinafter fixed by the Court, is feasible and will benefit the territory in the district, will promote the public safety, welfare, health and convenience of persons residing in the proposed district, and will protect life and health in the proposed district. Motion carried.

A motion was made by Comm. Bubela, seconded by Comm. Hunt finding that the creation of the proposed Jackson County Emergency Services District No. 3 complies with Section 775.020 and 775.0205 and does not overlap with the boundaries of any existing emergency services district providing fire prevention, suppression and extinguishment, emergency medical services (EMS) hazardous material incident responses, and EMS first responder and rescue services. Motion carried.

A motion was made by Comm. Deyton, seconded by Comm. Hunt finding that the boundaries of the district, as set forth in Exhibit A, are hereby fixed. Motion carried.

Judge Simons advised the Court that the City of Edna has voted for inclusion within the district. Therefore finding that the district would include territory in the municipal corporate boundaries and extraterritorial jurisdiction of Edna, Texas, where the municipality has consented to the inclusion of the corporate boundaries and extraterritorial jurisdiction of the municipality in the proposed district.

A motion was made by Comm. Hunt, seconded by Comm. Belicek finding that the creation of the district of the district would not be feasible and it would not benefit the territory in the district or secure the public safety, welfare and convenience if the corporate boundaries and extraterritorial jurisdiction of Edna, Texas are excluded from the district. Motion carried.

A motion was made by Comm. Deyton, seconded by Comm. Bubela based on the findings, to order the election for May 11, 2013 with the following item on the ballot "Confirmation of the creation of Jackson County Emergency Services District No. 3 and the levy by the District of a tax not to exceed ten (10) cents on the one hundred dollars (\$100.00) of valuation".
