

PEWITT CISD

PEWITT CONSOLIDATED INDEPENDENT SCHOOL DISTRICT
P.O. Box 1106 - Omaha, TX 75571-1106

March 18, 2020

Brahma Family,

Considering President Trump's address on March 16, 2020, Pewitt CISD will remain closed until Wednesday, April 1, 2020. This closure will include all school related activities.

As of now, classes will resume at 7:50 am on April 1, 2020!

Our administration team is in the process of forming a plan so that our students are able to learn from home. We will also offer breakfast and lunch during emergency closure to all Pewitt CISD students.

In order for our staff members time to prepare for our plan of action during the closure, while not taking away their much needed Spring Break this week, we will not implement our plan until Wednesday, March 25. This will allow the necessary time on Monday and Tuesday to contact our families and begin planning alternate lessons.

It is a real possibility that a much longer closure could be looming. We will continue to remain in constant contact with TEA, as well as monitor information from the CDC, DSHS, State of Texas and U.S. Government.

There will be many questions that you may have as we navigate these uncharted waters: GPA, graduation, prom, sports, remote learning, returning to school and so many more. The good news is that we are not alone, and our area educators are working together constantly to share ideas and research the best possible situations for our students. My promise to you is that I will do everything in my power to make sure our students continue to receive our best. It will look a little different and it won't be easy, but we've got this. We have THE GREATEST staff, students, parents, and community and there is no doubt this will make us even stronger.

Parents, thank you for your patience and support during this time. We are forging a new type of partnership and it is going to require us working together like we never have before.

Students, please know that we are thinking about you and working hard to do what is best. We know many of you are disappointed that events have been postponed and your life interrupted. Please take this time to read, research, and help your family. This is hard for them as well.

You will receive more information very soon about a more specific learning plan for your student as well as breakfast and lunch pick up times and locations.

Brahma proud,

Melissa Reid, Pewitt CISD Superintendent
