**RFP 24-05  
Debris Monitoring  
Addendum #2  
July 11, 2024**

This addendum is to answer questions asked by potential responders for the above RFP.

1. We request the removal of the performance and payment bond requirement for Cooke County's Debris Monitoring proposal.

  - Payment and Performance bonds will only be required if vendor is awarded the contract. The price of the bonds, however, can be included in the submittals response. Therefore, Cooke County will require a Payment and Performance Bond from the successful submitter.

Please continue to check our website for any additional addendums.
