The furnishing of the above listed insurance coverage must be tendered prior to execution of the Agreement. The Contractor shall not cause or allow any of its required insurance to be canceled, nor permit any insurance to lapse during the term of the Agreement or as required in the Agreement. If the Contractor fails to obtain, maintain, or renew any insurance required by this Agreement, the Owner may, among other remedies available hereunder or at law, obtain insurance coverage directly and recover the cost of that insurance from the Contractor or declare this Agreement terminated if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner.

The Owner reserves the right to review the insurance requirements set forth in this Article during the effective period of the Agreement and to make reasonable adjustments to the insurance coverage and their limits when deemed necessary and prudent by the Owner based upon changes in statutory law, court decisions, or the claims history of the industry as well as the Contractor.

The Owner shall be entitled, upon request, and without expense, to receive complete copies of the policies with all endorsements and may make any reasonable requests for deletion, or revision or modification of particular policy terms, conditions, limitations, or exclusions, except where policy provisions are established by law or regulation binding upon the Parties or the underwriter of any of such policies. Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

APPENDIX C

COOKE COUNTY CONFLICT OF INTEREST STATEMENT

INSTRUCTIONS FOR CONFLICTS OF INTEREST QUESTIONNAIRE

H.B. 914, passed during the 2005 Texas legislative session, as amended by H.B. 1491 passed in 2007, requires certain persons who wish to conduct business or be considered for business with a County to file a “conflict of interest questionnaire.” The Texas Ethics Commission (TEC) created the conflict of interest questionnaire (FORM CIQ). These laws are codified in Chap. 176 of the Texas Local Government Code.

What vendors/persons are subject to Chapter 176?

The word “person” includes a partnership, corporation or other corporate body, including those performing professional services. Such partnerships or corporations act through individuals, but it is the partnership or corporation that would be seeking to do business with the County.

- Any “person” who contracts or seeks to contract for the sale or purchase of property, goods, or services with a local governmental entity.
- An agent of a person who contracts or seeks to contract for the sale or purchase of property, goods, or services with a local governmental entity.
- A vendor shall file a completed conflict of interest questionnaire if the person has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with an officer of that local governmental entity, or a family member of the officer that results in taxable income exceeding \$2,500 during the 12-month period preceding the date a contract is executed or a contract is being considered; or

(2) has given an officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value of more than \$250 in the 12-month period preceding the date a contract is executed or a contract is being considered.

What triggers the requirement to file a “conflict of interest questionnaire”?

When a person begins (1) contract discussions or negotiations with the County or (2) submits an application, response to request for proposals or Proposals, correspondence, or writing related to a potential agreement, Form CIQ must be completed. Whether the person initiates the discussion or the County initiates the discussions, Form CIQ must be completed. Even if the vendor has no affiliation or business relationship with an officer or employee of the County, Form CIQ must be completed and submitted.

To what type of contracts does the bill apply?

Any written contract and any implied contract, such as purchase orders, procurement card purchases, utility purchases, or any exchange of money or other consideration for some service or property. The monetary amount or value of the contract/purchase does not matter.

When must a vendor file the conflict of interest questionnaire?

No later than seven days after the date the person: (a) begins contract discussions or negotiations with the County, or (b) submits an application or response to a request for proposals or Proposals, correspondence, or another writing related to a potential agreement

with a County, or (c) becomes aware of an employment relationship with a local government officer or family member of the officer, or (d) becomes aware of a qualifying gift.

What has to be revealed?

Section 176.006 requires disclosure of a person's employment or business relationships. This includes each employment or business relationship with a corporation or other business entity with respect to which a local government officer services as an officer or director or holds an ownership interest of 10% or more.

How do I go about filling out the Conflict of Interest Questionnaire form?

Each number below corresponds with the number on FORM CIQ:

1. Fill in the full name of the person who is trying to do business with the County. If the person is a corporation, partnership, etc., then it is the name of that corporation, partnership, etc., that is required on Form CIQ.
2. Check box if the form is an update to a form previously completed. Updates are required by the 7th business day after an event that makes a statement in a previously filed questionnaire incomplete or inaccurate. Updates are also required by September 1 of each year in which the person submits a proposal, Proposal or response to the County of Cooke or begins contract discussions or negotiations with the County.
3. Complete this Section by listing the name of the local government officer (member of County Council or County Manager) with whom there is an affiliation to or business relationship with and you checked the "Yes" box in Section 3 A, B, or C.

If there is more than one local government officer (County Council or County Manager) with whom there is an affiliation or business relationship, more than one page two may be needed to provide information on each local government officer.

4. State whether the local government officer named on the form receives or is likely to receive taxable income, other than investment income, from the vendor filing the questionnaire.
5. State whether the filer receives or is likely to receive taxable income, other than investment income, from or at the direction of the local government officer named on the form AND the taxable income is not received from the local governmental entity.
6. State whether the filer is employed by a corporation or other business entity with which the local government officer serves as an officer or director or holds an ownership interest of 10% or more.
7. Describe each employment or business relationship with the local government officer named on the form.
8. Signature box. Person completing form must date and sign the form. If the form is being completed for a corporation, partnerships, etc., the person signing should be someone who is authorized to act on behalf of the corporation, partnership, etc.

A signature is required in box #4 regardless of any other entry on the form. A copy of Chapter 176 of the Texas Local Government Code can be found at:

CERTIFICATE OF INTERESTED PARTIES

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added [section 2252.908 of the Government Code](#). The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million, or (3) is for services that would require a person to register as a lobbyist under Chapter 305 of the Government Code. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission was required to adopt rules necessary to implement that law, prescribe the disclosure of interested parties form, and post a copy of the form on the commission's website. The commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The commission also adopted new rules (Chapter 46) on November 30, 2015, to implement the law. The commission does not have any additional authority to enforce or interpret House Bill 1295.

The successful bidder will be required to submit a signed 1295 form to the County prior to the award of this bid and/or prior to signing a contract with the County. The successful bidder will be required to complete and print the form via the Texas Ethics Commission's website at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

The "identification number" to be used on the 1295 form for this procurement is:
