The infographic is a teal-colored graphic divided into two columns. The left column is titled 'OPEN' with a large green checkmark. Below the title, it lists various business categories that are permitted to open at up to 25% occupancy. The right column is titled 'CLOSED' with a large red 'X' over the word. Below the title, it lists business categories that are prohibited from opening. At the bottom of the infographic, there are illustrations of a clothing store, a restaurant, a bowling alley, and a barbershop. The footer contains the website and Facebook page information.
