| <input type="checkbox"/> FIRE SPRINKLER | | |

Details regarding the above request must be provided when application is made and whenever requested by the Fire Marshal. It is the applicant's responsibility to ensure that conditions are in accordance with applicable codes and regulations. No work is to commence until plans are approved and a permit is issued. Violation of work without a permit can result in the issuance of a fine, permit revocation or both. Approved drawing, plans, and or details must always remain present at the location of the project.
