Septic Permitting Process

- Applications are available in the office of the Goliad County Judge or at <http://www.co.goliad.tx.us/page/goliad.EnvironmentalDept>.
- A licensed site evaluator should perform the mandatory soil identification procedure.
- The appropriate individual should prepare the planning materials. A professional design (R.S. or D.E.) is required for proprietary and non-standard systems.
- Submit the completed application and technical information sheet to the office of the Goliad County Judge (in property owners name). The documentation should include:
 - Appropriate fee payment
 - One (1) copy of the application form
 - One (1) copy each of the following
 - Planning materials
 - Site and soil evaluation
 - Accurate directions to the site where the system will be installed.

The Environmental Services Department will not be able to make copies; please gather the needed copies prior to taking them to the office.

- Plans and application will be reviewed by the County Environmental Services Officer. Non-standard system plans may also be reviewed by the Texas Commission on Environmental Quality staff in Austin.
- After approval by the County Environmental Services Officer, an Authorization to Construct will be issued. This authorization is valid for one year from the date of issuance.
- After construction commences, an inspection of the installation is required before covering. Contact the office of the Goliad County Environmental Office at least three (3) business/working days in advance to arrange for an inspection.
- After a successful inspection, a Notice of Approval will be issued to the owner withing approximately five (5) business/working days.
- If a re-inspection is required, there will be an additional fee of \$150 per residential site and \$200 per commercial site.

Fees

- Single-family residential site: \$300.00
- Residential site re-inspection \$150.00
- Commercial site \$400.00
- Commercial site re-inspection \$200.00

Note: All fees shall be paid by personal check, cashier's check, or money order, and should be made payable to Goliad County Environmental Service Department. No cash or credit card payments will be accepted.
