Printed Name	Homeowner's Signature
Homeowner:	?
Failure to renew the Homeowner Maintenance Contract OR inspections not submitted will terminate my Homeowner Certification and I will be required to hire a Maintenance Provider	
	ARNING!!
Finally, I understand that as the homeowner, I am respo by law. $ \\$	nsible for adding chlorine to the system as need and as required
I further understand that inspections and reporting, at a minimum, must meet all requirements as set by the On-Site Sewage Facility (OSSF) Order of Polk County and Title 30, TAC, Chapter 285, On-Site Sewage Facilities as well as the inspection requirements outlined by the manufacturer for the brand of system being inspected. Any additional repairs, inspections or service to my aerobic treatment on-site sewage facility will require a report submitted to the Designated Representative for Polk County.  Inspections will include: An effluent quality inspection consisting of a visual check for color and examination for odor, sludge testing on all tanks, check chlorine at each inspection. Pumping of tanks and servicing of any mechanical and electrical components must be made by a Maintenance Provider. If any improper operation is observed which cannot be corrected at that time, the Permit Department shall be notified by call our office - 936-327-6820 x 1.
