Hardin County Commissioners Court will conduct a Workshop District during its Regular Meeting on November 12, 2024, concerning a request by Hardin County Appraisal District to co-locate a new office building for the Central Appraisal District on property owned by Hardin County. During the Regular Meeting on October 22, 2024, the HCAD Board Chairman, Mr. John Landis, and the Chief Appraiser, Mr. Karl Keller, appeared before the Commissioners Court requesting that we consider the property where the Old Hospital / Annex building is located at 440 W Monroe Street, Kountze, which is scheduled for demolition to commence on or about December 1, 2024.

Over the past 5-7 years, the Commissioners Court has discussed intent to sell the property located at 440 W Monroe Street. However, there have been discussions outside of Commissioners Court about the possibility of a desire to retain the property for a possible future Criminal Justice Center, future Courthouse, and/or other possible future needs of County Government.

Therefore, the decision was made to set this Workshop for November 12, 2024, at 10:00AM whereby we can ensure all who may be interested in participating in a discussion on this matter can receive notice to attend and provide input before any final action is considered by the Court.

Please attend this meeting if you are interested in participating in this Workshop.
