March 13, 2025

Blanco County Sheriff, Don Jackson Blanco County Law Enforcement Center P O Box 365 Johnson City, TX 78636

This letter is to document the performance of an annual audit of the Inmate Trust and Blanco County Inmate Commissary for fiscal year 2023-2024.

State law allows the Sheriff of a county to operate a jail commissary for the use of the prisoners in the jail. The law also gives the Sheriff exclusive control over the money generated by commissary operations and it establishes rules for the operation of the commissary. Texas Local Government Code 351.0415 establishes the standards.

Specific procedures were designed and performed to verify the correctness of the accounts including review of bank statements, inmate activity – including both deposits and disbursements, invoices paid from Inmate Trust and calculations of commission to Blanco County. Blanco County utilizes a third-party vendor to facilitate the majority of the activity within the Inmate Commissary. The Inmate Trust is maintained by the Blanco County Treasurer and all County purchasing policies are followed in the administration of this account.

All bank statements and Inmate Trust activity were reviewed for unusual or extraordinary items. The month of June 2024 was selected for detail testing. No issues were noted during our review to indicate that inmate accounts would be misstated or that the Inmate Trust is not in compliance with Texas Local Government Code 351.0415.

I appreciate the cooperation received by your staff during the review. Please feel free to contact me with any questions or concerns. A copy of this will be forwarded to Texas Commission on Jail Standards and the Blanco County Commissioners' Court.
