On or before December 31, 2015, OWNER shall substantially complete all Improvements. Notwithstanding the foregoing deadlines, OWNER shall have such additional time to satisfy the obligations contained in this Paragraph 2.2 as may reasonably be required in the event of Force Majeure if OWNER is diligently and faithfully pursuing satisfaction of the applicable obligation. The date of substantial completion of the Improvements shall be defined as the date a Certificate of Occupancy is issued by the CITY.

2.3 As good and valuable consideration for this Agreement, OWNER agrees and covenants that it will diligently and faithfully pursue the completion of the Improvements in a good and workmanlike manner. OWNER further covenants and agrees that all construction of the Improvements and use of the Property will be in accordance with all applicable State and local laws, codes, and regulations (or valid waiver thereof).

2.4 OWNER further agrees that the COUNTY, its agents and employees shall have reasonable right of access to the Property, upon not less than ten (10) days prior written notice, to inspect the Improvements in order to ensure that the construction of the Improvements is in accordance with this Agreement and all applicable State and local laws and regulations (or valid waiver thereof). After completion of the Improvements, the COUNTY shall have the continuing right to inspect the Property, upon not less than ten (10) days prior written notice, to ensure that it is thereafter maintained in accordance with this Agreement throughout the Term of this Agreement. In addition, the OWNER agrees that appraisal district representatives shall have reasonable right of access to the Property, upon not less than ten (10) days prior written notice, for the purpose of ad valorem property tax appraisal for all real property and improvements to real property.

**III.  
ABATEMENT OF TAXES**

3.1 Subject to the terms and conditions of this Agreement, and subject to the rights of holders of any outstanding bonds of the COUNTY, a portion of ad valorem real property taxes from the Property that are otherwise owed to the COUNTY, shall be frozen at the appraised value of the Property on December 31, 2014. Said ad valorem real property tax abatement/freeze shall be for a five (5) year term, beginning in tax year 2015, and shall apply to the taxes assessed upon the increased value of the eligible Property, after installation of the real property improvements contemplated by Paragraph 2.2, over the value of the Property in the year in which this Agreement is executed; all subject to and in accordance with the terms of this Agreement, the Tax Abatement Policy, Chapter 312, Texas Tax Code, and all applicable state and local regulations (or valid waiver thereat).

3.2 It is understood and agreed among the parties that the Property shall be appraised at market value for the purposes of the applicable real property tax assessments effective as of December 31, 2014, and continued at market value until the expiration of the Term of this Agreement.

3.3 It is understood and agreed among the parties that, at the end of the Abatement term, the real property must remain on the tax rolls at the full appraised value for a minimum of ten (10) years before the property is eligible for tax abatement again.

**IV.  
TERM OF THE AGREEMENT**

4.1 The term of this Agreement (the "Term") shall begin on the date of this Agreement and end upon completion of the final abatement year.

4.2 Prior to December 1st of each year during the Term of this Agreement, OWNER shall certify to the governing body of the COUNTY, on behalf of each taxing unit, that OWNER is in compliance with all of the terms and conditions of this Agreement.

**V.  
DEFAULT AND RECAPTURE OF ABATED TAX**

5.1 In the event that (a) OWNER fails to incur the minimum In Service Project Cost of an amount that, at a minimum, is equal to 20 percent of the most recent valuation of the property, or \$20,000, whichever is less; (b) OWNER fails to maintain throughout the Term of this Agreement minimum Taxable Values for the real property of at least Forty Two Thousand Six Hundred Ninety Six dollars (\$42,696.00), which includes the 2014 real property appraised value of \$35,580 plus a minimum of \$7,116 in real property improvements; (c) OWNER allows its ad valorem taxes owed the COUNTY to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of any such ad valorem taxes; (d) OWNER has an Event of Bankruptcy or Insolvency (as defined in Paragraph 1.2 ); or (e) OWNER otherwise fails to comply with any of the terms, conditions, or obligations of this Agreement, then this Agreement shall be in default.

5.2 In the event of default, COUNTY shall give the OWNER written notice of such default and, if the OWNER has not cured such default within sixty (60) days after said written notice, this Agreement may be terminated by the COUNTY. If the COUNTY terminates this Agreement in the event of default, OWNER shall repay to the COUNTY all taxes which otherwise would have been paid to the COUNTY without the benefit of abatement during the Term of this Agreement, together with interest at the statutory rate for delinquent taxes as determined by Section 33.01 of the Texas Tax Code (but without the addition of penalty), reasonable attorney's fees, and costs. Such amounts shall be due, owing, and payable to the COUNTY within sixty (60) days after the expiration of the above mentioned 60-day cure period. The parties acknowledge that COUNTY will suffer damages in the event of OWNER's default under this Agreement. The parties acknowledge that actual damages in the event of default and termination would be speculative and difficult to determine. OWNER's obligation to pay any amounts hereunder shall survive termination of this Agreement.

5.3 It is expressly acknowledged and agreed between the parties that the COUNTY shall have the right to place a tax lien against the Property pursuant to Section 32.01 of the Texas Tax Code. Such lien shall secure the payment of all taxes abated and subject to recapture under this Agreement, together with all other amounts payable hereunder. Any such lien may be fully enforced pursuant to the provisions of the Texas Tax Code. Also, to collect any amounts payable hereunder, the COUNTY shall have all other remedies provided generally in the Tax Code for the collection of delinquent property tax.

**VI.  
GENERAL PROVISIONS**

6.1 The COUNTY represents and warrants that the Property does not include any property that is owned by a member of the Commissioners Court approving, or having responsibility for the approval of this Agreement.

6.2 The terms and conditions of the Agreement are binding upon the successors and permitted assigns of all parties hereto. This Agreement may not be assigned by OWNER without the prior written consent of the COUNTY, such consent to be at the sole discretion of the COUNTY; provided, however, that upon written notice to the COUNTY, OWNER may assign its rights under this Agreement to a wholly owned subsidiary of OWNER, subject to OWNER remaining liable for all of its obligations hereunder.

6.3 It is understood and agreed between the parties that the OWNER, in performing its obligations hereunder, is acting independently, and the COUNTY assumes no responsibility or liability in connection therewith to third parties and OWNER agrees to indemnify and hold harmless the COUNTY therefrom. The expected cash contributions from the Federal or State government, the Local Government, or other parties is shown in Attachment C. The Local Government shall pay to the State the amount shown in Attachment C as its required contribution of the total cost of the Project and shall transmit to the State with the return of this agreement, duly executed by the Local Government, a warrant or check for the amount and according to the payment schedule shown in Attachment C.
- B. The Local Government's fixed price contribution set forth in Attachment C is not subject to adjustment unless:
  1. site conditions change;
  2. work requested by the Local Government is ineligible for federal participation; or
  3. the adjustment is mutually agreed on by the State and the Local Government.
- C. If the Local Government will perform any work under this contract for which reimbursement will be provided by or through the State, the Local Government must complete training before federal spending authority is obligated. Training is complete when at least one individual who is working actively and directly on the Project successfully completes and receives a certificate for the course entitled *Local Government Project Procedures Qualification for the Texas Department of Transportation*. The Local Government shall provide the certificate of qualification to the State. The individual who receives the training certificate may be an employee of the Local Government or an employee of a firm that has been contracted by the Local

Government to perform oversight of the Project. The State in its discretion may deny reimbursement if the Local Government has not designated a qualified individual to oversee the Project.

- D. Whenever funds are paid by the Local Government to the State under this agreement, the Local Government shall remit a warrant or check made payable to the "Texas Department of Transportation Trust Fund." The warrant or check shall be deposited by the State in an escrow account to be managed by the State. Funds in the escrow account may only be applied to this highway project.
- E. Notwithstanding that this is a fixed price agreement, the Local Government agrees that in the event any existing, future, or proposed Local Government ordinance, commissioner's court order, rule, policy, or other directive, including, but not limited to, outdoor advertising or storm water drainage facility requirements, is more restrictive than State or federal regulations, or any other locally proposed change, including, but not limited to, plats or re-plats, results in any increased costs to the State, then the Local Government will pay one hundred percent (100%) of all those increased costs, even if the applicable county qualifies as an Economically Disadvantaged County (EDC). The amount of the increased costs associated with the existing, future, or proposed Local Government ordinance, commissioner's court order, rule, policy, or other directive will be determined by the State at its sole discretion.
- F. If the Local Government is an EDC and if the State has approved adjustments to the standard financing arrangement, this agreement reflects those adjustments.
- G. If the Project has been approved for an "incremental payment" non-standard funding or payment arrangement under 43 TAC §15.52, the budget in Attachment C will clearly state the incremental payment schedule.

**4. Real Property in Lieu of Monetary Payment**

- A. Contributions of real property may be credited to the Local Government's funding obligation for the cost of right of way to be acquired for this project. Credit for all real property, other than property which is already dedicated or in use as a public road, contributed by the Local Government to the State shall be based on the property's fair market value established as of the effective date of this agreement. The fair market value shall not include increases or decreases in value caused by the project and should include the value of the land and improvements being conveyed, excluding any damages to the remainder. The amount of any credit for real property contributed for this project is clearly shown in Attachment C.
- B. The Local Government will provide to the State all documentation to support the determined fair market value of the donated property. This documentation shall include an appraisal of the property by a licensed appraiser approved by the State. The cost of appraisal will be the responsibility of the State. The State will review the submitted documentation and make a final determination of value; provided however, the State may perform any additional investigation deemed necessary, including supplemental appraisal work by State employees or employment of fee appraisers.

- C. Credit shall be given only for property transferred at no cost to the State after the effective date of this agreement and the issuance of spending authority, and only for property which is necessary to complete this project, has title acceptable to the State, and is not contaminated with hazardous materials. Credit shall be in lieu of monetary contributions required to be paid to the State for the Local Government's funding share of the right of way to be acquired for this project. The total credit cannot exceed the Local Government's matching share of the right of way obligation under this agreement, and credits cannot be reimbursed in cash to the Local Government, applied to project phases other than right of way, nor used for other projects.
- D. In the event the Local Government's monetary contributions to the State for acquisition of right of way, when added to its real property credits, exceed the Local Government's matching share of the right of way obligation, there will be no refund to the Local Government of any portion of its contributed money.
